## LOCAL & PROVINCIAL.

NOTICE.—All communications, advertisements etc., intended for insertion in the FREEMAN, should reach the office not later than Thursday morning of each week.

MR. A. C. FAIRWEATHER, of Rothesay, had a valuable Jersey calf worried to death by a dog last week. The calf was worth $300.

FATAL ACCIDENT.—Michael Ring, a laborer, was killed at Grafton, Carleton Co., on Saturday last, by the caving in of a sand pit in which he was working.

A little girl named Price, seven years of age, was burned to death at Portland, on Friday of last week, her clothes catching fire at the stove while her mother was out.

DROWNED.—A man named Doucet, who was working at the wrecked ship, Marco Polo, at Cavendish Cape, P. E. I., was drowned on Thursday morning of last week, while trying to reach the shore in a boat during the storm.

Mr. Marc Arsineau was drowned at Tracadie, on Friday of last week.

Ayer's Ague Cure acts directly on the liver and biliary apparatus, and drives out the malarial poison which induces liver complaints and bilious disorders. Warranted to cure or money refunded.

THE St. John boy, Fitzgibbon, recently captured at Moncton with a collection of stolen money, jewellery, etc., on his person, has been sentenced to six years imprisonment at Dorchester. The *Moncton Times* says that the poor orphan lad, under sentence of *six* years for robbing two stores of a few small articles, will meet with Sarah Smith, a hardened criminal of the vilest kind, who has just commenced to serve a term of four years for killing a man!

FIRES.—Victoria Hall at Sussex, N. B., was burned on Friday morning of last week.

THE TRADE OF ST. JOHN.—The number of vessels which arrived at St. John during the month of August was 204, and their registered tonnage 54,953 tons; the number of clearances was 492 vessels, 252 of which sailed for domestic ports.

THE wheat crop on P. E. Island is above the average; it is good and has been housed in good order. Other crops are fair, but the outlook so far for a brisk market for oats is dull.

MR. ANGUS MC. KAY, of Judique., P.E.I., has a very valuable hen. Some days ago she brought forth a brood of nine chickens from seven eggs, there being "twins" in two of them.

DURING the heavy storm of Thursday of last week, the dwelling house of Wm. Crabb, of South Richmond, Carleton Co., was struck by lightning. The electric fluid struck and followed the chimney to the cellar, and thence up into the sitting room, tearing up the flooring of the room badly. The escape from death of the family who were in the sitting room at the time seems almost miraculous. All were affected by the shock, Mr. Crabb having one foot and arm paralysed, a dog in the room was instantly killed.

A MAN named Landon, hailing from Truro, N. S., who had been incarcerated in the penitentiary, for burglary, escaped from that institution a few days ago. He was fired at and wounded in several places, and this so paralyzed his locomotion that, after a short absence, he returned and gave himself up.

ARCHBISHOP O'BRIEN, accompanied by Monsignor Power and Rev. Father Murphy, went to Dartmouth on Sunday afternoon, and were accorded a splendid reception at St. Peter's. The church was handsomely decorated with spruce and bunting, and Dr. Reid read an address of welcome engrossed on parchment which was feelingly responded to. Ninety-three people were accorded the sacrament of Confirmation, Rev. Canon Wood, of Dartmouth, also taking part in the ceremonies. They were all tastefully attired in white and the edifice was crowded with spectators. The interior of the church had also handsome floral decorations and there were many bouquets to be seen. The entire work of decoration was admirably executed and reflected great credit on the committees of ladies and gentlemen. After the service His Grace and the deputation dined with Canon Woods and drove home in the evening. A new church in a more central location to meet the requirements of the rapidly increasing congregation is contemplated.—*Halifax ...onicle.*

A NARROW ESCAPE.—As Mr. Hope McFee, of Kinnear Settlement, W. C., was going out the other morning to his pasture he discovered one of his sheep lying dead, and wishing to ascertain the cause of its death, he began a post mortem examination over the body; but before he had fully arrived at a conclusion of the case, he was suddenly started by some hugging monster springing upon his back and giving him a severe blow on the arm, which left him minus of one shirt sleeve and inflicted quite a wound in the flesh. With one prodigious spring Mr. McFee freed himself from this (as yet) unknown monster, and turning to know from whence so unwelcome and unexpected a blow came, a huge bear (that seemed to dispute with him as to who should own the carcase) met his astonished gaze. Swinging a club that he had in his hand at the time he gave the animal such a powerful blow across the vertebral column that bruin retired to his forest home and has not been heard of since.—Com. to *Transcript.*

LOST AT SEA.—Capt. Raymond, of the barque Marquis of Lorne, which arrived from Antwerp on Monday reports that one of his sailors, a German, fell overboard and was lost on the night of August 11th. Capt Delong of the barque Oliver Emery. which arrived here from Belfast on Tuesday, reports: On Aug. 26, Wm. Morrisom, a seaman, belonging to New York, was sent aloft to reeve the signal halyards on the mizzenmast. He was standing with his feet resting on the hoops of the gaff when he slipped and fell, his body striking on the cabin skylight, shivering it to atoms. He was insensible until his death which occurred a few hours afterwards. The captain also reports having encountered a terrible gale from the N. W., with a tremendous cross sea, when near the Banks.

THE Ship Laborer's Union have elected the following officers for the ensuing term:
Daniel Donohue, President;
James Moore, 1st Vice-President;
Thomas Burns, 2nd Vice-President;
M. Kelly, Recording Secretary;
James Hurley, Financial Secretary;
John Murray, Treasurer;

PICNICS.—The picnic held at Gagetown on Tuesday, under the auspices of St Aloysius Association was well attended. The day was fine and an enjoyable time was spent. The proceeds are to go to the building fund of the new Church.

On the same day Rev. Mr. Colorette's picnic was held at Black River and there was a large gathering from that part of the country. Several went from St. John and Portland. They report an excellent time.

A SEVERE GALE prevailed along the Nova Scotia coast and at the Banks of Newfoundland on Wednesday night of last week. Many lives were lost, and there was considerable damage to shipping.

## Portland's New Roman Catholic Church.

*THE BAZAARS IN AID OF IT.*

On Monday afternoon last, the two grand bazaars for which the Catholic ladies of St. and Portland have been for some time preparing were successfully inaugurated. Both halls were elaborately fixed up for the occasion. Trimmings of spruce, flags and bannarets, and other ornamental emblems completed the interior ornamentations and were the subject of much admiration. But admiration gave place to wonder when the different tables revealed their contents consisting of an immense variety of fancy and other goods, and soon crowds gathered around the useful and splendid articles discussing their beauty, etc. The Sisters Table in St. Malachi's Hall is probably the one which occupies the most attention. Sofa cushions, chairs, ottomans, wax flowers, hand painted baskets and a profusion of other elegant articles may here be seen. An excellent display of fancy goods is seen on the Children of Mary's Table. The St. Malichi's and St. Joseph's Societies lotteries on this table are inspected with great interest by the visitors. The Consolers of Mary's table embraces a vast collection of fancy goods, among the most beautiful being a splendid sett of curtains, the gift of the Father Mathew Association. These with other handsome articles, presented by the same Society will be disposed of by lottery, and tickets are eagerly sought after. A refreshment table which is liberally patronized, is situated at the further end of the hall, and is an important and attractive point to the thirsty and hungry. A flower arbor close by contains a large collection of flowers which are dispensed for a moderate sum.

Every visitor to St. Peter's Hall, Portland, is charmed with the neatness and beauty of the decorating which surpasses anything of the kind previously attempted there. And the display of fancy work is highly creditable to the ladies who got it up. The Sisters Table in this hall is also an object of great interest. There are many beautiful articles. Besides these Messrs. James Harris & Co., have kindly donated two cooking ranges; Messrs. Kelly and Murphy have given a sleigh; and Mr. Wilson, a marble mantel. The St. Aloysius table, the largest in the hall, is freighted with a great quantity of serviceable and ornamental articles. To this table Mrs. D. McLellan has given a sofa cushion and banner screen; Mrs. D. Lynch, a deed of two acres of land at Rothesay; Mr. J. H. Parks, a silver ice pitcher; Miss Thibideau, a five o'clock tea table done in Kensington work; Miss Jennie Holly, a handsome hand-painted toilet sett; Messrs. Wm. Doherty & Co., an elegant suit of clothes; Mr. Chas O'Hara, a miniature steam engine; and two miniature full-rigged ships by Messrs Thos. Giffin and Thos. O'Neill. There is a fine display of goods on the Children of Mary's table which occupies the eastern side of the building. One of the principal prizes is a valuable cabinet organ. Then there is the table conducted by the ladies of the Congregation. It contains an extensive assortment of fancy work. An ice cream department, in good hands, will be found on the stage, and a flower arbor, surmounted by an eagle, is situated in the centre of the hall. The ladies who are working for both bazaars said that business was very good on Wednesday night, with excellent prospects for the balance of this week. Lottery tickets are being quickly disposed of, the attendance at both halls each night being quite large. The City Cornet Band discourses music for both bazaars, which will be continued next week. Both places are well worthy of a visit now and again while they are open. Those who fail to see what is now on exhibition in St Malachi's and St. Peter's halls will surely miss a great treat.

ST. BERNARD'S BAZ... ...tensive preparations are being made by the young ladies of St. Bernard's church for a grand bazaar, which is to be opened on the 10th and to continue for several days. There will be two tables—Children of Mary and St. Bernard's—the latter to be presided over by Miss Hennesy. Rev. Mr. Meahan says that the Moncton Cornet Band have, very generously, offered their services gratuitously, on the opening night. Mr. Meahan desires also to acknowledge with thanks the receipt of a very nice donation—a lady's companion—from Mr. E. M. Estey, which will be exhibited for sale on the children of Mary's table. —*Transcript.*

FOOT RACING.—F. H. McLatchey and Abraham Sherwood, will run at Salisbury for $100 a side, on the 15th, weather permitting.

A race of 100 yards for $50 a side has been arranged to take place at Woodstock, Carleton County, Sept. 12th, between Ed. Lamb, of Vanceboro, and Charles Cliff, of Centreville, formerly of Fredericton.

HON. MICHAEL TOBIN, at one time President of the Nova Scotia Legislative Council, died on Monday night.

FOREST FIRES on the Washdemoak, have destroyed a large amount of lumber.

THERE is an excellent prospect for having a regatta during Exhibition week. A subscription list has been started.

DROWNED.—Two men named Whelan and McCormack, were drowned on Monday evening while mackerel fishing in Souris harbor, . I.

THE Kent Northern Railway is nearing completion.

BURNED TO DEATH.—Sim McIsaac, aged 15, went to bed at Sydney, C. B., leaving a lamp burning at the foot of his bed. It upset somehow, the oil spilt over the bedclothes and they caught fire burning him so badly that he died next day.

PERSONAL.—His Grace Archbishop O'Brien and Rev. Father Murphy, arrived at Halifax, on the 30th, after a pleasant visit to the Island.

Rev. R. Walsh, of Worcester, Mass., was in the city this week. Some years ago the reverend gentleman was stationed in this city.

His Lordship the Bishop of Chatham, was on a visit to Grand Falls this week.

GRAND BAZAAR.—Antigonish, N. S., is to have a grand bazaar on the 11th, 12th and 13th of this month to raise funds to build Bishop Cameron a new house.

PICNICS.—The Roman Catholics of Andover, Victoria Co., held a very successful picnic on Wednesday last.

The Roman Catholics of Renous River, intend holding a picnic on Tuesday next, when there will be music, dancing and other amusements.

MESSRS. TROOP & SONS are having built on the Clyde, an iron ship, of about 1500 tons register. She will be completed about the first of next June.

THE Corner Stone of the new Roman Catholic Church, Portland, will, probably, be laid to-morrow (Sunday).

The village of Bulwer, in the neighborhood of Sherbrooke, Quebec, was recently the scene of a dreadful murder, a Mr. S. E. Coates having been poisoned by his wife with strychnine. Traces of the poison were found in the stomach of deceased, and it has been discovered that Mrs. Coates, under a fictitious name, had some time previously procured a quantity of strychnine from a Sherbrooke druggist. Mrs. Coates is under arrest. Deceased was 28 years of age; his wife 24, and they had been married four years. There is said to be a paramour in the case, but there is no evidence yet to justify his arrest.

The "Sicily," the first steamer of the Halifax Company, was to have left London on Saturday last for Halifax and this port. A second steamer, the "Juliet," has been purchased, and is advertised to sail on or about the 22nd inst.

CONSUMPTION.

From H. B. Smith, Esq., a prominent Merchant of Buctouche, Kent County, N. B., under date June 8th, 1877:—

Dear Sir,—I have suffered for some years past with Cough from *Affection of the Lungs, Spitting of Blood, Weakness of Chest,* and *Want of Appetite,* and have tried many so called remedies but without any effect whatever until I commenced using ROBINSON'S PHOSPHORIZED EMULSION. I have now taken 8 bottles, and find this quite equal to what it is represented to be, for it has WORKED LIKE A CHARM, and I can cordially recommend it to all who are affected as I have been, as I feel it is going to make a perfect cure of me. I still continue it, and I must say *I never took anything equal to it.* If you wish to make any use of this for the benefit of yourself and the world at large you can do so, for I think it should be known.

I remain, yours truly,
(Signed) H. B. SMITH.

ROBINSON'S PHOSPHORIZED EMULSION OF COD LIVER OIL WITH LACTO-PHOSPHATE OF LIME is prepared solely by Hanington Bros., Pharmaceutical Chemists, St. John, N. B. For sale by Druggists and General Dealers. Price $1.00 per bottle; six bottles for $5.00.

For the cure of all the delicate disorders to which females are subject no remedy has been devised that can be compared with Hanington's Quinine Wine and Iron. Ladies who feel that they are *growing old before their time* should use Hanington's Quinine Wine and Iron. Beware of imitations. *Messrs. Hanington Bros.:*

Gentlemen—Three years ago I was going to write you how much benefit I received from taking two bottles of your **Quinine Wine and Iron,** being then very weak and low, with no appetite for any sort of food, after a severe attack of Erysipelas in my head. Again, after the fire, I was nearly quite gone, and was restored to strength and activity by taking two bottles more, and last May I had recourse to the **Quinine Wine and Iron** again, with the same beneficial results.

While I was taking it last, a person came in who had left her situation to get into the Hospital, being so weak she could not work. I said, I will send you to a place where you will get seven dollars a month; take two bottles of **HANINGTON'S Quinine Wine and Iron** with you, and if you are not able to earn the seven dollars, I will pay you for the medicine. At the end of the month she was quite smart, and is still filling the situation. I send you these few lines for the benefit of society (if you trouble to publish it), as there are so many sick at present. It would greatly benefit persons after *Sickness of Diphtheria,* and would most certainly prevent sickness by strengthening and building up the system.

Yours very truly,
JANE A. LEE.
