TO SPRAINS AND BRUISES

Apply the Pain Killer.

HIGHLY IMPORTANT!

Let the Afflicted read, and Know of the Astounding Efficacy of the Great Humor Remedy!

HOWARD'S VEGETABLE CANCER AND CANKER SYRUP,

Surpasses in efficacy, and is destined to to Supercede, all other known remedies in the treatment of those Diseases for which it is recommended.

It has cured CANCERS after the patients have been given up as incurable by many physicians. It has cured CANKER in its worst forms, in hundreds of cases.

It has always cured SALT RHEUM when a trial has been given it, a disease that every one knows is exceedingly troublesome, and difficult to cure. ERYSIPELAS always yields to its power, as many who have experienced its benefits do testify.

It has cured SCROFULA in hundreds of cases, many of them of the most aggravated character. It cures KING'S EVIL.

It has cured many cases of SCALD HEAD. TUMORS have been removed by it in repeated instances in which their removal has been pronounced impossible except by a surgical operation. ULCERS of the most malignant type have been healed by its use.

It has cured many cases of NURSING SORE MOUTH when all other remedies have failed to benefit.

FEVER SORES of the worst kind have been cured by it. SCURVY has been cured by it in every case in which it has been used, and they are many.

It removes WHITE SWELLING with a certainty no other medicine has.

It speedily removes from the face all BLOTCHES, PIMPLES, &c., which though not very painful, perhaps, are extremely unpleasant to have.

It has been used in EVERY KIND OF HUMOR, and never fails to benefit the patient.

NEURALGIA, in its most distressing forms, has been cured by it when no other remedy could be found to meet the case.

It has cured JAUNDICE in many severe cases. It has proved very efficacious in the treatment of PILES, an extremely painful disease.

DYSPEPSIA, which is often caused by humor, has been cured by it in numerous instances.

In FEMALE WEAKNESSES, IRREGULARITIES and diseases peculiar to that sex, it has been found a most potent remedy.

In cases of GENERAL DEBILITY, from whatever cause, the Syrup can be relied upon as a most efficient aid.

It is a most certain cure for RICKETS, a disease common to children.

Its efficacy in all diseases originating in a depraved state of the blood or other fluids of the body is unsurpassed.

Its effects upon the system are truly astonishing and almost beyond belief to one who has not witnessed them.

This Syrup will as certainly cure the diseases from which it is recommended as a trial is given it, and the cure will be permanent, as it, by its wonderfully searching power, entirely eradicates the disease from the system.

The afflicted have only to try it to become convinced of what we say in regard to it, and to find relief from their sufferings.

AYER'S CATHARTIC PILLS

ARE the most perfect purgative which we are able to produce or which we think has ever yet been made by any body. Their effects have abundantly shown to the community how much they excel the ordinary medicines in use. They are safe and pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow distemper, stimulate sluggish or disordered organs into their natural action, and impart a healthy tone with strength to the whole system. Not only do they cure the every-day complaints of everybody, but also formidable and dangerous diseases. While they produce powerful effects, they are at the same time, in diminished doses, the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take; and, being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief, were they not substantiated by men of such exalted position and character, as to forbid the suspicion of untruth. Many eminent clergy men and physicians have lent their names to certify to the public the reliability of our remedies, while others have sent us the assurance of their conviction that, our Preparations contribute immensely to the relief of our afflicted, suffering fellow men.

The Agents below named are pleased to furnish gratis our American Almanac, containing directions for the use and certificates of their cures, of the following complaints:—Constiveness, Bilious Complaints, Rheumatism, Dropsy, Heartburn, Headache arising from foul stomach, Nausea, Indigestion, Morbid Inaction of the Bowels and Pain arising therefrom, Flatulency, Loss of Appetite, all Diseases which require an evacuant medicine. They also, by purifying the blood and stimulating the system, cure many complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Neuralgia and Nervous Irritability, Derangements of the Liver and Kidneys, Gout, and other kindred complaints arising from a low state of the body, or obstruction of its functions.

Do not be put off by unprincipled dealers with other preparations which they make more profit on. Demand Ayer's and take no others. The sick want the best aid there is for them, and they should have it.

Prepared by Dr. J. C. Ayer & Co., Lowell, Mass., and sold by Druggists and Agents everywhere.

Sold at wholesale and retail by Avery, Brown & Co., Halifax, N. S.; Geo. A. Bayard, St. John, N. B.; W. R. Watson, Charlottetown, P. E. I.

WONDERFUL SUCCESS!!

Astonishing Cures!!!

READ WHAT

Rogers & Co.'s Medicines Are Doing for the Afflicted.

CERTIFICATES.

MAITLAND, N. S., August 17, 1865.

MESSES. ROGERS & Co. Gentlemen,—Your Medicines have cured my Wife of a Cancer of the Breast. It had existed about nine months before she began with your medicines, grew rapidly, accompanied by during pains. No doubt it would soon have gone beyond cure; but by a few months faithful application of your medicine she has got entirely well. Your preparations are invaluable, and without hesitation I recommend them to the afflicted.

Yours truly, ALEXANDER GILLIS.

From the Halifax "Citizen."

A VALUABLE REMEDY.—As a general rule we do not endorse editorially any of the numerous notices of popular medicines that from time to time appear in the advertising columns of our paper; but we depart from our usual custom to-day to direct attention to the advertisement of Rogers & Co.'s Medicines, because we believe the facts disclosed in the advertisement are such as to justify if not call for, such special attention. The facts of the case detailed in the advertisement are placed beyond dispute by the certificate of the High Sheriff of Cumberland, and ten of the most respectable and well known citizens of Amherst, so that there is nothing of mere puffing about it, but a truthful statement that ought to be laid before sufferers afflicted as young Copeland was. The character and social position of Mr. Rogers, who is well known over a great part of Nova Scotia, is sufficient to show that this is no mere quack nostrum, made only to sell and put money in the pockets of speculators at the expense of the credulous and unfortunate.

AMHERST, N. S. 7th August 1865.

MESSES. ROGERS & Co. Gentlemen,—Permit me to add my testimony to the great value of your preparation; and any person reading the following account of a cure effected by it upon my son will not dispute my right to do so.

He first fell upon a fork handle in the barn, and hurt his leg a little below the knee; he subsequently took cold, when it began to swell and pain him very much. It soon ulcerated near where it was hurt, and continued to discharge freely, until the calf of his leg seemed to be one mass of corruption. His foot and knee swelled very much, and when we commenced with your medicine was very much inflamed and was evidently upon the eve of mortification. The pain and suffering he endured no pen can describe. He grew weaker daily. Nothing that medical skill and faithful attendance could accomplish was omitted; still he gradually sank, until there seemed but little hope of saving either his life or limb. As a last effort the doctors decided to amputate the leg. This was to have been done the next day, but just at this critical point a kind friend advised me to try your medicine. I concluded to do so, and the leg at once began to improve, and is now well. He goes to school daily.

This is certainly the most extraordinary cure ever made in this country. No person could fully appreciate the sad and suffering condition he was in with out seeing for themselves; to all human appearance he could not have lived a week; there did not seem to be a ray of hope left. Doubtless there are thousands dying whose lives might be spared if they had this extraordinary medicine.

Hoping that God may prosper you in your work of humanity.

I am, Gentlemen, Yours very affectionately,

ALLISON COPELAND.

The mother of a young man whose life is thus spared, who for many weary months dressed and handled that leg, and who shed many, many tears and spent many sleepless nights over it, says to mothers or others similarly afflicted, get this medicine by all means.

KAREN COPELAND.

We the undersigned, inhabitants of Amherst and vicinity—some of us having been eye witnesses to the above distressing case, and all being quite familiar with the facts from common report in this community—have no hesitation in endorsing the above statements of Mr. Copeland.

R. McLEAN, High Sheriff.
 THOS. LOGAN, J. P., late M. P. P.
 R. B. HURST, Clerk of Peace.
 J. T. SMITH, Barrister-at-law.
 W. F. CUTTEN, J. P.
 FRED. W. BENT, Barrister-at-law.
 T. DUNLAP & Co., Merchants.
 ROBERT KELLOR, Farmer.
 ALEX. ROBB, Jr., dealer in Stoves.

We have taken the liberty of adding their official and business position to the above names.

Some of our agents write us that members of the Medical Faculty are among the largest purchasers of our medicines. We are glad they appreciate their healing qualities, and have used them successfully in treating their patients.

Rogers & Co.

Amherst, N. S.

Perhaps the most remarkable case of all we have to relate is that of a son of W. B. Weldon, Esq., of Kouchibouguac, N. B. It is very similar to that of Mr. Copeland above related, but was of much longer standing. He was reduced to a mere skeleton and suffered so much pain that he could not bear the least jar in his room, and was so weak that he could not lift a cup to his mouth to take a drink. He has been taking our medicine about eight months, and can now walk on crutches and is daily improving. Mr. Weldon, is father, in numerous letters to us speaks in the best terms of our medicine and gives us credit for saving the life of his son.

The Widow Bird, of Macan Mountain, was afflicted with a complication of internal disease incident to women, and lay for months at the point of death. The doctors could do no more for her. When she began with our medicine she could not raise her hand to her head, her friends did not expect her to live from day to day. She is now up about the house and improving daily; she commenced with our medicine in February last.

H. H. Read, M. D. Esq., of Windsor, N. S., writes as follows:

MESSES. ROGERS & Co. I have used your Medicine in one or two cases of Scrofulous Sores, and think it excellent, and it is the best thing I know of for removing the stiffening which remains after inflammation of Joints.
