

March 17th, 1831. — Following recited, dated
 1831, I was entirely good; a few years ago I was under
 the treatment of Dr. — of this city, I suffered
 with palpitation of the heart to no great
 extent, that I was frequently obliged to retire
 from any kind of exercise, mental or bodily, I
 would forget it. I was sometimes troubled
 with violent nausea and a feeling of blood; I
 became weary of my old friend, but thinking that
 I loved him, I went to this City, and seeing several
 bottles of your Pills, I purchased one, took
 one or two, and the result was very favourable to
 me. I am now well, and I am entirely cured, and
 have to thank you for the good you have done
 me.
