HERE is where you strike a bargain in publicity. The oftener you come the more you strike. It takes a STAR WANT AD. to make an effective strike.

Word comes from Los Angeles, Cal., that the source of the inflow by which the waters of the Gulf of California are pouring into the old Salton basin and retreating to form the new Salton sea to sea level, has been determined. No doubt is felt that the waters are coming through great underground fissures rent by earthquake shocks. This vast inland sea now skirts the main line of the Southern Pacific railroad for nearly 100 miles, and stretches away on either side of the tracks 25 miles to the foothills.

CLASSIFIED ADVERTISEMENTS.

Through a STAR Want Ad. you may ALWAYS secure what you need, USUALLY what you want, and SOMETIMES even satisfy a mere whim. Rate, 1-2 a cent a word, six insertions for price of four. No adv't less than 25c.
