Poetry

THE BROKEN HOUSEHOLD.

Vainly, vainly, memory seeks,
Round our father's knee,
Laughing eyes and rosy cheeks
Where they used to be;
Of the circle once so wide,
There are wanderers, there have died.

Golden haired, and dewy eyed,

Was the baby first that died,
Oh! 'twas hard to lay
Dimpled hand and cheek of snow
In the grave so dark and low.

Smiling back on all who smiled,
Ne'er by sorrow thrall'd,
Half a woman, half a child,
Was the next one called;
Then a grave more deep and wide
Made they by the baby's side.

When or where the other died
Only heaven can tell,
Treading manhood's path of pride
Was he when he fell:
Haply thistles, blue and red,
Bloom about his lonely bed.

I am for the living three
Only left to pray;
Two are on the stormy sea;
Farther still than they,
Wanders one his young heart dim—
Oftenest, most I pray for him.

Whatsoe'er they do or dare,
Wheresoe'er I roam,
Have them, Father, in thy care,
Guide them safely home!
Home, oh, Father! in the sky,
Where none wander and none die.

RATHER SINGULAR.—The Concord, (N.H.) Democrat states that a cow belonging to Mr. Moody Gillingham, of Newbery, New Hampshire, in eating some garden vegitables, accidently swallowed a very sharp butcher-knife, about eleven inches in length, including the handle, with a blade more than an inch and a quarter wide. On the 10th of January, a sore appeared in her side, just back of the shoulder blade. A quantity of corn, and other food, was discharged from the opening. On the 17th ult., Mr. Gillingham perceived the point of the knife protruding from the opening, and, with the aid of a pair of pinchers, drew it out of the handle through the cow's rib uninjured. The second morning afterwards the handle was found in the crib, also uninjured, having been vomited up in the course of the night.

MYERS' EXTRACT OF ROCK ROSE.

FOR all cases of Scrofulous Diseases, Dyspepsia, Salt Rheum, Sick Headache, Canker & Nursing Sore, Mouth, General Debility, &c. &c. No Medicine has ever received such high testamonials from persons who have been afflicted with the above named diseases, as the Rock Rose. Myers' Extract in an elegant preparation, perfectly save, and a wonderfully efficacious remedy. The extraordinary medicinal properties of the Rock Rose Plant, have [illegible] ical practitioners of the country; others are fast becoming acquainted with its healing virtues, and desire to have it more extensively known and used.

The following is an extract from a note on the title page of a work published by D. A. Tyler, M. D., New Haven, Conn. on the efficacy of Rock Rose. These pages were penned without any expectation "of their ever being presented to the public—since "which time the plant (Rock Rose) under consid- "eration has been more fully tested its virtues deve- "loped, and their character more fully established. "They are published by with the consent of several "medical friends. The object of this dessertation is "to lay before the members of the profession and "the public, the virtues of a plant too much neg- "lected which undoubtedly (as an order member of "the profession once remarked to me) possessed far "more attractive hours than the popular sarsaparilla. "I ask for the plant an impartial trial."

ITS MEDICAL HISTORY AND PROPERTIES

Are far the most important, since upon these depends its value to the community. Dr. Loudon says, that in 1799, it was so valuable in England that it was cultivated from seeds. Ever since 1800

PROF. IVES, OF YALE COLLEGE,

Has habitually used it with great success in *Scrofula*, and *Chronic Disease*, and through him its virtues were made known until, as Dr. Tyler says, "It is now in this section [New Haven] a common article in domestic practice, for the cure of *Scrofula* and cutaneous diseases." Dr. Whitlaw, a Scotch botanist of notoriety, while traveling in America, in 1814 learned its use in Canada. Returning to England he employed it in medicating his baths, when became greatly celebrated for the cure of similar diseases.

DR. PARISH, OF PHILADELPHIA.

Remarks that it has been successfully used in bad cases of *Scrofulous Diseases.*

DR. J. H. THOMPSON, OF THE SAME PLACE

Prescribed it in bad cases of Scrofulous patients at Wells' Hospital. His success attracted the attention of senior physicians. He reports the following remarkable cases of White Swelling of the right hip in February, 1844. The lad was seven years old, and had the disease for three years. The bone was dislocated upward and outward. There was a large opening on the hip leading to the bone, into which I could thrust my finger. I counted twelve ulcers. He had been under several physicians, who had given him up. I ordered a decoction of the *Rock Rose*. In two days his night sweats ceased; I then ordered a tea spoonful of the tincture of Rock Rose three times a day. *Thirty-nine days after he was entirely well.*

For sale by *Druggists Generally*, where Circulars and Certificates of cases may be obtained.

BY JOHN TALLIS & CO., OF LONDON.

THE LIFE AND TIMES OF THE LATE

Duke of Wellington;

By Lieut. Col. Williams (a Companion-in-Arms, of His Grace.)

Comprising the Campaigns and Battle-Fields of Wellington and his Comrades, the Political Life of the Duke and his Contemporaries, and a detailed account of England's Battles by Sea and [illegible] French Revolution to the present time, interspersed with Anecdotes, Personal Incidents and Adventures, etc.

ADDRESS.

THE earthly career of Arthur Duke Wellington has closed; one of the greatest men of the nineteenth century, the foremost military commander of any age, has paid the debt of nature. The time has now arrived for giving to the world a History of the Great Captain—of the Events of his Life and Time—a life marked by patriotism, probity, and honour and events the greatest which have ever agitated the civielized world, and whose influence will be felt upon society till the end of time. Such a work must appeal to the best and proudest feelings in the heart of every Briton—the glory of his country, the honour of its name and position among the nations—nay his own existence as a freeman, are recorded and engraven in the annals of "the well fought fields," and "the deadly imminent breaches," the immortal battles and the glorious sieges in which Wellington and his Companions-in-arms gathered unfading laurels, placed their country's honour and renown on the highest pinnacle of fame and glory, and tore the victor's wreath from the brows of heroes decorated with the trophies of Italy, Egypt, and Germany.

To supply such a desideratum in English literature, the publishers of The Life and Times of the Duke of Wellington have determined to produce a book which shall present to the reader, not only the dry details which a mere biographical sketch would afford, but a comprehensive work, embracing the contemproaneous history of the period; exhibiting the circumstances which brought about the great events in which the Duke and his contemporaries were engaged, and giving to the reader a connected narrative of the lives and actions of the Warriors and Statesmen of the nineteenth century; and this from the pen of who was a companion-in-arms of the great hero, and participated with him in many a well-fought field.

In order to carry out their views, the Publishers have determined that the work shall be profusely illustrated by Portraits of the Warriors and Statesmen of the last half century who have shed a lustre upon the history of their country; also representations of the most important engagements by sea and land, from the period of 1780 till 1852; so that the work, when finished, shall form an Illustrated Gallery of the Naval and Military Exploits of England.

It has been said well said, "Character is the true strength of nations; true glory their best inheritance When the time shall come that the British heart on longer thrills at the names of Cressy, Poictiers, Aginicourt; Blenheim, Ramilies, Oudenarde, Malplaquet; of Talavera, Salamanca, Toulouse, Waterloo,—the last hour of the British Empire will struck." The promotion and elevation of national spirit and feeling is therefore the duty and interest of every true and loyal son of England. May Heaven inspire the hearts of every one of us with that spirit andeeling.

Conditions of Publication.—The work will be issued on the 1st and 15th of every month in Part at 1s. 3d, and Divisions handsomely bound at 9s 4½d Printed on Imperial 8 vo. duble columns, each part will be embellished by two highly-finished steel Engravings, and will contain 32 pages of letterpress. A beautiful steel Engraving, 13 by 19 inches, the Storming of Seringaptam, the first victory in which the late Duke of Wellington was engaged in India, to be given to every Subscriber to the Work.

HOLLOWAY'S OINTMENT.

CRIPPLE SETS ASIDE HIS CRUTCHES AFTER TEN YEARS' SUFFERING.

Copy of a Letter from Mr. Thomas, Chemist, Liverpool, dated August 20, 1852.

To Professor Holloway.

Dear Sir,—I am enabled to furnish you with a most extraordinary cure effected by your invaluable Ointment and Pills, which has astonished every person acquainted with the sufferer About ten years ago, Mr. W. Cummins, of Saltney Street, in this town, was thrown from his horse, whereby he received very serious injuries; had the best medical advice at the time, and was afterwards an inmate of different infirmaries yet he grew worse, and at length a malignant running ulcer settled in his hip, which so completely crippled him that he could not move without crutches for nearly ten years. Recently he began to use your Ointment and Pills, which have now healed the wound, strengthened his limb, and enabled him to dispense with his crutches, so that he can walk with the greatest ease, and with renewed helth and vigour.

A MOST EXTRAORDINARY CURE OF A DREADFUL SKIN DISEASE WHEN ALL MEDICAL AID HAD FAILED.

Copy of a letter from Mr. Hird, Draper, of Keady near Gainsboro', dated March 1st, 1852.

To professor Holloway.

Sir,—Some time since, one of my children was afflicted with dreadful eruptions over the body and limbs. I obtained the advice of several eminent Surgeons and Physiciance by all of whom the case was considered hopeless. At length I At length I tried your Ointment and Pills, and without exaggeration, effect was miraculous, for by persevering in their use, all the eruptions quickly disappeared, and the child was restored to perfect health.

I previously lost a child from a similar complaint, and I firmly believe, had I in her case adopted your medicines, she would have been saved also. I shall be happy to testify the truth of this to any enquirer

ANOTHER SURPRISING CURE OF ULCERATED BAD LEGS DEBILITY AND GENERAL ILLHEALTH.

Copy of a Letter from Mr. J. M. Clennell, of New-Castle-on-Tyne, dated September 20th 1852.

To professor HOLLOWAY.

Dear Sir—I am authorised by Mrs. Gibbon, of 31, Bailey-street, in this town, to inform you that for a considerable period she had been a sufferer from debility, and general ill-health, accompanied with a disordered stomach and great derangement of the system. In addition to this she was terribly afflicted with ulcerated wounds, or running sores, in both her legs, so that she was totally incapable of doing her usual work. In Pills and Ointment and she states, that in a wonderfully short time they effected a perfect cure, of her legs, and restored her constitution to health and strength; and that she is now enabled to walk about with ease and comfort. Several other persons in this neighbourhood have also received extraordinary benefit from the use of your invaluable medicines.

I remain, dear Sir, yours faithfully.

(Signed) JOHN MORTON CLENNELL.

CERTAIN REMEDY FOR SCORBUTIC HUMOURS, AND ASTONISHING CURE OF AN OLD LADY SEVENTY YEARS OF AGE OF A BAD LEG.

Copy of a Letter from Messrs. Walker & Co., Chemists, Bath.

To Professor Holloway.

Dear Sir,—Among the numerous cures effected by the use of your valuable medicines in this neighbourhood, we may mention that of an old lady living in the Village of Preston, about five miles from this City. She had ulcerated wounds in her leg for many years and latterly they increased to such an alarming extent as to defy all the usual remedies, her health rapidly giving away under the suffering she endured. In this distressing condition she had recourse to your Ointment and Pills, and by the assistance of her friends, was enabled to persevere in their use, until she received a perfect cure. We have ourselves been greatly astonished at the effect upon so old a person, she being above seventy years of age We shall be happy to satisfy any enquiries as to the authenticity of the really wonderful case, either personally or by letter.

A Private in the Bath Police Force, also, has been perfectly cured of an old scorbutic affection in the face, after all other means, had failed. He states that it is entirely by the use of your Ointment, and speaks loudly in its praise.

We remain, dear Sir, your's faithfully,

April 6th, 1852. (Signed) WALKER & Co.
