A curious official notice of a suicide
 who has drowned himself in the Rhine
 is given in a Dutch paper. After
 offering a reward for the recovery of
 the body, the police give the follow-
 ing description: "Age, about forty.
 Height, 5 ft. 8 in. Speaks the dialect
 of Gelderland." We presume that
 dialect is one of the dead languages.

A close-up photograph of a textured, light-colored surface, possibly a book cover or endpaper. The surface has a mottled, fibrous appearance. A prominent horizontal crease or fold runs across the middle of the frame. Above the crease, there are some faint, dark, illegible markings that could be remnants of text or stamps. The lighting is somewhat uneven, with a darker area at the bottom of the image.
