

Great stress seems to be laid in the European and English Papers on some sentences uttered by the Emperor Louis Napoleon, in a speech at a Provincial town on some public occasion. The purport of it was that it was needful that a reconstruction of the Map of Europe, as settled at the celebrated Congress of Vienna, after the final fall of the First Napoleon in 1815, ought to take place. Such language is supposed to imply, that in case of a rupture between Austria and Prussia, France would not look on as an idle spectator, and that whatever side she might take, she would as certainly expect to share in the spoils of war. It is well known that France has always smarted under the loss of certain portions of the Old Empire lying on the Southern banks of the Rhine, acquired from Germany during the old Revolutionary war, but assigned to Prussia by the Congress of Vienna. Whether the ominous words of the silent Emperor, who is called the Man of mystery, really implies all that is imagined, remains to be seen. The storm of war between Austria, Prussia, and Italy, seems ready to burst and deluge half the continent with devastation and blood. Our great hope is that England may not become involved in the conflict."

I have made use of Mrs. JACKSON'S Golden Liniment, in a case of Bronchial Affection arising from preaching, and find it a good remedy for that disease, I know of no remedy so powerful or so efficacious from Sore Throat, Bruises, Diarrhea, &c.

WILLIAM HALL, Baptist Minister.

BEAVER RIVER, N. S.

To W. S. RAYMOND.

Having a gathering coming on my hand which I supposed to be a Felon, I suffered, very severely, from pain for four days and nights, I poulticed it with every thing nameable, and used every thing that I could think of to relieve the pain, and nothing seemed to have any effect whatever. One of my neighbors advised me to use Mrs. JACKSON'S Golden Liniment, which I did, and in twenty-four hours my hand was well enough to perform a days labour, I have used it in a great many instances and found it to be a valuable article. Try for yourselves and you will find the Gold Liniment just what it is recommended, excellent for Sore Throat, Headache, Toothache, Inflammation, it is excellent.

WM. H. PIERCE.

BEAVER RIVER, Township of Clare,
March 25th, 1864

Mrs. W. JACKSON.—Please except the following testimonial, which, if desirable, you can use for the public good:—

I have used, also made more than a score of applications of your Gold Liniment, in cases of Inflammation arising from colds, following cuts and bruises, &c. and in every stage of inflammation even where protracted days and nights have been spent in restlessness, and pain, defying ordinary applications, in every such case when I have used your Liniment liberally applied saturating the under wrapping. The effect in removing the pain and inflammation has been astonishing whoever will try this remedy, will prove inflammation cannot live when brought in contact with it.

Respectfully yours,
IRA RAYMOND.

YARMOUTH CO., N. S.

Mrs. JACKSON.—Having been brought very low by bleeding of the lungs in connection with the Bronchitis for several years, during which time I tried many medicines without material benefit, about seven months since began using your Gold Liniment, and found the bleeding entirely cured, and received great relief otherwise. Also my wife having been for some years troubled with Chronic Rheumatism, has found great relief from the use of the same Liniment.

DR. KNIGHT'S HAIR DRESSING!!

A dressing for Children's Hair, which can be used without fear of injury to its growth or texture, has hitherto been unobtainable. Most, if not all, of the Hair Dressing heretofore sold at the drug stores are composed chiefly of oil and alcohol—ingredients which are antagonistic to the life of the hair. KNIGHT'S Hair Dressing contains neither oil nor alcohol, is purely vegetable in his composition, and is the most perfect hair renewer and invigorator that has ever been made available to the public. Persons whose hair has been thinned by sickness or age should give this preparation a trial, with the assurance that a luxuriant growth of hair will result unless the roots are dead, when such an effect is impossible.

KNIGHT'S HAIR DRESSING

is an elegant preparation, exquisitely perfumed, inclines the hair to curl, will not soil the skin or any other article of apparel, and is fast superseding the pernicious articles which have so long deceived a credulous public.
