At Lower Granville, on the 7th Nov. 1864, after a lingering illness of several months, John McKay, aged 68 years. The deceased was for many years a worthy member of the Baptist Church. In life he loved and served his God, and in death he was lovingly sustained by Divine Grace. He has left a widow and 7 children, to mourn the loss of a kind husband and affectionate father.
At Clarence, Annapolis Co., on the 5th Oct., Judson, eldest son of Joseph Rumsey, in the 23rd year of his age.
On the 9th Dec., Rachel Noel, in the 60th year of her age.
At Cambridgeport, Mass., on 7th Dec., Maggie, wife of Wm. Traves, and daughter of the late Chas. Marvin, of Halifax.
On Thursday morning, in the 18th year of her age, Lydia, fourth daughter of James and Margaret McDaniel.
On the 2nd inst., Mr. Charles Patterson, aged 44 years.
On Sunday 4th, Jane, the beloved wife of Nathaniel Sawyer, in the 52nd year of her age, a native of Weymouth.

O sin has given death the power,
To nip the bud and crush the flower,
The pretty babe came but to smile,
And raise the parents' hopes awhile.
She's here no more, we sigh and weep,
The precious gift we could not keep,
From sin and sorrow, grief and pain,
Her beauty fades to live again.

Challenges the World.

Mrs. S. A. Allen's World's Hair Restorer and Zylolalsamum, or Hair Dressing, are acknowledged by all who use them to be the best preparations for restoring, invigorating, beautifying and dressing the hair; they arrest the fall and impart a healthful natural color to the hair. Every Druggist sells them.

Colds and Coughs.

Sudden changes of climate are sources of Pulmonary and Bronchial affections. Experience having proved that simple remedies act speedily when taken in the early stage of disease, take at once "Brown's Bronchial Troches," let the Cold, Cough, or Irritation of the Throat be ever so slight, as by this precaution a more serious attack may be warded off.

CABINET ORGANS.

The recent improvements introduced by Messrs. Mason & Hamlin into their Harmoniums have increased wonderfully the popularity of instruments of this class. Admirers of true organ music, of sustained harmonies, are no longer confined to the asthmatic, or weak-lunged melodeon, or the noisy, ear-tearing reed organ. An instrument is now obtainable, which is much more under the control of the performer, is capable of producing the softest tones, and yet possesses many times the power of any melodeon. As the Mason & Hamlin instruments having these new improvements (we may specify as particularly valuable the Automatic Swell) are sui generis, like those of no other maker, and since there are other instruments called harmoniums without these excellencies, Messrs. Mason & Hamlin have adopted and copyrighted the name of "Cabinet Organs" as their special trade mark.
As we have said, the great advantages possessed by these Cabinet Organs make them very desirable for the drawing-room, and they are rapidly becoming a necessity for the family. The low price at which they are afforded, brings them within the means of almost every household; and as lovers of music we welcome the popularity they have already attained.—New York Musical Review.

AYER'S CHERRY PECTORAL,

For the rapid cure of Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the relief of Consumptive Patients in advanced stages of the disease.

So wide is the field of its usefulness and so numerous are the cases of its cures, that almost every section of country abounds in persons publicly known, who have been restored from alarming and even desperate diseases of the lungs by its use. When once tried, its superiority to every other expectorant is too apparent to escape observation, and where its virtues are known, the public no longer hesitate what antidote to employ for the distressing and dangerous affections of the pulmonary organs that are incident to our climate. While many inferior remedies thrust upon the community have failed and been discarded, this has gained friends by every trial, conferred benefits on the afflicted they can never forget, and produced cures too numerous and too remarkable to be forgotten.

We can only assure the public that its quality is carefully kept up to the best it ever has been, and that it may be relied on to do for their relief all that it has ever done.

Great numbers of Clergymen, Physicians, Statesmen, and eminent personages, have lent their names to certify the unparalleled usefulness of our remedies, but space here will not permit the insertion of them. The Agents below named furnish gratis our AMERICAN ALMANAC in which they are given; with also full descriptions of the complaints they cure.

Those who require an alternative medicine to purify the blood will find AYER'S COMP. EXT. SARSAPARILLA the remedy to use. Try it once, and you will know its value.

Prepared by J. C. AYER & CO., Lowell, Mass., sold by Druggists and Agents everywhere.
Sold at wholesale and retail by Avery, Brown & Co., Halifax, N. S.; Geo. A. Bayard, St. John, N. B.; W. R. Watson, Charlottetown, P. E. I.
