AYER'S CATHARTIC PILLS.

Are you sick, feeble, and complaining? Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and cleanse out the disordered humors—purify the blood, and let the fluids move on unobstructed in health again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make it sickly, and restore its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-seated and dangerous disorders. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure.

Statements from leading physicians in some of the principal cities, and from other well known public persons.

From a Forwarding Merchant of St. Louis, Feb. 4, 1856.

Dr. AYER: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of a severe nervous fever, and have cured her of a long and incurable fever. Her mother has been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her.

ASA MORGRIDGE.

As a Family Physic.

From Dr. E. W. Cartwright, New Orleans.

Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease.

Headache, Sick Headache, Foul Stomach.

From Dr. Edward Boyd, Baltimore.

DEAR DR. AYER: I cannot answer you what complaints I have cured with your Pills better than to say that I can ever treat with a purgative medicine. I place great dependence on an effectual cathartic in my daily contest with disease, and believing as I do that your Pills afford us the best we have, I of course value them highly.

From Dr. J. C. AYER. Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once.

Yours with great respect, ED. W. FREEL, Clerk of Steamer Clarion.

Bilious Disorders—Liver Complaints.

From Dr. Theodore Bell, of New York City.

Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of bilious complaints than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people.

DEPARTMENT OF THE INTERIOR.

Washington, D. C., 7th Feb., 1856.

Sir: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of bilious disease so obstinate that I could not readily yield to them. Respectfully yours, ALONZO BALL, D. D., Physician of the Marine Hospital.

Dysentery, Diarrhoea, Relax, Worms.

From Dr. J. G. Green, of Chicago.

Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their attractive effect upon the liver makes them an excellent remedy, when given in small doses for bilious dysentery and diarrhoea. Their sugar-coating makes them very acceptable and convenient for the use of women and children.

Dyspepsia, Impurity of the Blood.

From Rev. J. V. Himes, Pastor of Advent Church, Boston.

DEAR AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends.

Yours, J. V. HIMES.

WARREN, Wyoming Co., N. Y., Oct. 24, 1855.

DEAR SIR: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and purify the foundations of the blood.

JOHN G. MEACHAM, M. D.

Constipation, Costiveness, Suppression,

Rheumatism, Gout, Neuralgia, Dropsy, Paralysis, Fits, &c.

From Dr. J. P. Fauglin, Montreal, Canada.

Too much cannot be said of your Pills for the cure of costiveness. If others of our fraternity have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the precursor of others that are worse. I believe costiveness to originate in the liver, but your Pills affect that organ and cure the disease.

From Mrs. E. Stuart, Physician and Midwife, Boston.

I find one or two large doses of your Pills, taken at the proper time, are excellent promoters of the natural secretion when wholly or partially suppressed, and also very effectual to cleanse the stomach and expel worms. They are so much the best physic we have that I recommend no other to my patients.

From the Rev. Dr. Hawkes, of the Methodist Epis. Church.

PULASKI HOUSE, SAVANNAH, Ga., Jan. 6, 1856.

HONORED SIR: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating neuralgic pains, which ended in chronic rheumatism. Notwithstanding I had the best of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well.

SENATE CHAMBER, Baton Rouge, La., 5 Dec. 1855.

Dr. AYER: I have been entirely cured, by your Pills, of Rheumatic Gout—a painful disease that had afflicted me for years.

VINCENT SLIDELL.

Most of the Pills in market contain Mercury, which, although a valuable remedy in skillful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.

Have you a Cough?

THEN use JAYNE'S EXPECTORANT. It gives immediate relief.

HAVE YOU ASTHMA OR PHTHISIS?

Then use JAYNE'S EXPECTORANT, which will overcome the spasmodic contraction of the wind tubes, and cause them to eject the mucus or matter which clogs them up, and by an easy and free expectorant, remove all difficult of breathing.

HAVE YOU WHOOPING COUGH?

Then use JAYNE'S EXPECTORANT, the best remedy in the world, as it shortens the disease more than one-half, and carries the patient safely through it.

HAVE YOU CROUP OR HIVES?

Then use JAYNE'S EXPECTORANT freely, according to directions, and you will cure this disease in a few minutes. And finally.

Have you Bronchitis Consumption, Chronic Pleurisy, Spitting of Blood, or any other Pulmonary Affection?

Then use JAYNE'S EXPECTORANT. It is a remedy for the above diseases which cannot be equalled, as the evidence of thousands, who have been cured by it, will testify.

Here is a portion of the testimony:

Fredericka Brookfield, No. 641 Fisher street, below Seventh, Philada., writes:—

"For more than two years I was afflicted with CONSUMPTION, and during this time, owing to a constant cough and the sharp pain and difficult of breathing which accompanied it, I obtained but little rest. Having tried in vain many different remedies, I began to lose all hope, when a neighbor, whose husband has been cured of a similar complaint by JAYNE'S EXPECTORANT, persuaded me to give it a trial. After taking several bottles, large quantities of corruption were thrown from me, and I then began to mend gradually, until now my health is perfectly restored."

REV. EUGENE KINCAID, Missionary in Burmah, writes:—

"About three weeks since, a Burman female of rank called on us, who had been suffering with ASTHMA for eight years, and who was frequently unable to sleep, except in a sitting posture. Feeling satisfied that no medicine could restore her to health, we (i. e., Dr. Dawson and Mr. Kincaid,) thought only of affording her temporary relief, and gave her a bottle of JAYNE'S EXPECTORANT. One week after, her husband informed us that for the first time in many years she had slept soundly, and in one month she was entirely restored."

Mr. J. P. SMITH, of Stockton, Owen county, Ind., says:—

"My wife has been severely afflicted for three years with BRONCHITIS, and having heard of Dr. D. Jayne's Expectorant, I purchased one bottle of it and one box of Sanative Pills, and I am now happy to inform you her cough was immediately suppressed, and in one month a complete cure effected."

Mr. J. E. HILDRETH, of Ozark, Jackson county, Iowa, writes:—

"My family having used Dr. JAYNE'S EXPECTORANT for a number of years, I can safely say it gives the quickest relief of any medicine I ever tried for COUGHS and COLD and SHORTNESS OF BREATH, and I can, therefore, conscientiously recommend it to the public."

REV. RUFUS BABCOCK, D. D., former President of Waterville College, Maine, writes:

"For more than a dozen years I have recommended DR. D. JAYNE'S FAMILY MEDICINES, and especially the EXPECTORANT. I know that these medicine are highly esteemed and frequently prescribed by some of the most respectable of the regular practitioners of medicine; and I do not hesitate to commend them as a valuable addition to our materia medica, and a safe as well as eminently beneficial remedy for the diseased."

MAURICE SCHWARZ, of Concord, Wis., says:

"When the WHOOPING COUGH prevailed to some extent at our place, the disease seemed to baffle our physicians. In various cases the EXPECTORANT was used, and it did not fail to cure."

Mr. C. T. PORTER, Superintendent, of Akro, (Ohio) Schools says:

"Being troubled with a severe, dry cough, very troublesome at night, and the usual remedies failing to relieve me, I was induced to try JAYNE'S EXPECTORANT. After taking it for three days, my cough was cured."

This EXPECTORANT and all of Jayne's Family Medicines are sold by BROWN, BROTHERS & CO., Ordinance Square, Halifax, and by Agents throughout the country.

JUDSON'S

Mountain Herb Pills.

ANNO, we present you with a perfect likeness of Texas, a chief of a tribe of the strange Aztec Nation, that once ruled Mexico. You will find a full account of him and his people in our Pamphlets and Almanacs—to be had gratis, from the Agents for these Pills.

The inventor and manufacturer of "Judson's Mountain Herb Pills," has spent the greater part of his life in traveling, having visited nearly every country in the world. He spent over six years among the Indians of the Rocky Mountains and of Mexico, and it was thus that the "MOUNTAIN HERB PILLS" were discovered. A very interesting account of his adventures there, you will find in our Almanac and Pamphlet.

It is an established fact, that all diseases arise from

IMPURE BLOOD!

The blood is the life! and when any foreign or unhealthy matter gets mixed with it, it is at once distributed to every organ of the body. Every nerve feels the poison, and all the vital organs quickly complain. The stomach will not digest the food perfectly. The liver ceases to secrete a sufficient quantity of bile. The action of the heart is weakened, and so the circulation is feeble. The lungs become clogged with the poisonous matter, hence, a cough—and all from a slight impurity at the fountain head of life—the Blood! As if you had thrown some earth, for instance, in a pure spring, from which you draw your water, in a few minutes the whole course of the stream becomes disturbed and discolored. An equally does impure blood fly to every part and leave nothing behind. All the passages become obstructed, and unless the obstruction is removed, the lamp of life soon dies out. These pills not only purify the blood, but regenerate all the secretions of the body; they are, therefore, unrivaled as a

URE FOR BILIOUS DISEASES,

Liver Complaint, Sick Headache, &c. This Anti-Bilious Medicine expels from the blood the hidden seeds of disease, and renders all the fluids and secretions pure and fluent, clearing and reconstituting the vital organs.

Pleasant indeed, is it to us, that we are able to place within your reach a medicine like the "MOUNTAIN HERB PILLS," that will pass directly to the afflicted parts, through the blood and fluids of the body, and cause the sufferer to brighten with the flush of beauty and health.

Judson's Pills are the Best Remedy in existence

GREAT FEMALE MEDICINE!

Females who value health, should never be without these Pills. They purify the blood, remove obstructions of all kinds, cleanse the skin of all pimples and blotches and bring the rich color of health to the pale cheek.

The Plants and Herbs of which these Pills are made, were discovered in a very surprising way among the Aztecs, a tribe of Aborigines in Mexico. Get the Almanac of our Agent, and you will read with delight the very interesting account it contains of the "GREAT MEDICINE" of the Aztecs.
