St. Johns Defeated the Presque Isle Team in a Good Game—Futurity Won by Ormandale—Moosepath Races.

BASEBALL.

ST. JOHNS STILL WINNING.

The St. Johns pulled out ahead in a well earned contest Saturday with the Presque Isle team by the close margin of 2 to 0. The game was essentially a pitcher's battle, and a fine exhibition of twirling was given by both Goode and McEachren. St. John showed up slightly better in the field, and it was due to this that the locals won. Though McEachren pitched a splendid game, doing some of the best work he has done this season, the Presque Isle man went him one better and had he received as good support as the St. John team accorded their twirler, the boys in grey and maroon would not have had either of their runs in the first eight innings.

Goode, who has a record of nineteen strike-outs for one game, did remarkably well Saturday, getting twelve to his credit, with three bases on balls and five safe hits.

The visitors could not touch McEachren at the critical moments only three hits being made off him in the entire game, and he held them as he wished when a hit would have been decisive. His finest achievement was in the fifth inning, when Presque Isle had Thibedeau on third base, Upton on second and Burgess was at the bat, with three balls. A hit would have tied the score, but Don sent in three beauties which caused Burgess to fan each time, and the island boys never connected with the home plate.

Goode did not seem to put over the plate the ball he was credited with able to fool the hardest hitter, a sort of underhand floater, but his speed and his control were exceptionally good, his drop ball having a really wonderful dip to it. He was at all times cool, and though not subjected to the same running fire of remarks as the visitors poured on McEachren, yet what efforts the locals did bestow on him had no apparent effect, and he seemed to take a delight in making the batter fan at such times.

ORMONDALE WINS FUTURITY.

At Sheepshead Bay on Saturday Ormondale won the futurity stakes in the fast time of 1.11 4-5. He was favorite in the betting at 5 to 1.

The race, ran in six furlongs of Futurity, was brief. To a fair start seventeen two year olds left the barrier in one group. From the grand stand it was but a wild jumble of colors. At the elbow or turn into the stretch, however, it was sen that Ormondale had the advantage, closely followed in the first flight by half a dozen contenders.

On the finish came the Ormondale colt, guided by Redfern's steady hand, disposing of one after another of the colts and fillies who challenged his lead. In the last sixteen Timber was closing, and a great shout went from the stands, but Redfern, riding a strong finish with hands and knees, sent Ormondale over the line with a good bit to spare. The ovation was a great one. It was Redfern's first Futurity. Belmere was well up all the way and finished a good third. Flip-Flap, after being bumped about after the first furlong, came with a rush in the stretch and ran into fourth place. Others of the seventeen were strung out for quite a distance.

MONCTON DEFEATS AMHERST.

MONCTON, N. B., Aug. 27.—Moncton cricket team defeated the Amherst cricketers here in a one-sided game Saturday. Amherst in the first inning made thirty-three and in the second twenty-eight runs. Moncton scored 94 in the first and 134 in the second. Ackman's 25 and 50 were the highest individual figures. The Amherst team is composed largely of new players.

THREE PERISHED IN HOTEL FIRE.

Guests at Marancook, Maine, in a Panic

MARANACOOK, Me., Aug. 26.—Three persons perished and five others were burned or injured in a fire which destroyed the Hotel Maranacook, in this town, early today. Over four score guests and employes escaped in night attire after they had been awakened by the hotel clerk, many of them leaping from the windows. That there had been loss of life was not known until a search of the ruins during the afternoon revealed the charred bodies. There was apparently no means of identifying the dead, the hotel register had been burned and other means of identifying were missing.

The fire, which is supposed to have been caused by a defective chimney, spread rapidly through the two and one-half stories of the wooden structure. The hotel clerk, Robert Boutwell, discovered the flames and rushing through the corridors, aroused all the guests. In doing this he was seriously burned, and later while attending to the guests in the cold air of the morning contracted a severe cold, which it is feared will develop into pneumonia. None of the guests had time to seize personal clothing, and many of them were unconscious by the time they reached the open air. The injured people were hurt by jumping. Nearby cottagers provided clothing and shelter for the guests, and physicians summoned from Winthrop and Readfield attended the burned and injured.

The hotel was built 27 years ago and was owned by the Maine Central Railway.

The hotel management believe the bodies are those of Mr. and Mrs. E. A. Martin and child of Boston, for the reason that all the other guests have been located, and the bodies correspond with theirs. The bodies were found in the middle of the debris.

DR. JAMES I. GOOD

Principal of Philadelphia Seminary Preached in St. David's Church.

The pulpit of St. David's church was occupied last evening by Dr. James I. Good, principal of the German Reformed Theological Seminary in Philadelphia.

Dr. Good in his introduction spoke of his close friendly relations with Rev. Dr. Watters, a former pastor of St. David's, and one who was much beloved by the congregation.

Dr. Good took as his text 1st Timothy, 6th chapter and 20th verse: 'O Timothy! keep that which is committed to thy trust."

Dr. Good gave another rendering of which the text was capable as O Timothy, keep the deposit, in the sense of a treasure deposited in a bank. He spoke of the treasure that was committed to Timothy. Paul had received the gospel from Jesus Christ to preach. Timothy was Paul's beloved friend, and Paul at the close of his life had given that treasure to Timothy.

Dr. Good went on to explain what that treasure is for us. First as a national treasure or the blessing received as a nation. It was necessary for us to keep it and make the best use of it, as we are responsible to God for the use we put it to.

Secondly, as an ethical or moral treasure given in the Word of God to the church to commit to others. Each denomination stood for some great principle; God has given to each a peculiar treasure, a deposit for that sect. He illustrated what these were in the case of the Presbyterian and German Reformed church.

Thirdly, missionary, a world wide treasure given in order that we carry it to others. The church is a missionary organization, and should not live merely for itself.

NORWEGIAN BARK F. C. SIEBEN ABANDONED AT SEA.

LONDON, Aug. 27.—When passing Lizard Head today on her voyage from Baltimore for London, the Atlantic transport line steamer Maryland signalled that she had on board the crew of the Norwegian bark F. C. Sieben, which she rescued in mid-ocean. She reports that she fell in with the Sieben Aug. 24 in lat. 49 deg. north, long. 20 west (about 600 miles west of Lizard Head), and took the crew from their waterlogged vessel. Before being abandoned the hulk was set on fire. When last seen, the derelict was blazing fiercely.

(The F. C. Sieben, in command of Captain Knudsen, sailed from Conway, Wales, Aug. 8, in ballast for Tangier, N. S., to load lumber for the United Kingdom. She was a wooden vessel of 447 tons, was built at Apenrade, Germany, in 1880, and was owned by B. A. Olsen & Son of Lyngoer, Norway.)

WILL ARREST A WOMAN FOR THE HACKETT MURDER

READFIELD, Me., Aug. 27.—Throughout the entire day the county authorities busied themselves in investigating further the mystery surrounding the death of Miss Hattie Hackett of Kents Hill, who was murdered a week ago last Thursday night. The officers were reticent as to the result of their investigations today, although tonight Sheriff Ham made a statement in which he said he still believed a woman to have been the author of the crime, and that from evidence in his possession he believed that a certain woman who is under suspicion was the slayer of Miss Hackett. An arrest in the case is expected soon.

FREDERICTON NEWS.

Miss Edna Austin in Runaway Accident.

FREDERICTON, N. B., Aug. 26.—What might have been a much more serious accident occurred last evening on University avenue and the participants were very lucky to escape as easily as they did.

On the Victoria yesterday afternoon there arrived here the Misses Strong of New York and Miss Edna Austin of St. John. They were met by F. Wayland Porter, who took them for a drive about town with a pair of horses and a double seated carriage.

The party visited the University and while coming down College Hill on the return one of the traces came undone and the horses got away from Mr. Porter's control. The fiery steeds dashed out University avenue at a lively rate and just before Charlotte street was reached the pole dropped. When the pole dropped the horses broke away and then the carriage was overturned, coming down on top of its occupants. The horses were caught by W. J. McCormick, while Mr. Porter and friends repaired to D. Lee Babbitt's residence. Dr. Bridges was called in and looked after the injured, but outside of a bad shaking up and some bruises everybody was all right. It was a lucky escape.
