LASCA WON RACE.

The yacht race on Saturday afternoon at Millidgeville was well attended and proved very interesting throughout. There were five entries: Canada, F. Heane; Lasca, S. Kerr; Louvima, A. Likely; Winogone, H. Holder; Windward, T. E. Powers.

The boats all started well bunched, except the Windward, which was about ten minutes behind the other four in crossing the line. The four leading boats kept well together over the whole course, the race between the Canada and the Lasca being particularly exciting.

The Louvima carried away her balloon job on rounding the Brandy Point buoy. This accident probably cost her several minutes, and probably lost her second place.

The time for rounding the buoys was as follows:

Boat	H. M. S.	H. M. S.
Canada	15 00	3 45 00
Lasca	15 00	3 45 00
Winogone	19 00	3 47 00
Louvima	20 00	3 47 00

The time for the race was:

Boat	H. M. S.	H. M. S.
(1) Lasca	49 30	1 42 45
(2) Canada	50 00	1 43 00
(3) Winogone	55 30	1 48 00
(4) Louvima	52 30	1 52 00
(5) Windward	20 00	3 47 00

SIR THOMAS AGAIN.

NEW YORK, Aug. 4.—A special cable from London to the New York Times says: Sir Thomas Lipton, whose anxiety to challenge again for the America's cup is well known, has made the suggestion to a number of prominent yachtsmen on this side of the Atlantic that in case he sees his way clear to a formal challenge, he would like to secure a concession from the New York Yacht Club allowing him to build two yachts, sail one against the other and send the better boat against the defender. He firmly believes it is justly his right to challenge this concession. The defending side, as is well known, has the privilege of declining to accept the challenge. Sir Thomas has not yet decided whether to accept the offer. The concession would be to build two yachts, sail one against the other and send the better boat against the defender. He firmly believes it is justly his right to challenge this concession. The defending side, as is well known, has the privilege of declining to accept the challenge. Sir Thomas has not yet decided whether to accept the offer.

NEW YORK YACHT CLUB.

NEW LONDON, Conn., Aug. 5.—Significance and in some cases preparation for the run from this point to Newport tomorrow, filled in the day for the members of the New York Yacht Club fleet, which arrived here yesterday afternoon from New Haven on the second squadron run of the club's annual cruise.

SALMON BOAT RACE.

The fifth race in the Peters' cup series was held at Westfield on Saturday. A new boat was again the winner of this race, and it looks as though the contest was going to last well through the summer.

The preparatory gun was fired at 12.0. Within a few minutes later the boats made a very pretty sight as they set off well together. The wind was light, but the boats were well bunched. The contest was going to last well through the summer.

AQUATIC

COATES DEFEATS NICE.

The wharves on both sides of the harbor were crowded with people Saturday afternoon to watch the sculling race between W. H. Coates, of the Neptune Rowing Club and Harry Nice of the west end. The fact that so many were present at an hour when the majority of people are busy goes as evidence of the great interest taken in the contest.

The race started at about twenty minutes after one. Coates gained about half a length on Nice, but was quickly overtaken by him. Nice was rowing about 35 strokes to the minute, and Coates about 33. They were about even until the distance between them had closed to about 100 yards. At this point Coates made a dash for it and won by a few strokes.

NICE CHALLENGES COATES.

The following challenge is issued from Harry Nice: "As I had a beating on my hand when I rowed Mr. Coates in the harbor on Saturday last, and which hindered me from making a better race, I therefore challenge Mr. Nice to another race, time and place to be agreed upon."

Yours truly,
HARRY NICE.

It would seem but fair that Coates give Nice another chance. When the latter defeated the Neptune sculler at Fredericton, he willfully gave him another race. As each now has a race to his credit it would be good sport to have another contest, and if another match should be arranged it would be well to have it stipulated that it be in smooth water.

COATES AND BELIEA AT HALIFAX.

It looks now as if St. John would be represented at the M. P. A. A. regatta at Halifax by two single scullers, as it is the present intention of Coates and Hilton Belyea to row.

BASEBALL

A TIE GAME.

Quite a good game of ball was witnessed on the Victoria grounds Saturday evening, when in five innings the St. Roses and F. M. A. teams tied with a score of 5 to 5.

VICTORIAS DEFEATED RAMBLERS.

MONCTON, N. B., Aug. 5.—The Amherst Ramblers, champions of the Cumberland county baseball league, were beaten by the Victorias yesterday afternoon on Saturday. Scores—afternoon, ten to five; evening, six to nothing. Batteries—afternoon, McKie and Drycoll; Currie and Simpson; evening, Gallagher and Driscoll; Corey and Simpson.

CRICKET

FREDERICTON VS. CHATHAM.

The cricket match yesterday afternoon between the Chatham and Fredericton clubs proved a great disappointment to the large crowd which had gathered expecting to see a good game. The victors were most deficient in batting, bowling and fielding, but outside of these requirements a few of them are fairly good cricketers. The match was at one o'clock, Fredericton going to the bat and scoring 44. Chatham followed and with the aid of good bowling succeeded in getting in a total of seven runs, of which one batsman contributed four. The home team followed and when stumps were drawn to allow the visitors to catch their train for home, had put together 107 runs for the loss of only three wickets. Of this amount Norton Taylor made 44 runs and Douglas Roberts 38, and both were out at the last when the game was called and probably would have been batting yet had the same continued.

THE RANGE

SEND RIFLE MATCH.

In the 2nd Regiment Rifle Club spoon match Saturday afternoon the highest scores were as follows: Class A—J. S. Downey, 82; class B—Sergeant J. J. Russell, 82; class C—Sergeant Major Lamb, 82; class D—Lieut. Elliott, 64. Partridge, 2. Of this amount Norton Taylor made 44 runs and Douglas Roberts 38, and both were out at the last when the game was called and probably would have been batting yet had the same continued.

CAPT. DOWNEY WINS CUP.

By winning the County Rifle Association match on Saturday afternoon Capt. James Downey of the 2nd Regiment has secured possession of the corporation cup. To retain this cup it is necessary to win it two years in succession. The previous cup was contested for during a period of over twenty years before anyone managed to achieve this. It was finally won by Pte. Farren in 1904. The corporation cup is a silver cup, and, perhaps expecting it to last over twenty years, made it a very handsome one, standing about fourteen inches high. It was shot for the first time last year and won by Downey, and as he has again won it the cup goes out of competition in record time. The following three men tied for first place: J. S. Downey, E. S. Wetmore and E. F. Gladwin. In the shoot off of a possible fifteen Downey scored fourteen, and the other contestants made thirteen, thus giving Downey the cup. In the shoot off for second place Wetmore again made thirteen and Gladwin twelve.

THE OTHER SCORES IN THE MATCH WERE AS FOLLOWS:

J. S. Frost	80
J. Manning	80
J. T. Hart	80
E. K. McKay	80
A. L. McIntosh	80
