## CIRCUIT COURT.

**A True Bill Found Against Nixon on One Charge.**

The Case of Harry Nelson Was Continued and a Number of Witnesses for the Defence Were Examined.

At the circuit court this morning the grand jury met in the matter of the King v. Nixon. The interest in the cases before the court brought a large number of spectators. His honor, in addressing the jury, said that this was probably the last time he would need their assistance this session. The case was that of Robert Nixon, charged with adultery, and the other with unlawful and indecent assault.

To find a true bill on the first count it is not necessary anything but that the act was done; on the other it will be needed to know whether force was used. The witnesses were sworn and the grand jury retired.

The case against Harry Nelson was then taken up. The prisoner went on the stand. He testified that he kept books in his own handwriting.

Jarvis Purdy was called by Mr. Hasen. He said among his duties in connection with his father's store was attendance at the May Queen. He never saw Nelson there this summer, if he had been there he would have seen him. He was not present on the 10th, was at Grand Bay. He was at the boat on the 13th. He did not see Nelson there.

**BASE BALL.**  
Bangor Team Coming.  
The Bangor team, which is second in the New England league, will be here to play the Alerts Saturday. This strong attraction could only be secured because Saturday happens to be an open date with the club. The Bangor club is the strongest aggregation booked to come here since the visit of the Portland and Montreal two seasons ago, and it is a matter for argument if the team is not stronger than the Portland crew who have been here in a series. A large guarantee will be necessary to secure the attraction, and the game will no doubt draw out all lovers of base ball, because the interest in the sport has been at a high pitch this season. Additional interest will be attached to the visit of the Bangor aggregation for the reason that Harry Jope, who played two seasons with the Alerts, is one of the catchers with the team.

Roses Get a New Pitcher.  
The Roses have engaged pitcher John Keira, formerly of the Manchester, New England, league team. Keira did some splendid work for Manchester, and will undoubtedly be a valuable addition to the north and team.

**RAINBOW AT NIGHT.**

Passengers on the C. P. R. from Montreal on Sunday night saw when at Foster, Que., the rare phenomenon of a rainbow at night. In one quarter of the compass was clear moonlight and in another a shower of rain was falling. Across a part of the intervening sky, clear and beautiful, stretched the arch of a rainbow. This was about 11.30 p. m.

**BANGORS COMING SATURDAY.**

Word was received this morning from Manager Burnham of the Bangor New England League team stating that the club would positively be in St. John on Saturday. Smith, the star pitcher of the team, which is second in the league race, is a native of St. John, but has been residing in Lynn, Mass., since his boyhood, and Jope, one of the club's catchers, played in St. John two seasons.
