JUDSON'S MOUNTAIN HERB PILLS,
The Manochan or Great Medicine.

These Pills have now been thoroughly tested and have maintained the highest character everywhere, they have the wonderful power of restoring to health persons suffering under all diseases arising from

Impure Blood.

and as the Blood is the life when pure, so it is when corrupt the source of nine-tenths of the diseases which afflict mankind.

The following are among the distressing variety of diseases in which these Pills are invaluable.

BILIOUS FEVERS AND LIVER COMPLAINTS.—General Debility. Loss of Appetite and Diseases of females. The Medicine has been used with the most beneficial results in cases of this description. King's Evil and Scrofula, in its worst forms yields to the mild yet powerful action of this remarkable Medicine. Night Sweats, Nervous Debility, Nervous Complaints, of all kinds; Palpitation of the Heart, Pains in the Colon, are speedily cured.

DYSPEPSIA, by thoroughly cleansing the first and second stomachs, and creating a flow of pure, healthy bile, instead of the stale and acid kind; **FLATULENCE**, Loss of Appetite, Heartburn, Headache, Restlessness, Ill Temper, Anxiety, Langour and Melancholy, which are the general symptoms of Dyspepsia, will vanish as a natural consequence of its cure.

COSSIVENESS, by cleansing the whole length of the intestines with a solvent process, and without violence, all violent purges leave the bowels soft and without two days.

FEVERS, of all kinds, by restoring the blood to a regular circulation, through the process of respiration in such cases, and the thorough solution of all intestinal obstruction in others.

SURVY, ULCERS, AND INVETERATE SORES, by the perfect purity which this Medicine gives to the blood and all the humors.

SCORBUTIC ERUPTIONS and bad complexions, by their alternative effect upon the fluids that feed the skin, and the morbid state of which occasions all eruptive complaints, scallow, cloudy and other disagreeable complexions.

The use of these Pills for a very short time, will effect an entire cure of **SALT RHEUM**, and a striking improvement in the clearness of the skin. **COMMON COLDS** and **INFLUENZA** will always be cured by one dose, or by two in the worst cases.

MERCURIAL DISEASES—Persons whose constitutions have become impaired by the injudicious use of Mercury, will find this medicine a perfect cure, as they never fail to eradicate from the system, all the effects of Mercury, infinitely sooner than the most powerful preparations of Sarsaparilla.

The Plants and Herbs of which these Pills are made, were discovered in a very surprising way among the Aztecas, a tribe of Aborigines in Mexico. Get the Almanac of our Agent, and you will read with delight, the very interesting account it contains of the **GREAT MEDICINE** of the Aztecas.

OBSERVE—The Mountain Herb Pills are put up in a beautiful wrapper. Each box contains 40 Pills, and Retail at 25 cents per box. All genuine, have the signature of B. L. JUDSON & Co., on each box.

THE PSALMIST, WITH MUSIC; A MANUAL FOR THE SERVICE OF SAGRED SONG, containing ALL THE HYMNS OF THE PSALMIST, with a copious and very CHOICE SELECTION OF TUNES, adapted to all the metres, on the same page with the hymn, for the convenience of CONGREGATIONAL SINGING, and also for CHOIR USE. Collated and edited by B. F. EDMANIS, Esq.

Royal 12mo, cloth, arabesque, 1.50; sheep, 1.50; Turkey Morocco, gilt, 3.00.

THE PSALMIST is unquestionably the best collection of Hymns for public worship in the English language. It was originally prepared with great care and expense. It was edited by brethren whose acknowledged poetical taste, doctrinal soundness and pastoral experience qualified them preeminently for the work. The Hymns were also submitted for critical examination and revision to a large Committee, composed of pastors and literary men of distinction in every section of the Union, to whose judicious labors the work owes much of its remarkable perfection. It has been welcomed by pastors and churches everywhere as the best book for public worship ever published.

Such has been its unparalleled popularity that it may now be said to have become the BOOK OF THE BAPTIST DENOMINATION, being almost universally used in the churches throughout the United States and also in the British Provinces. It contains nearly THIRTEEN HUNDRED HYMNS, about one-fourth of which are by Watts. Among the other prominent authors, will be found Doddridge, Steele, Montgomery, Cowper, Kelly, Newton, Wesley, Toplady, Heber, Barbauld, Bowring, Sigourney, Scott, Heman, etc. etc., numbering in all nearly two hundred different authors. The whole field of English sacred literature has been explored, and the choicest appropriate productions culled, to form this admirable collection.

Pastors in Boston and vicinity, in New York and Philadelphia, Professors in the various Theological Seminaries, and a great number of Clergymen, of Churches, Associations and Conventions, in every State of the Union, have, unhesitatingly, given their most unqualified testimony to the high character of this work. Among the vast number of testimonials which might be given, sufficient, in all, to form a good-sized volume, is the following:—

Rev. GEORGE B. IDE, D. D., says of the work, with characteristic energy of thought and beauty of expression, "Such another collection of hymns for public worship, so beautiful in its execution, so natural, clear, and perfect in its arrangement, so varied, copious, and appropriate in its list of subjects, so lyrical in its structure, so devotional in its spirit, so scriptural in its sentiments, so sweet, pure, and elevated in its poetry, I do not believe the world can furnish, and I am certain the English language cannot! It is a work, in every respect, of such surpassing excellence as to leave nothing in its department to be desired."

This strong, emphatic language of Dr. Ide has been fully approved and endorsed by Dr. Hlague, Dr. Brantley, and other clergymen of note.

Candid judges of other denominations have commended the Psalmist as having no superior, if any equal, in character and fitness for public worship.

THE PSALMIST, WITH MUSIC, involving a large outlay of time and money, was undertaken to meet the growing desire on the part of many churches to adopt CONGREGATIONAL SINGING.

This Manual embraces ALL THE HYMNS OF THE PSALMIST, with one or more tunes adapted to each hymn. The tunes have been selected, with great care and true judgment, by B. F. EDMANIS, Esq., a gentleman of fine musical taste, a chorister for many years in one of our largest churches, and an active manager of several of our leading musical societies. They are chiefly taken from the approved standard tunes, whose long use and popularity in the churches attest their fitness for congregational singing. The convenient size of the Manual, its cheapness, its judicious arrangement, as well as its admirable SELECTION OF TUNES, give it important advantages over every other Manual for public worship. Churches already using the Psalmist—which is almost universal—can introduce this new edition, WITH MUSIC, at very trifling expense. No change of books will be required for those who do not join in the singing. The numbering of hymns is the same in all editions, and the full and perfect INDEXES enable minister or people to refer from one edition to the other without difficulty. Only those who wish to sing, and to have the tunes before them, will need the new edition with Music, and the great expense incident to an entire change of hymn-books will thus be avoided.

All the various editions are now printed from new, clear, handsome electrotype plates, on good paper, and bound in a great variety of styles, in the most substantial manner. And although, in consequence of the unparalleled advance in paper and all other book materials, the price has of necessity been somewhat advanced, it is still the cheapest work of the kind published.

Ayer's
SARSAPARILLA,

THE WORLD'S GREAT REMEDY FOR
Scrofula and Scrofulous Diseases.
From Emory Edes, a well-known merchant of Oxford, Maine.

"I have sold large quantities of your SARSAPARILLA, but never yet one bottle which failed of the desired effect and full satisfaction to those who took it. As fast as our people try it, they agree there has been no medicine like it before in our community."

Eruptions, Pimples, Blotches, Pustules, Ulcers, Sores, and all Diseases of the Skin.

From Rev. Robt. Stratton, Bristol, England.

"I only do my duty to you and the public, when I add my testimony to that you publish of the medicinal virtues of your SARSAPARILLA. My daughter, aged ten, had an afflicting humor in her ears, eyes, and hair for years, which we were unable to cure until we tried your SARSAPARILLA. She has been well for some months."

From Mrs. Jane E. Rice, a well-known and much-esteemed lady of Dennisville, Cape May Co., N. J.

"My daughter has suffered for a year past with a scrofulous eruption, which was very troublesome. Nothing afforded any relief until we tried your SARSAPARILLA, which soon completely cured her."

From Charles P. Gage, Esq., of the well-known Gage, Murray & Co., manufacturers of enameled papers in Nashua, N. H.

"I had for several years a very troublesome humor in my face, which grew constantly worse until it disfigured my features and became an intolerable affliction. I tried almost every thing a man could of both advice and medicine, but without any relief whatever, until I took your SARSAPARILLA. It immediately made my face worse, as you told me it might for a time; but in a few weeks the new skin began to form under the blotches, and continued until my face was as smooth as any body's, and I am without any symptoms of the disease that I know of. I enjoy perfect health, and without a doubt owe it to your SARSAPARILLA."

Erysipelas—General Debility—Purify the Blood.

From Dr. Robt. Smith, Houston St., New York.

"DR. AYER'S Scrofulous Sore, by the persevering use of your SARSAPARILLA, and I have just now cured an attack of Malignant Erysipelas with it. No alternative we possess equals the SARSAPARILLA you have supplied to the profession as well as to the people."

From J. R. Johnston, Esq., Wakenau, Ohio.

"For twelve years, I had the yellow Erysipelas on my right arm, during which time I tried all the celebrated physicians I could reach, and took hundreds of dollars worth of medicines. The ulcers were so bad that the cords became visible, and the doctors decided that my arm must be amputated. I began taking your SARSAPARILLA. Took two bottles, and some of your PILLS. Together they have cured me. I am now as well and sound as any body. Being in a public place, my case is known to every body in this community, and excites the wonder of all."

From Hon. Henry Moore, M. P. P., of Newcastle, C. W., a leading member of the Canadian Parliament.

"I have used your SARSAPARILLA in my family, for general debility, and for purifying the blood, with very beneficial results, and feel confident in commending it to the afflicted."

St. Anthony's Fire, Rose, Salt Rheum, Scald Head, Rore Eyes.

From Harvey Sichter, Esq., the able editor of the Tunkhannock Democrat, Pennsylvania.

"Our only child, about three years of age, was attacked by pimples on his forehead. They rapidly spread until they formed a loathsome and virulent sore, which covered his face, and actually blinded his eyes for some days. A skillful physician applied blisters of silver and other remedies, without any apparent effect. For fifteen days we guarded his hands, lest with them he should tear open the festering and corrupt wound which covered his whole face. Having tried every thing else we had any hope from, we began giving your SARSAPARILLA, and applying the liniment of potash lotion, as you direct. The sore began to heal when we had given the first bottle, and was well when we had finished the second. The child's eyelashes, which had come out, grew again, and he is now as healthy and fair as any other. The whole neighborhood predicted that the child must die."

Syphilis and Mercurial Disease.

From Dr. Hiram Stoot, of St. Louis, Missouri.

"I find your SARSAPARILLA a more effectual remedy for the secondary symptoms of Syphilis and for syphilitic disease than any other we possess. The profession are indebted to you for some of the best medicines we have."

From A. J. French, M. D., an eminent physician of Lawrence, Mass., who is a prominent member of the Legislature of Massachusetts.

"Dr. AYER. My dear Sir: I have found your SARSAPARILLA an excellent remedy for Syphilis, both of the primary and secondary type, and effectual in some cases that were too obstinate to yield to other remedies. I do not know what we can employ with more certainty of success, where a powerful alternative is required."

Mr. Chas. S. Van Allen, of New Brunswick, N. J., had dreadful ulcers on his legs, caused by the abuse of mercury, or mercurial disease, which grew more and more aggravated for years, in spite of every remedy or treatment that could be applied, until the procuring use of AYER'S SARSAPARILLA relieved him. Few cases can be found more inveterate and distressing than this, and it took several dozen bottles to cure him.

Leucorrhoea, Whites, Female Weakness, are generally produced by internal Scrofulous Ulceration, and are very often cured by the alternative effect of this SARSAPARILLA. Some cases require, however, in aid of the SARSAPARILLA, the skillful application of local remedies.

From the well-known and widely celebrated Dr. Jacob Morrill, of Cincinnati.

"I have found your SARSAPARILLA an excellent alternative in diseases of females. Many cases of irregularity, Leucorrhoea, internal Ulceration, and local debility, arising from the scrofulous diathesis, have yielded to it, and there are few that do not, when its effect is properly aided by local treatment."

A lady, unwilling to allow the publication of her name, writes:

"My daughter and myself have been cured of a very debilitating Leucorrhoea of long standing, by two bottles of your SARSAPARILLA."

Rheumatism, Gout, Liver Complaint, Dyspepsia, Heart Disease, Neuralgia, when caused by Scrofula in the system, are rapidly cured by this EXT. SARSAPARILLA.

AYER'S
CATHARTIC PILLS

possess so many advantages over the other purgatives in the market, and their superior virtues are so universally known, that we need not do more than to assure the public their quality is maintained equal to the best it ever has been, and that they may be depended on to do all that they have ever done.
