Dr. S. COVINGTON, ALEXING. INVENTOR OF
 ANTILLA.—Scrophulous has of late years been
 common, and with great success, in cases of
 Rheumatism, as an alternative in Scrophu-
 lous, Scabby, Obstinate, Cutaneous Eruptions,
 Indolent Ulcers, Diseases of the Pericentum
 &c., attended with obscure pains, wasting
 &c., tenderness of the parts, tumors and nodes
 excited with syphilis, and in that state of the

in, but which is not easy to derive. In such cases, *Parasol* proves a most valuable remedy, often effects a cure when all other remedies have been administered in vain, and when the state of the system has been of many duration.

Parasol, prepared by John C. Sharp, has performed numerous and most astonishing cures of persons who have for years been tormented with scurvy, and others who have been afflicted with Mercurial Rheumatism, which they had up built for 2 or 3 years. Prepared and sold by J. C. Sharp, of the Dispensary.
