Teams chosen from the mechanical staff of the Sun and Telegram played a friendly game of baseball last evening on the grounds at the corner of Wentworth and St. James streets. The interesting contest drew quite a crowd, who witnessed a one-sided game.

Two matches were played at Ottawa yesterday, the Harold L. Borden and the Ross.

The following team matches were declared: Gillespie challenged the Canadian forces, is awarded to the team making the highest aggregate in the Bankers, Walker, MacDougall and Dominion matches. The cup with the first cash prize of \$20 was won by the 6th D. C. O. R. by 133.

EVERETTS DEFEATED. MONCTON, Aug. 31.—The Everett cricket team met their Waterloo in Moncton. The two days' match was finished this afternoon, Moncton piling up a total of 241, of which 185 were made in the second innings. The Everetts could not score off the Moncton bowling, making only 22 in the first and 49 in the second innings. Ackman's 87, not out, Fairweather's 30 and Wran's 28 were the best figures for the home team. Only two of the visitors got into double figures, Newman for 18 and Murray for 15.

SAVED FROM DROWNING. North End Man Rescued by Young Lady and Gentleman.

By the timely arrival of J. Frank Perkins, who lives at 95 Mecklenburg street, and Miss Dolly Farrell, after a hard row of about two miles, Fred Graham was saved from drowning near Brown's wharf the first of the week. Mr. Graham of 95 Portland street, was sailing in a boat belonging to Mr. Vanwart, with a rowboat in tow. This broke away, and in the attempt to get hold of it again the sailboat upset, throwing Mr. Graham into the water. A strong wind was blowing at the time and the water was very rough.

The accident was seen by Mr. Perkins and Miss Farrell from their summer homes at Beulah Camp. As quickly as possible they secured a rowboat and rescued the young man, who was clinging to the sinking sailboat.

WATER AND SEWERAGE BOARD. At a meeting of the water and sewerage board yesterday W. E. Raymond or Raymond & Doherty complained that they could not get sufficient water at the Royal Hotel and asked that an additional pipe be laid in from German street main. The matter will be looked into.

Roby Wilkins was heard in regard to damage done to his sister's property on the Marsh Road, caused by the bursting of a water pipe. The tender of D. Y. Stewart of Glasgow for new cast iron pipe was recommended for acceptance.

Ald. Christie called attention to a fact that some men employed by the water department did as little work as possible.

A RUNAWAY PRINCESS.

Escaped to Her Lover by a Ladder and an Automobile.

BERLIN, Aug. 31.—Princess Louise of Cobourg, whose relations with King-levich Matassich, the former lieutenant in the Austrian army, caused a great scandal in European royal circles several years ago and who has since been kept under the closest restraint, has vanished from Badelster, where she has been taking the cure. It is presumed that the princess is in the company of Matassich and is seeking to gain an asylum where she will be safe from re-capture. The escape of the princess was accomplished in a mysterious and romantic manner, leaders and a swift automobile being brought into play to effect her release from the hotel where she had been immured, and to convey her to some refuge, regarding the location of which there is yet complete mystery.

GAME SEASON OPENS.

The season for shooting wild duck, woodcock and snipe opens today. It is said that woodcock are quite plentiful. Duck are reported as being scarce on the meadows and lowlands up river owing to the illegal shooting of pot hunters who have been getting in their work during the past two weeks. What birds are around are extremely timid, and it will be hard to get a good shot at them. Hunters and sportsmen will notice that this is a close season for partridge and no birds will be allowed to be shot under any consideration. The penalty is \$10 for every bird.

As a result of the dry weather last spring, partridge are said to be very plentiful in different parts of the country. The season for shooting moose, deer and big game opens on Sept. 15th. If Ungar's heavy pliable finish does not suit you, you cannot be suited.

MOVING TO NEW LIBRARY. At a meeting of the Free Public Library commissioners yesterday committees were appointed to see about the removal of books to the new building, which will probably be commenced today. It has been decided to keep the library open from 10 a. m. to 9 p. m. Formerly the library was closed during meal hours. A check for \$500 has been received from Senator Ellis.

Try Ungar's. They will suit you. Ten people will see a placard of "To Let" on your house to about every ten hundred who will read your "To Let" ad in these columns. Which way is the wisest—the "Placard way" or the "Word ad. way"?

WENT OFF THE TRACK. The sleeper from Moncton which was attached to the train known as the C. P. R. express, left the rails in the I. C. R. yard yesterday afternoon, and for a distance of some hundreds of yards ran along on the ties. There were fortunately only a few passengers in the car at the time, but these had an unpleasant experience in the last stage of their journey to St. John, for the jolting of the car was by no means enjoyable.

To cure headache in ten minutes use Kunfort Headache Powders, 10 cents.
