AYER'S
CHERRY
PECTORAL,

FOR THE RAPID CURE OF
Colds, Coughs, and
Hoarseness.

BRIMFIELD, MASS., 30th Dec., 1856.
Dr. J. C. Ayer: I do not hesitate to say the best remedy I have ever found for Coughs, Hoarseness, Indigestion, and the concomitant symptoms of a Cold, is your Cherry Pectoral. Its constant use in my practice and my family for the last few years has shown it to possess superior virtues for the treatment of these complaints.

EBEN KNIGHT, M.D.
A. B. MORTLEY, Esq., of Uxbridge, N. Y., writes: "I have used your Cherry Pectoral in my family ever since you invented it, and believe it the best medicine for its purpose ever put out. With a bad cold I should sooner pay twenty-five dollars for a bottle than do without it, or take any other remedy."

Croup, Whooping Cough, Influenza.

BROOKLYN, N. Y., Feb. 7, 1856.
BROTHER AYER: I will cheerfully certify your Pectoral is the best remedy we possess for the cure of Whooping Cough, Croup, and the chest disease of children. We of your fraternity in the South appreciate your skill, and commend your medicine to our people.

AMOS LEE, Esq., MONTEZUMA, LA., writes, 3d Jan., 1856: "I had a tedious Influenza, which confined me in doors six weeks; took many medicines without relief; finally tried your Pectoral by the advice of our clergyman. The first dose relieved the soreness of my throat and lungs; less than one half the bottle made me completely well. Your medicines are the cheapest as well as the best we can buy, and we esteem you, Doctor, and your remedies, as the poor man's friend."

Asthma or Phthisis, and Bronchitis.

WEST MANCHESTER, PA., Feb. 4, 1856.
SIR: Your Cherry Pectoral is performing marvellous cures in this section. It has relieved several from alarming symptoms of consumption, and is now curing a man who has labored under an affection of the lungs for the last forty years.

HENRY L. PARKS, Merchant.
A. A. RAMSEY, M.D., ALBION, MONROE CO., IOWA, writes, Sept. 6, 1856: "During my practice of many years I have found nothing equal to your Cherry Pectoral for giving ease and relief to consumptive patients, or curing such as are curable."

We might add volumes of evidence, but the most convincing proof of the virtues of this remedy is found in its effects upon trial.

Consumption.

Probably no one remedy has ever been known which cured so many and such dangerous cases as this. Some no human aid can reach; but even to those the Cherry Pectoral affords relief and comfort.

ALBION, IOWA, Feb. 10, 1856.
Dr. AYER, LOWELL: I feel it a duty and a pleasure to inform you what your Cherry Pectoral has done for my wife. She had been five months laboring under the dangerous symptoms of Consumption, from which no aid we could procure gave her much relief. She was steadily failing, until Dr. Strong, of this city, where we have been for a while, recommended a trial of your medicine. We then tried it, and, as we do your skill, she has recovered from that day. She is not yet so strong as she used to be, but is free from her cough, and calls herself well. Yours, with gratitude and regard.

ORLANDO SHELBY, of SHELBYVILLE.
Consumption, do not despair till you have tried Ayer's Cherry Pectoral. It is made by one of the best medical chemists in the world, and its cures all round us bespeak the high merits of its virtues. — *Philadelphia Ledger.*

Ayer's Cathartic Pills.

THE sciences of Chemistry and Medicine have been taxed to their utmost to produce this best, most perfect purgative which is known to man. Innumerable proofs are shown that these Pills have virtues which surpass in excellence the ordinary medicines, and that they win unprecedentedly upon the esteem of all men. They are safe and pleasant to take, but powerful to cure. Their purgative properties stimulate the vital activity of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow distemper, stimulate the system, and restore strength to the whole system. Not only do they cure the everyday complaints of every body, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are, at the same time, in diminished doses, the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take; and being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief were they not substantiated by men of such exalted position and character as to forbid the suspicion of antrith. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of my remedies, while others have sent me the assurance of their conviction that my Preparations contribute immensely to the relief of my afflicted, suffering fellow-men.

The Agent below named is pleased to furnish gratis my American Almanac, containing directions for their use, and certificates of their cures of the following complaints:

Constipation, Bilious Complaints, Rheumatism, Dropsy, Heart Lurch, Headache arising from a Full Stomach, Nausea, Indigestion, Morbid Junction of the Bowels, and Fala arising therefrom, Flatulency, Loss of Appetite, all Ulcers and Cutaneous Diseases which require an evacuant Medicine, Scrofula or King's Evil. They also, by purifying the blood and stimulating the system, cure many complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Numbness and Nervous Irritability, Derangements of the Liver and Kidneys, Gout, and other kindred complaints arising from a low state of the body or obstruction of its functions.

Do not be put off by unprincipled dealers with some other pill they make more profit on. Ask for AYER'S PILLS, and take nothing else. No other they can give you compare with this in its intrinsic value or curative power. The sick want the best aid there is for them, and they should have it.

ALL HAIR!!!
Something for the Million!!!
PROF. WOOD'S
HAIR RESTORATIVE.

WE CALL THE ATTENTION OF ALL OLD AND YOUNG, to this wonderful preparation, which turns back to its original color, gray hair—covers the head of the bald with a luxuriant growth—removes the dandruff, itching, and all cutaneous eruptions—causes a continual flow of the natural fluids; and hence, if used as a regular dressing for the hair, will preserve its color, and keep it from falling to extreme old age, in all its natural beauty. We call, then upon the bald, the gray, or diseased in scalp to use it: and surely, the young will not, as they value the flowing locks, or the witching curl, ever be without it. Its praise is upon the tongue of thousands.

WATERTOWN, Mass., May 1, 1855.

PROF. O. J. WOOD: Allow me to attest the virtues and magic powers of your Hair Restorative. Three months since, being exceedingly gray, I purchased and soon commenced use, two bottles; and it soon began to tell in restoring the silver locks to their native color, and the hair which was before dry and harsh, and falling off now become soft and glossy, and it ceased falling; the dandruff disappeared, and the scalp lost all the disagreeable itching, so annoying before, and now, I not only look but feel young again.

Respectfully, yours, etc.,

CHARLES WHITNEY.

NEW YORK, Oct. 2, 1855.

PROF. O. J. WOOD:—Dear Sir: After reading the advertisement in one of the New York journals, of your celebrated Hair Restorative, I procured a half pint bottle, and was so much pleased with it that I continued its use for two months, and am satisfied it is decidedly the best preparation before the public. It at once removed all the dandruff and unpleasant itching from the scalp, and has restored my hair naturally, and I have no doubt, permanently so.

You have permission to refer to me, all who enter tain any doubt of its performing all that is claimed for it.

MISS FEEKS, 254 Greenwich Ay.

I have used Professor O. J. Wood's Hair Restorative, and have admired its wonderful effects. It restored my hair where it had fallen off; it cleans the head and renders the hair soft and smooth—much more so than oil.

MARY A. ATKINSON

Louisville, Nov. 1, 1855.

STATE OF ILLINOIS, Carlisle, June 27, '55

I have used Professor O. J. Wood's Hair Restorative, and have admired its wonderful effect. My hair was becoming, as I thought prematurely gray, but by the use of the "Restorative," it has resumed its original color, and I have no doubt, permanently so.

SIDNEY BREES,

Ex-Senator United States.

[From the Washington Star.]

Among the many preparations now in use for the restoring, preserving and beautifying the hair, there are none that we can recommend with more confidence than Prof. Wood's Hair Restorative, now in general use throughout the States. This preparation possesses the most invigorating qualities, and never fails in producing the most happy results when applied according to directions. We refer our readers to the advertisement for a few of the innumerable certificates which have been sent by parties, who have been benefited by it, and who feel happy in giving testimony to its wonderful effects produced on them.
