NOW IS THE TIME TO USE THE GREAT SUMMER  
MEDICINE.**Dr. Langley's Root and Herb Bitters.**

Composed of Sarsaparilla, Wild Cherry, Yellow  
Dock, Prickly Ash, Thoroughwort, Rhubarb,  
Mandrake, Dandelion, &c.—all of which are so  
compounded as to act in concert and assist  
Nature in eradicating disease.

The effect of this medicine is most wonderful—it  
acts directly upon the bowels and blood, by removing  
all obstructions from the internal organs, stimulating  
life and vigour, purifying the blood, cleansing it from  
all humours, and causing it to course anew through  
every part of the body. They cure and eradicate from  
the system Liver Complaint—that main-wheel of so  
many diseases—Jaundice in its worst forms, all Billi-  
ous Diseases and Foul Stomach, Dyspepsia, Costive-  
ness, Humors of the Blood and Skin, Indigestion,  
Headache, Dizziness, Piles, Heartburn, Weakness,  
Pain in the Side and Bowels, Flatulency, Loss of Ap-  
petite, and all kindred complaints caused by a torpid  
or diseased Liver, a disordered stomach, or bad Blood,  
to which all are more or less subject in Spring and  
Summer.

If taken in large doses, Fever and Ague may be cured  
at once. This has become a standard medicine, and is  
decidedly the best the world ever saw.  
Price 25 cts. the pint, and 57½ cts. the quart bottle.  
Orders may be addressed to Geo. C. Goodwin & Co.,  
or to G. E. MORTON & CO., Halifax, Wholesale  
Agents.  
June 30. 5 mths.

**COMPLETE**  
**DENTAL ESTABLISHMENT.****DRS. MACALLISTER & PAINE.****Surgeon Dentists,****49 Granville Street,**

(At the Sign of the Golden Tooth.)

RESPECTFULLY announce to their patrons,  
friends, and others, that they are fully  
prepared to treat any case in Surgical or  
Mechanical Dentistry, in the most approved  
manner.

**ARTIFICIAL TEETH.** from one to an  
entire set, inserted on the improved "Atmospheric  
Pressure" principle, without the use of Springs or  
Clasps, or in any other style known to the Dental  
profession.

Beautiful specimens of PLATE WORK, on Gold and  
Silver, may be seen at their rooms, which for style,  
finish, and durability, they believe cannot be surpassed.

**FILLING TEETH.**—This is the most certain  
and only sure remedy for Carious or Decayed Teeth.  
When the operation is performed before the vitality  
of the tooth is injured its preservation may be re-  
garded as certain.

By the use of a new preparation of *Adhesive Gold* a  
tooth is not only arrested from further decay but it is  
restored to its original form and utility.

**CLEANING TEETH.**—There is nothing that  
will be so sure to destroy the teeth as to allow the  
tartar to remain around their necks, for it sooner or  
later works its way under the gums, loosening the  
teeth and causing their premature loss. The tartar  
can always be removed, restoring them to their  
original colour and whiteness.

**EXTRACTING TEETH.**—Experience has  
taught them that the best and surest way of Extracting  
is by the application of well made forceps nicely adapted  
to the shape and condition of the tooth to be removed.  
The superiority of their new instruments (manufactured  
expressly for them) over those in use previously, is  
acknowledged by all for whom they have operated.

**THE DENTURING PROCESS.**—By the  
application of a denturing agent, the principal Ele-  
ment of which is ice, they are enabled to produce a  
local insensibility in the region of the teeth to be ex-  
tracted, thereby rendering the operation painless, or  
nearly so. This new process has been in practice nearly  
three years, and they believe is destined to supersede  
the use of chloroform, which has proved fatal in many  
instances.

The Proprietors of this Dental Establishment (the  
largest and most complete in the British Provinces)  
will always be happy to explain their different methods  
of inserting Artificial Teeth, and they would here im-  
prove the opportunity of returning thanks for the  
liberal patronage they have received, and hope, by  
keeping pace with the improvements in the profession,  
to deserve a share of public consideration, and the  
continuance of that class of patronage with which they  
have thus far been honoured.

The following remedies are offered to the public  
as the best, most perfect, which medical science can  
afford. AYER'S CATHARTIC PILLS have been pre-  
pared with the utmost skill which the medical pro-  
fession of this age possesses, and their effects show  
they have virtues which surpass any combination  
of medicines hitherto known. Other preparations  
do more or less good; but this cures such danger-  
ous complaints, so quick and so surely, as to prove  
an efficacy and a power to uproot disease beyond  
any thing which men have known before. By re-  
moving the obstructions of the internal organs and  
stimulating them into healthy action, they renovate  
the fountains of life and vigor, health courses  
anew through the body, and the sick man is well  
again. They are adapted to disease, and disease  
only, for when taken by one in health they produce  
but little effect. This is the perfection of medicine.  
It is antagonistic to disease, and no more. Tender  
children may take them with impunity. If they  
are sick they will cure them, if they are well they  
will do them no harm.

Give them to some patient who has been pro-  
strated with bilious complaint: see his bent-up, tot-  
tering form straighten with strength again; see his  
long-lost appetite return; see his clammy features  
blossom into health. Give them to some sufferer  
whose foul blood has burst out in scrofula till his  
skin is covered with sores; who stands, or sits, or  
lies in anguish. He has been drenched inside and  
out with every potion which ingenuity could sug-  
gest. Give him these PILLS, and mark the effect;  
see the scales fall from his body; see the new, fair  
skin that has grown under them; see the later gleam  
that is clear. Give them to him whose angry  
humors have planted rheumatism in his joints and  
bones; move him, and he screams with pain; he  
too has been soaked through every muscle of his  
body with liniments and salves; give him these  
PILLS to purify his blood; they may not cure him,  
for, alack! there are cases which no mortal power  
can reach; but mark, he walks with crutches now,  
and now he walks alone; they have cured him.  
Give them to the lean, sour, haggard dyspeptic,  
whose gnawing stomach has long ago eaten every  
smile from his face and every muscle from his body.  
See his appetite return, and with it his health; see  
the new man. See her that was radiant with health  
and loveliness blasted and too early withering  
away; want of exercise or mental anguish, or some  
lurking disease, has deranged the internal organs  
of digestion, assimilation or secretion, till they do  
their office ill. Her blood is vitiated, her health is  
gone. Give her these PILLS to stimulate the vital  
principle into renewed vigor, to cast out the ob-  
structions, and infuse a new vitality into the blood.  
Now look again—the roses blossom on her cheek,  
and where lately sorrow sat joy bursts from every  
feature. See the sweet infant wasted with worms.  
Its wan, sickly features tell you without disguise,  
and painfully distinct, that they are eating its life  
away. Its pinched-up nose and ears, and restless  
sleepings, tell the dreadful truth in language which  
every mother knows. Give it the PILLS in large  
doses to sweep these vile parasites from the body.  
Now turn again and see the ruddy bloom of child-  
hood. Is it nothing to do these things? Nay, are  
they not the marvel of this age? And yet they are  
done around you every day.

Have you the less serious symptoms of these dis-  
tempers, they are the easier cured. Jaundice,  
Costiveness, Headache, Sideache, Heartburn, Foul  
Stomach, Nausea, Pain in the Bowels, Flatulency,  
Loss of Appetite, King's Evil, Neuralgia, Gout, and  
kindred complaints all arise from the derangements  
which these PILLS rapidly cure. Take them perse-  
veringly, and under the counsel of a good Physician  
if you can; if not, take them judiciously by such  
advice as we give you, and the distressing, danger-  
ous diseases they cure, which afflict so many mil-  
lions of the human race, are cast out like the devils  
of old—they must burrow in the brutes and in the  
sea. Price 25 cents per box—6 boxes for \$1.

Through a trial of many years and through every  
nation of civilized men, AYER'S CHERRY PECTORAL  
has been found to afford more relief and to cure  
more cases of pulmonary disease than any other  
remedy known to mankind. Cases of apparently  
settled consumption have been cured by it, and  
thousands of sufferers who were deemed beyond the  
reach of human aid have been restored to their  
former usefulness, to sound health and the  
enjoyments of life, by this all-powerful antidote to  
diseases of the lungs and throat. Here a cold had  
settled on the lungs. The dry, hacking cough, the  
glassy eye, and the pale, thin features of him who  
was lately lusty and strong, whisper to all but him  
that CONSUMPTION. He tries every thing; but the  
disease is gnawing at his vitals, and shows its  
fatal symptoms more and more over all his frame.  
He is taking the CHERRY PECTORAL now; it has  
stopped his cough and made his breathing easy;  
his sleep is sound at night; his appetite returns,  
and with it his strength. The dart which pierced  
his side is broken. Scarcely any neighborhood can  
be found which has not some living trophy like this  
to shadow forth the virtues which have won for the  
CHERRY PECTORAL an imperishable renown. But  
its usefulness does not end here. Nay, it accom-  
plishes more by prevention than cure. The count-  
less colds and coughs which it cures are the seed  
which would have ripened into a dreadful harvest  
of incurable diseases. Influenza, Croup, Bronchi-  
tis, Hoarseness, Pleurisy, Whooping Cough, and  
all irritations of the throat and lungs are easily  
cured by the CHERRY PECTORAL if taken in sea-  
son. Every family should have it by them, and  
they will find it an invaluable protection from the  
insidious prowler which carries off the parent sheep  
from many a flock, the darling lamb from many a  
home.

Prepared by Dr. J. C. AYER, Practical and  
Analytical Chemist, Lowell, Mass., and sold by all  
Druggists every where.

**LET US REASON TOGETHER.****HOLLOWAY'S PILLS.**

Why are we Sick.

It has been the lot of the human race to be weighed  
down by disease and suffering. HOLLOWAY'S  
PILLS are specially adapted to the relief of the  
WEAK, the NERVOUS, the DELICATE, and the  
INFIRM, of all climes, ages, sexes, and constitutions.  
Professor Holloway personally superintends the man-  
ufacture of his medicines, and offers them to a free and  
enlightened people, as the best remedy the world ever  
saw for the removal of disease.

**These Pills Purify the Blood.**

These famous Pills are expressly combined to operate  
on the stomach, the liver, the kidneys, the lungs, the  
skin, and the bowels, correcting any derangement in  
their functions, purifying the blood, the very fountain  
of life, and thus curing disease in all its forms.

**Dyspepsia and Liver Complaints.**

Nearly half the human race have taken these Pills,  
it has been proved in all parts of the world, that  
nothing has been found equal to them in cases of dis-  
orders of the liver, dyspepsia, and stomach complaints  
generally. They soon give a healthy tone to these  
organs, however much deranged, and when all other  
means have failed.

**General Debility.—Ill Health.**

Many of the most despotic Governments have  
opened their Custom Houses to the introduction of  
these Pills, that they may become the medicine of the  
masses. Learned Colleges admit that this medicine  
is the best remedy ever known for persons of delicate  
health, or where the system has been impaired, as its  
invigorating properties never fail to afford relief.

**Female Complaints.**

No Female, young or old, should be without this  
celebrated medicine. It corrects and regulates the  
monthly courses at all periods, acting in many cases  
like a charm. It is also the best and safest medicine  
that can be given to children of all ages, and for any  
complaint; consequently no female should be without  
it.

Holloway's Pills are the best remedy known in the  
world for the following Diseases:—
