New kind of Teeth.

.....AT THE.....

COMPLETE DENTAL ESTABLISHMENT.

No. 54 Granville Street.

DR. MACALLASTER is now using a new kind of Artificial Teeth, which surpass any that have ever been used in this Province. They differ from those formerly used in many respects—they are more natural, have none of that glossy artificial appearance which is so readily detected. He would respectfully inform those desirous of having Dentistry done that he never was better prepared to do good work than now. After a successful practice of his profession in this Province for four years, the great increase of his business go to show the confidence that the public have in his abilities to manufacture and insert Artificial Teeth.

He would also call attention to the great importance of

FILLING TEETH.

This part of Dentistry is too much neglected by the public. In almost all cases persons wait until their teeth ache, which they should not do, but should have their teeth examined every six months if possible, and filled while the cavities are small; by so doing the teeth are restored to health, and made equally as good as before decayed. Many years of constant practice, and by the particular attention Dr. M. has paid to this branch of Dentistry, he is fully competent to make gold fillings, large or small, in the best manner possible.

All operations in Dentistry, such as filling, extracting and cleansing, done in a skillful manner at

THE HISTORY OF THE RELIGIOUS DENOMINATIONS. OF THE WORLD.

COMPRISING a General View of the Origin, History and Condition of the various Sects of Christians, the Jews and Mahometan as well as Pagan forms of Religion, existing in the different countries of the East, with Sketches of the Founders of various Religious Sects.

From the best Authorities,

VINCENT S. MILNER.

Milner's Views of the Religious Denominations of the World is a work I never saw before. I have however examined descriptions given of some of the bodies with whose principles and history I am pretty well acquainted and have found them generally correct and conveying much valuable information. This work is exceedingly well executed and to those destitute of larger works on the same subject must prove a great acquisition.
ALEX. FORRESTER.
Truro, 26th September, 1861.

It supplies a vast amount of information not easily obtained from other books.—*Christian Messenger.*

There are no fewer than one hundred and fifty one sects described. So far as we have been able to examine this work we have found it impartial, accurate and concise.—*Presbyterian Witness.*

The work is destined to a high place in popular favor, and to have an extensive circulation.—*Yarmouth Tribune.*

It is a most valuable reference book and meets a want which almost every person has often felt.
REV. JAMES B. BONAR.
Montreal, Canada East April 9, 1861.

The volume is an instance of the *multum in parvo* for nearly everything regarding these various sects which one desires to know without going minutely into their history or character may here be found.—*Bishop White, George Fox, John Calvin and Wesley add very much to the attractiveness of the volume.*
HENRY WILKS, D. D.
Montreal, April 10th, 1861

I have examined carefully the book of Religious Denominations and up to the whole highly approve of it:—1st—it is beautifully gotten up; 2nd—it supplies a want I have often heard expressed; 3rd—so far as I can judge it is (with some exceptions) a correct description, 4th—I presume that its price is as low as other of your publications.
REV WM BOND.
Montreal, May 9, 1861

This is a handsome octavo volume of more than 500 pages, beautifully printed and elegantly bound. It comprises succinct, satisfactory and so far as I can judge correct and impartial statements of the origin and distinguishing tenets of about one hundred and fifty different denominations of religions.
W. ORMESTON, D. D.
Hamilton, C. W.

The Book will be sold exclusively by subscription, and every book delivered by my Agent (as a perfect book) that is not equal to the sample will be exchanged on its presentation at my Office. It contains over 500 pages octavo, is illustrated with fine steel portraits of distinguished Divines of the various Sects, and is gotten up in every respect in a superior style and will be furnished at a lower price than any book ever offered to the public of the same style and worth.

AYER'S CATHARTIC PILLS.

Are you sick, feeble, and complaining? Are you out of order with your system deranged, and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and cleanse out the disordered humors—purify the blood, and let the fluids move on unobstructed in health again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make

disease. A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-seated and dangerous distempers. The same purgative effect exists there. Cured by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure.

Statements from leading physicians in some of the principal cities, and from other well known public persons.

From a Forwarding Merchant of St. Louis, Feb. 4, 1856.

DR. AYER: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her.

ASA MORGRIDGE.

As a Family Physic.

From Dr. E. W. Cartwright, New Orleans.
Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease.

Headache, Sick Headache, Foul Stomach.

From Dr. Edward Lloyd, Baltimore.
DEAR DR. AYER: I cannot answer you what complaints I have cured with your Pills better than to say all that we ever treat with a purgative medicine. I place great dependence on an effectual cathartic in my daily contest with disease, and believing as I do that your Pills afford us the best we have, I of course value them highly.

PITTSBURGH, PA., May 1, 1855.

DR. J. C. AYER: Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once.

Bilious Disorders—Liver Complaints.

From Dr. Theodore Bell, of New York City.
Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of bilious complaints than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people.

DEPARTMENT OF THE INTERIOR,
Washington, D. C., 7th Feb., 1856.

SIR: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of bilious disease so obstinate that it did not readily yield to them.
Fraternally yours, ALONZO BALL, M. D.
Physician of the Marine Hospital.

Dysentery, Diarrhea, Relax, Worms.

From Dr. J. G. Green, of Chicago.
Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses for bilious dysentery and diarrhea. Their sugar-coating makes them very acceptable and convenient for the use of women and children.

Dyspepsia, Impurity of the Blood.

From Rev. J. F. Himes, Pastor of Advent Church, Boston.
DR. AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends.
Yours, J. V. HIMES.

WARREN, Wyoming Co., N. Y., Oct. 24, 1855.

DEAR SIR: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and purify the foundations of the blood.

JOHN G. MEACHAM, M. D.

Constipation, Costiveness, Suppression, Rheumatism, Gout, Neuralgia, Dropsy, Paralysis, Fits, etc.

From Dr. J. P. Vaughn, Montreal, Canada.
Too much cannot be said of your Pills for the cure of costiveness. If others of our fraternity have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I believe costiveness to originate in the liver, but your Pills affect that organ and cure the disease.

From Mrs. E. Stuart, Physician and Midwife, Boston.

I find one or two large doses of your Pills, taken at the proper time, are excellent purgatives of the natural secretions when wholly or partially suppressed, and also very effectual to cleanse the stomach and expel worms. They are so much the best physic we have that I recommend no other to my patients.

From the Rev. Dr. Hawkes, of the Methodist Episc. Church.

PULASKI HOUSE, Savannah, Ga., Jan. 6, 1856.
HONORED SIR: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating neuralgic pains, which ended in chronic rheumatism. Notwithstanding I had the best of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well.

SENATE CHAMBERS, Baton Rouge, La., 5 Dec. 1855.
DR. AYER: I have been entirely cured, by your Pills, of Rheumatic Gout—a painful disease that had afflicted me for years.
VINCENT SLIDELL.

Most of the Pills in market contain Mercury, which, although a valuable remedy in skillful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.
Price, 25 cents per Box, or 5 Boxes for \$1.
