Sabbath School Returns.

We beg to remind the Superintendents of Sabbath Schools of the necessity of preparing their Reports and Statistics for the meetings of Sabbath School Convention, in connection with the Baptist Association. It is important that the information be as full as possible. Referring to the Minutes of last year, it will be so what is required. In case there are any who have not a copy of the Minutes at hand, we will mail on the order in which the particulars should be given:

Name of Superintendent.
Number of Male Scholars.
" Female Scholars.
Average Attendance.
Number of Male Teachers.
" Female Teachers.
" in Adult Bible Classes.
Members of Church in Bible Classes and Sabbath School.

Volumes in Library.
Amount expended during the year.

Our Sabbath school operations are a most important department of Christian labor. There are about 107 Sabbath schools in the three Baptist Associations, containing about 7000 scholars, taught by about 700 teachers. We shall be glad to have a fair and correct account of these so as to incorporate it in our yearly record. We respectfully ask each teacher to lend assistance in this matter.

any VIRTUE in

Mrs. S. A. ALLEN'S

WORLD'S

HAIR RESTORER

AND

ZYLOBALSAMUM?

Convincing Testimony.

REV. C. A. BUCKLEY, American Bible Union, N. Y. City, writes: "I very cheerfully add my testimony to that of numerous friends to the great value of Mrs. S. A. Allen's World's Hair Restorer and Zylobalsamum."

REV. WM. CUTTER, N. Y. City: "My hair is changed to its natural color, and growing on bald spot."

REV. J. H. CORSELL, N. Y. City: "I prepared it for a relative. The falling of the hair stopped, and restored it from being grey to its natural and beautiful color."

REV. J. WEST, Brooklyn, L. I.: "I will testify to their value in the most liberal sense. They have restored my hair where it was bald, and where grey, to its original color."

REV. A. WEBSTER, Boston, Mass.: "I have used them with great effect. I am now neither bald nor grey. My hair was dry and brittle; it is now soft as in youth."

REV. H. V. DEGEN, Boston, Mass.: "That they promote the growth of the hair where baldness is, I have the evidence of my own eyes."

Dr. HAMLIN'S

HAND BAG FOR CHOLERA.

CONTAINING all the articles recommended

by Dr. Hamlin, a well known Missionary residing at Constantinople, and possessing large experience in treatment of Cholera. In the Bag are full directions how to proceed in treating an attack, till the Physician arrives—a point of much importance, for as Dr. Hamlin remarks, on the approach of Cholera every family should be prepared to treat it, without waiting for a Physician. It does its work so expeditiously, that while you are waiting for a Doctor, it is done.

The Bag thus fitted out and locked, should be hung up in such a position, that on the slightest alarm it may be at hand. The public will see the immense advantage it will be to each family, to possess in compact form and easy of access, the remedies which have been proved most efficacious with such directions as have in other land saved thousands of lives.

Prepare for the Worst by getting

a Bottle of

LANGLEY'S CORDIAL RHUBARB,

OR

ANTI-CHOLERA COMPOUND.

In the present age of humbug it is hard for a genuine preparation, however good it may be, to escape the open or the covert sneer, and the muttered condemnatory word "QUACK," that many preparations thoroughly deserve on account of their utter worthlessness.

LANGLEY'S CORDIAL RHUBARB

has however managed not only to escape censure, but also to obtain high praise. This it has done simply by being what it purports to be,

A RELIABLE MEDICINE

for a specified complaint. It does not propose to cure a dozen different diseases of most opposite natures, but confines itself with great modesty to one particular class of diseases, viz: those arising from a

DISORDERED STATE OF THE STOMACH AND BOWELS.

This Cordial is therefore good for

Diarrhea, Dysentery and Cholera.

It has been used with great success in the

EAST INDIES,

having been introduced there by officers at one time stationed in this garrison. Lately it has found its way to the

COAST OF AFRICA,

and is there fast becoming esteemed for its curative powers as a specific for Asiatic Cholera. Each bottle has around it a copy of the "Recommendations of the Royal College of Physicians on the subject of Cholera," of itself worth the price of the bottle. Price sixpence a bottle. Liberal discount to dealers.
