SPORTING NEWS.

FOOTBALL.

Another football match between the Y. M. C. A.'s and the Beavers will be played next Saturday afternoon on the Shamrock grounds. These teams have already played four games, of which each team has won one, the other two being draws, so considerable interest is felt over the coming game. It is probable that the next match will be with an outside team.

BASE BALL.

CHICAGO, Oct. 9.—A movement entirely independent of the Players' Protective Association has been inaugurated by members of National League teams against club owners for the purpose of compelling an increase of salaries. Contracts for 1902, it is said, will not be signed until demands of players are conceded.

THE RING.

SAN FRANCISCO, Cala., Oct. 8.—November 15 has been agreed upon as the date for the Jeffries-Ruhlin bout in this city. Jeffries has posted his $2,500 forfeit, and nothing remains now but the selection of a referee. It is generally understood that Harry Corbett will be chosen. Tim Hogarty, the Australian, who came to this city to meet McGovern, has agreed to meet Kid Lavigne.

NEW DANCES THIS WINTER.

"Ontario," in Polka Time, Likely to Be Popular—"The Sylph" is Another—Also the "Rainier."

(Toronto Mail and Empire.)

Of the great number of new dances exploited by teachers from various parts of Canada and the United States at the convention of the American National Association of Dancing Masters, held in Toronto recently, three were accepted by the committee on selection, and now that the current season at dancing academies is in full swing, at least one of these, the "Ontario," a very pretty and graceful movement in polka time, embodying a portion of the "Berlin" polka, very much in favor three years ago, and somewhat similar to the "Yorke" of more recent memory, is likely to become popular.

It will be taught by local dancing masters to a greater or less extent and has a dash and swing which should bring it into favor. The other two, the "Sylph' 'and the "Rainier," being more in the nature of fancy dances, will in all probability find favor and more devotees among the little folks.

The "Sylph,' which also is written for polka time, combines a graceful toe-pointing and gliding polka movement, with a number of pretty French arm poses.

The "Rainier" reminds one very much of the "schottische,' sometimes called "caprice" at society functions, and is danced in the same time, and combines the runnings and back steps of the "schottische" with graceful gliding movements, making a very pretty dance.

As in the last few years the two-step waltz, lancers, and the cotillion will continue in favor with the swagger set.

The cotillon will this season be more generally brought before the dancing public than it has in years past. This is as well true of the New York lancers, which have been very much neglected, and in some localities totally ignored of late.

The two-step seems to be steadily losing in popularity among the general devotees of dancing. As a matter of fact, it has been in disrepute with many dancing masters, owing to its likelihood to lead to romping and the ill-effects it has upon the gracefulness of pupils.

ATTACKED BY HOGS.

A Michigan Woman Shockingly Mutilated and Will Die.

DETROIT, Oct. 8.—Mrs. Anset Green, of Sebewal Township, Mich., was attacked by hogs, and so frightfully mangled that she will die. Mrs. Green was hunting for eggs in the barnyard, when three hogs suddenly turned upon her and knocked her down. The animals apparently became frenzied and began to tear at the woman's arms and body. Mrs. Green became unconscious and then the hogs moved away. When she regained consciousness Mrs. Green managed to gain her feet and started to run for the gate. She had taken only a few steps when she was again attacked and knocked down. Her screams finally brought help, and the hogs were driven away by her son. The flesh was stripped from her right arm and it had to be amputated. Her left arm and hand were also terribly torn. One side of her face was torn to sheds. There is no hope for her recovery.

ALCOHOL AND MORPHINE.

AN ANTIDOTE DISCOVERED.

A recent remarkable discovery in medicine which has been found to annihilate the appetite for alcoholic drinks and all drugs, even in the most hopeless cases, is attracting a good deal of attention among those interested in temperance work. The medicine is purely vegetable, perfectly harmless and absolutely free from narcotics. It leaves no evil after effects and can be carried in the pocket and taken in absolute privacy, thus dispensing with the publicity, loss of time and expense of an institute treatment.

The medicine has been tested and is vouched for by "The Vicar of St. Michael's,' Rev. Father Quinlivan, Rev. Joseph Egger, Rev. B. L. Fitzgerald, Rev. Father Strubbe, Rev. Father McCallen, Rev. M. Gaughren, Rev. A. M. Coventry, Rev. Father Gaule, Sister Augustine, Sister William, S. S. H. Sister Ethelburga, and many others.

Full particulars regarding this medicine can be obtained by writing to Mr. Dixon, No. 81 Willcocks Street, Toronto, Canada.

S. S. WORKERS.

FREDERICTON, Oct. 8.—The eighteenth annual session of the New Brunswick Provincial Sunday School Convention opened at the Methodist church here at 2.30 o'clock this afternoon.

The church was tastefully decorated for the occasion. At the head of the stairway at the main entrance the Union Jack and Stars and Stripes are draped, and over the door is the device, "Welcome," with smaller mottoes on either side. In the auditorium the front of the gallery is festooned with red and white bunting, caught up at the pillars by small flags. The altar is handsomely decorated with plants and flowers, and appropriate mottoes in bright colors are placed at frequent intervals all about the church.

The first half hour was given over to a highly interesting and most helpful Bible reading, conducted by Rev. J. H. MacDonald of Fredericton. This was followed by an address of welcome on behalf of the citizens, eloquently spoken by His Worship Mayor Crocket, and to which Rev. Mr. Fotheringham made an appropriate reply. After the appointment of several convention committees, the first address by Rev. Dr. Clark of Columbus, the International representative, was delivered, his theme being, A Voice from the International Association.

The report of the executive committee was then presented by the chairman, R. G. Haley of St. John, and the meeting adjourned after singing and the offering.

FABIAN LEAGUE.

At the regular monthly meeting of the Fabian League last night the questions under discussion were the Legal Half Holiday and the Employers' Liability Act. The discussion on the first question was opened by F. A. Dykeman, who in a clever speech pointed out the moral, physical and business advantages resulting from the establishment of a weekly half holiday.

Rev. J. deSoyres warmly approved of the idea, and told of the success of the scheme as tried in Exeter, England.

Rev. Mr. Beers was also in favor of the movement, which had resulted very favorably in many cities and towns of the United States.

The question of Employers' Liability was opened by Dr. Wetmore, who gave a digest of the English law, told of its advantages for the working man and advocated the sending of a petition to the government praying for the establishment of a like law in Canada.

WEDDING ON ST. DAVID STREET.

St. David street was illuminted last night with tar barrel bonfires and the small boy of the district was out in force, armed with over-ripe fruit from a stolen barrel of apples, to celebrate the wedding of Fred Baxter to Miss Annie Maidmen. The bride is from Halifax, where the groom met her while he was connected with the provisional regiment there. The ceremony was performed by Rev. J. A. Richardson of Trinity chruch at 7.30, and afterward the happy couple adjourned to their residence on St. David street, accompanied by a number of their friends, where music and dancing and refreshments were enjoyed until a late hour. The exuberance of the celebrants outside the house rose to such a pitch early in the evening that the presence of a couple of police officers was required to preserve approximate peace in the neighborhood. At the wedding ceremony Miss Marguerite Baxter acted as bridesmaid and Francis Quinn supported the groom. A Sun reporter who visited the scene of festivities last night was informed that the bride had received a large number of choice presents.

AN EXPLICIT DENIAL.

QUEBEC, Oct. 8.—Dr. Seward Webb gives an explicit denial to the reports from Halifax that he intended building railway lines in Cape Breton to compete with the I. C. R. and C. P. R. His railway interests in Cape Breton are purely local and depend to some extent on the good will and business favor of the I. C. R. and C. P. R.

HALIFAX MILITARY REVIEW.

It is still uncertain as to whether Halifax will have a review or not, but matters are proceeding as if it were a certainty. Dr. Montizambert has not received desired information from Dr. Reid, of Antigonish, concerning the small-pox, and has been referred to two other medical men in the province. This will cause great delay. The impression is, according to an Ottawa despatch, that Col. Biscoe will be in command, with Col. J. D. Irving, D. O. C., in command of the Canadian troops, should the review take place.

She—You know, John, you promised me a sealskin wrap, and—

He—And you promised to keep my stockings darned and you haven't done it.

She—Well, you don't mean to say you'll break your promise on that account.

He—Well, it's just this: You don't give a darn and I don't give a wrap.

The Baby Sick?

Then probably it's a cold. Babies catch cold so easily and recover so slowly. Not slowly, however, when you use Vapo-Cresolene. Then a single night is all that is necessary for a cure. You just put some Cresolene in the vaporizer, light the lamp beneath, and place near the crib. While baby sleeps he breathes in the healing vapor. Cold loosens, inflamed membranes heal, and all trouble ceases. It's a perfect specific for whooping-cough and croup. 8

Vapo-Cresolene is sold by druggists everywhere. A Vapo-Cresolene outfit, including the Vaporizer and Lamp, which should last a life-time, and a bottle of Cresolene, complete, $1.50; extra supplies of Cresolene 25 cents and 50 cents. Illustrated booklet containing physicians' testimonials free upon request. VAPO-CRESOLENE Co., 180 Fulton St., New York, U.S.A.
