Coughs, Colds, Consumption,
Asthma, Bronchitis, &c.

JAYNE'S EXPECTORANT.

Has been for thirty years the Standard Remedy.

Recent coughs and colds, Pleuritic pains, &c., are quickly and effectually cured by its diaphoretic, soothing and Expectorant power.

Asthma it always cures. It overcomes the spasmodic contraction of the air vessels, and by producing free expectoration, at once removes all difficulty of breathing.

Bronchitis readily yields to the Expectorant. It subdues the inflammation which extends through the wind tubes, produces free expectoration, and suppresses at once the Cough and Pain.

Consumption—For this insidious and fatal disease, no remedy on earth has ever been found so effectual. It subdues the inflammation, relieves the Cough and Pain, removes the difficulty of breathing, and produces an easy expectoration, whereby all irritating and obstructing matters are removed from the lungs.

Whooping Cough is promptly relieved by this Expectorant. It shortens the duration of the disease one-half, and greatly mitigates the sufferings of the patient.

In all Pulmonary Complaints, in Pleurisy, &c., it will be found to be prompt, safe, pleasant and reliable, and may be especially commended to Ministers, Teachers, and Singers, for the relief of Hoarseness, and for strengthening the organs of the voice. Here is a portion of the testimony:

Rev. John Dowling, D. D., Pastor of the Berean, Baptist Church, N. Y., writes:

"I have long known the virtues of Jayne's Expectorant, and frequently tested them on myself and family, when afflicted with Coughs or Colds. I believe it to be one of the best remedies ever discovered for these maladies."

Mr. Reading Doty, of Twenty-Mile Stand, Warren county, Ohio, says:

"Recently I had an attack of Asthma, the most distressing of all diseases, and yesterday afternoon, after taking a short ride, I returned home almost unable to breathe. Through the persuasion of my wife, I was led to try Dr. D. Jayne's Expectorant. The first dose gave instant relief, and after the fourth dose I enjoyed a refreshing sleep, and the next morning arose in better health than for two years past."

Rev. N. M. Jones, Rector of the Church of St. Bartholomew, (Protestant Episcopal,) Philadelphia, writes:

"In all cases resembling Consumption, I recommend Jayne's Expectorant, having in so many cases witnessed its beneficial effects."

Mr. Preston B. Ewing, Lacon, Harrison county Ind., writes:

"Being afflicted with Bronchitis for the space of three years, to such an extent that I was obliged to relinquish the teaching of the Vocal Music, and fails to obtain any relief from the Physician whom I consulted, I gave Jayne's Expectorant a trial. After using it for a few weeks I was very much relieved, and by its continued use my throat is now entirely clear of any disease."

Mr. John Henry, of Burlington, Bradford, Co. Pa., says:

"For two years my son was afflicted with a disease resembling Consumption, and during this period was unable to labor. Being finally induced to try Dr. Jayne's Expectorant, he was completely cured after taking ten bottles, and he is now able to work every day."

Rev. Valentine Gray, of the Methodist Church, writes from Centerville, Pa.

"Having experienced the beneficial effects of your Family Medicine, I would give it as my opinion that they are the very best I ever had occasion to use, and most cheerfully recommend them to the afflicted. Your Expectorant, especially, I have found to be a sure cure for Coughs and Colds."

Mr. Larkin Dehort, Pleasant Point, Illinois, writes: "On our youngest child, 11 months old, is subject to the Croup. At each attack of the disease we give it your Expectorant, according to directions, and it always affords immediate relief. I have just recovered from a severe Cough, which had settled on my lungs, and attribute my cure to Providence and the use of the Expectorant."

This Expectorant, and all of Jayne's Family Medicines are sold by Brown Brothers & Co., Ordinance Square, Halifax, and by Agents throughout the country.

For Coughs and Colds.

Sharp's Balsam of Hoarhound and Aniseed,

Is the best, the safest, and cheapest remedy ever offered to the public. Those suffering from Throat complaints, Coughs, Colds, Asthma, Shortness of Breath, or Whooping Cough, will find it a sure and speedy relief. It has now been in use in New Brunswick for upwards of ten years; during that time the sale has, without puffing or advertising, increased to such an extent as to supersede all other Medicines of a similar kind.

Prepared by JOHN G. SHARP, Member of the Pharmaceutical Society of Great Britain.

ST. JOHN, N. B. Dec. 13th, 1861.

For nearly ten years we have sold Sharp's Balsam by Hoarhound and Aniseed, prepared by Dr. J. G. Sharp of this city—and during that time we have not known any other Patent Medicine for Coughs and Colds that has given such universal satisfaction to all who have used it.

It has become in this city, a standing Family Medicine, although it has been little advertised the sale has steadily increased, and in one year we sold over 1500 Bottles, although same time it was kept and sold in eight or ten other Drug Stores here.

GEORGE F. EYER-TT & Co.

ST. JOHN, N. B. Dec. 12, 1861.

J. G. Sharp, Esq., Dear Sir—Having been engaged in the sale of your Balsam of Hoarhound and Aniseed for the past ten years I can testify in favor of its good qualities, it certainly gives the best satisfaction of anything of the kind that I have ever sold.

JOHN CHALONER.

J. G. Sharp, Esq., Dear Sir—I have noticed the increasing popularity of your "Balsam of Hoarhound and Aniseed," for the last eight years and have much pleasure in stating that I believe it to be one of the best Medicines of the kind now in use.

Notice to the Public.

It having been observed that on several occasions the public are in the habit of pre-paying their Local and United States Letters with five (5) and ten (10) cent Stamps, cut in half, under the impression that such half stamp would free them to their destination without extra charge, the public are hereby notified that such a practice is irregular. A Letter, when prepaid by stamp, must have a whole stamp (or more than one, as the case may require,) of the proper postage amount affixed to it; otherwise it will be treated as an unpaid letter.

New kind of Teeth.

.....AT THE.....

COMPLETE DENTAL ESTABLISHMENT.

No. 54 Granville Street.

DR. MACALLASTER is now using a new kind of Artificial Teeth, which surpass any that have ever been used in this Province. They differ from those formerly used in many respects—they are more natural, have none of that glossy artificial appearance which is so readily detected. He would respectfully inform those desirous of having Dentistry done that he is better prepared to do good work than h. w. After a successful practice of his profession in this Province for four years, the great increase of his business, go to show the confidence that the public have in his abilities to manufacture and insert Artificial Teeth.

He would also call attention to the great importance of

FILLING TEETH.

This part of Dentistry is too much neglected by the public. In almost all cases persons wait until their teeth ache, which they should not do, but should have their teeth examined every six months if possible, and filled while the cavities are small; by so doing the teeth are restored to health, and made equally as good as before decayed. Many years of constant practice, and by the particular attention Dr. M. has paid to this branch of Dentistry, he is fully competent to make gold fillings, large or small, in the best manner possible.

All operations in Dentistry,—such as filling, extracting and cleansing, done in a skillful manner.

Triple Remedies.

Cures Coughs, Colds, Asthma, Bronchitis, Complaints, and all Throat Irritations leading to Actual Consumption.

Its great feature is a freedom from every component which produces debility, and its unerring certainty in all the above Complaints rests with the fact that it may be used every hour without restraint. Therefore from childhood and its terror, Whooping Cough, to old age and its infirmities, allow it to be the companion from the cradle, and the grave will be spared many of its early victims.

Make it your pocket companion by day, and your bedside friend by night, using it whenever you please.

Cures all Complaints of Nervous and Spasmodic character, such as NEURALGIA, GOUT, RHEUMATISM, ST. VITUS DANCE, TOOTH AND EAR-ACHE, POWEL COMPLAINTS, NERVOUS and SPASMODIC SICK HEAD-ACHE, to that terror of all Nervous dispositions, and probably the chief cause of Insanity,

"Loss of Sleep."

Designed as special assistant to the above-named preparations, when aggravated by BILIOUSNESS or INDIGESTION, and the great substitute for all MERCURIAL PREPARATIONS.

THE ECLECTIC PILLS, without the common fatal necessity of almost making a meal of such, will in most cases, by the application of a single Pill, produce all the requirements of a sure, gentle, and reliable

FAMILY PHYSIC.

Let me have your confidence to make trial of the above-named Remedies, as the only sure tribunal by which real character can be ascertained, and my declaration is that such confidence will not be misplaced. The greater justice, is to procure and read the descriptive Pamphlet to be found with all dealers, or will be sent free by
