ROWLANDS' KALYDOR,

An Eastern Botanical Preparation, perfectly free from all mineral or metallic admixture. It is distinguished for its extremely bland, purifying, and soothing effects on the skin; while, by its action on the pores and minute secretory vessels, it promotes a healthy tone, allays every tendency to inflammation, and thus effectually dissipates all redness, tan, pimples, spots, freckles, discolorations, and other cutaneous visitations. The radiant bloom it imparts to the cheek, the softness and delicacy which it induces of the hands and arms, its capability of soothing irritation, and removing cutaneous defects, render it indispensable to every toilet.

It obviates all the effects of Climate on the Skin, whether with reference to cold and inclemency, or intense solar heat, and affords immediate relief in cases of sunburn, stings of insects, or incidental inflammation. Gentlemen after shaving will appreciate its softening and ameliorating properties.

Its purifying and refreshing properties have obtained its selection by Royalty and the Aristocracy of Europe, and it is universally in high repute, from the sultry climes of India to the frozen realms of the Czar.

Are indispensable to PERSONAL ATTRACTION and to health and longevity, by the proper mastication of food.

ROWLANDS' ODONTO,

OR PEARL DENTIFRICE,

A WHITE POWDER, is compounded of the Choicest and most recherché Ingredients of the Oriental Herbal. It eradicates all tartarous adhesions to the Teeth, and insures a pearl-like whiteness to the enamelled surface. Its ANTI-SEPTIC and ANTI-SCORBUTIC PROPERTIES exercise a highly beneficial and salutary influence; they arrest the further progress of the decay of the Teeth, induce a healthy action of the Gums, and cause them to assume the brightness and colour indicative of perfect soundness; while, by confirming their adhesion to the Teeth, they give unlimited enjoyment and fresh zest to appetite, by perpetuating effectual and complete mastication. The Breath, also, from the salubrious and disinfecting qualities of the ODONTO, attains a sweetness and fragrance truly grateful to its possessor.

As the most efficient and fragrant aromatic purifier of the Breath, Teeth, and Gums ever known, ROWLANDS' ODONTO has for a long series of years occupied a distinguished place at the Toilets of the Sovereigns and the Nobility throughout Europe, while the general demand for it at once announces the favor in which it is universally held. IMPORTANT TESTIMONIAL.

34, *Wine street, Bristol.*

SIR,—It is with much pleasure I have to inform you of the benefit I received from your Lozenges. I was attacked with the typhus fever, during which time I had a violent cough, so that it kept me awake the greater part of the night. A friend persuaded me to try a box of your "COUGH LOZENGES" which I did and am happy to say that with only one box of your valuable compound I was quite free from cough.

You can make what use of this you please, for I think such valuable medicine ought not to go unnoticed.

I remain, Sir, your obedient Servant,
WM. T. TRUSCOTT.
