RIFLE MATCHES

A bright day with scarcely any wind made conditions ideal for shooting on Labor Day, when what was probably the most successful rifle match the County has ever seen, was held on Bartlett's Range, Bayside, by the Charlotte County Rifle Association. Sixty competitors shot in the various matches, and in addition to these the Association was honored by the presence of a large number of ladies, and it is certain that the high scores made are in some measure due to this fact.

Through the generosity of M. N. Cockburn, F. H. Grimmer, A. A. Clark and F. P. McColl, who placed their automobiles at the disposal of the Association, and of Albert Denley, W. E. Turner and W. Anning who provided teams, ample transportation was afforded. Shooting began at 9 o'clock and from that time until 6 p. m. (With an interval of half an hour for lunch), the hills re-echoed with the sound of rifle fire.

The prize list was quite varied. Lady relatives of the competitors provided a handsome "Ladies Cup". This with the "Loggie Cup" and "Hartt Cup" supplemented by prizes in kind donated by citizens, made a goodly show. At the close of the shooting competitiors and spectators assembled for the presentation of prizes, which function was presided over by Judge Cockburn.

CARD OF THANKS

Mrs. Bell and family wish to thank their friends for kindness and sympathy shown them during their recent sad bereavement.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

Gasoline, Benzine or Carnations?

Which do you prefer?

Nice to have people sniffing gasoline or benzine when you come near them!

Gasoline and benzine will clean soiled clothing, gloves; will also explode and is most inflammable.

Nyal's Kle-Nem will do all that Gosoline or Benzine will do in the way of cleaning but it will neither burn nor explode.

It also leaves a dainty odor of carnations.

Anyone who ever used Kle-Nem will never go back to the old fashioned way.

Kle-Nem is only a quarter a bottle.
