IS THERE any VIRTUE in Mrs. S. A. ALLEN'S WORLD'S HAIR RESTORER AND ZYLOBALSAMUM?

Convincing Testimony.

REV. C. A. BUCKBEE, Assistant Treasurer American Bible Union, N. Y. City, writes: "I very cheerfully add my testimony to that of numerous friends to the great value of Mrs. S. A. Allen's World's Hair Restorer and Zylobalsamum."

REV. WM. CUTLER, N. Y. City: "My hair is changed to its natural color, and growing on bald spot."

REV. J. H. CORNELL, N. Y. City: "I procured it for a relative. The falling of the hair stopped, and restored it from being gray to its natural and beautiful color."

REV. J. WEST, Brooklyn, L. I.: "I will testify to their value in the most liberal sense. They have restored my hair where it was bald, and, where gray, to its original color."

REV. A. WEBSTER, Boston, Mass.: "I have used them with great effect. I am now neither bald nor gray. My hair was dry and brittle; it is now soft as in youth."

REV. H. V. DEGEN, Boston, Mass.: "That they promote the growth of the hair where baldness is, I have the evidence of my own eyes."

PERRY DAVIS'S VEGETABLE PAIN KILLER,

The Great Family Medicine of the Age.

TAKEN INTERNALLY, CURES

Sudden Colds, Coughs, &c., Weak Stomachs, General Debility, Nursing Sore Mouth, Canker, Liver Complaint, Dyspepsia or Indigestion, Cramp and Pain in the Stomach, Bowel Complaint, Painter's Colic, Asiatic Cholera, Diarrhoea and Dysentery.

TAKEN EXTERNALLY, CURES

Felons, Boils, and old Sores, Severe Burns and Scalds, Cuts, Bruises and Sprains, Swelling of the Joints, Ringworm and Tetter, Broken Breasts, Frosted Feet, and Chilblains, Toothache, Pain in the Face, Neuralgia and Rheumatism.

The PAIN KILLER is by universal consent allowed to have won for itself a reputation unsurpassed in the history of medical preparations. Its instantaneous effect in the entire eradication and extinction of PAIN in all its various forms incidental to the human family, and the unsolicited written and verbal testimony of the masses in its favor, have been, and are its own best advertisements.

The ingredients which enter into the PAIN KILLER, being purely VEGETABLE, render it a perfectly SAFE and efficacious remedy taken internally, as well as for external applications, when used according to directions. The stain upon linen from its use is readily removed by washing with a little alcohol.

This medicine is justly celebrated for the cure of so many of the afflictions incident to the human family, has now been before the public over TWENTY YEARS, and has found its way into almost every corner of the world; and wherever it has been used, the same opinion is expressed of its medical properties.

In any attack where prompt action upon the system is required, the Pain Killer is invaluable. Its almost instantaneous effect in RELIEVING PAIN is truly wonderful; and when used according to directions, is true to its name, a PAIN KILLER.

It is, in truth, a FAMILY MEDICINE, and should be kept in every family for immediate use. Persons travelling should always have a bottle of this remedy with them. It is not unfrequently the case when persons are attacked with disease, and before medical aid can be procured, the patient is beyond the hope of recovery. It has been used in SEVERAL CASES OF THE CHOLERA, and never has failed in a single case, where it was thoroughly applied on the first appearance of the symptoms.

Pain Killer, taken internally, should be adulterated with milk or water, and sweetened with sugar if desired, or made into a syrup with molasses. For a COUGH, a few drops on sugar eaten, will be more effective than anything else. For SORE THROAT, gargle the throat with a mixture of Pain Killer and water, and the relief is immediate and cure positive.

It should not be forgotten that the Pain Killer is equally as good to take internally as to use externally. Each bottle is wrapped with full directions for its use. PLEASE READ THE PRINTED DIRECTIONS.

WILLIAM HALL, Baptist Minister.

BEAVER RIVER, N. S.

To W. S. RAYMOND.

Having a gathering coming on my hand which I supposed to be a Felon, I suffered, very severely, from pain for four days and nights, I poulticed it with every thing nameable, and used every thing that I could think of to relieve the pain, and nothing seemed to have any effect whatever. One of my neighbors advised me to use Mrs. JACKSON'S Golden Liniment, which I did, and in twenty-four hours my hand was well enough to perform a days labour. I have used it in a great many instances and found it to be a valuable article. Try for yourselves and you will find the Gold Liniment just what it is recommended, excellent for Sore Throat, Headache, Toothache, Inflammation, it is excellent.

WM. H. PIERCE.

BEAVER RIVER, Township of Clare,

Mrs. W. JACKSON.—Please except the following testimonial, which, if desirable, you can use for the public good:—

I have used, also made more than a score of applications of your Gold Liniment, in cases of Inflammation arising from colds, following cuts and bruises, &c. and in every stage of inflammation even where previous days and nights have been spent in restlessness, and pain, defying ordinary applications, in every such case when I have used your Liniment liberally applied saturating the under wrapping. The effect in removing the pain and inflammation has been astonishing whoever will try this remedy, will prove inflammation cannot live when brought in contact with it.

Respectfully yours,

ISA RAYMOND.

YARMOUTH Co., N. S.

Mrs. JACKSON.—Having been brought very low by bleeding of the lungs in connection with the Bronchitis for several years, during which time I tried many medicines without material benefit, about seven months since began using your Gold Liniment, and found the bleeding entirely cured, and received great relief otherwise. Also my wife having been for some years troubled with Chronic Rheumatism, had found great relief from the use of the same Liniment.

CHILDREN TEETHING

MRS. WINSLOW,

An experienced Nurse and Female Physician, presents to the attention of mothers, her

SOOTHING SYRUP.

For Children Teething.

which greatly facilitates the process of teething, by softening the gums, reducing all inflammation—will allay ALL PAIN and spasmodic action, and is

SURE TO REGULATE THE BOWELS.

Depend upon it, mothers, it will give rest to yourselves, and

RELIEF & HEALTH TO YOUR INFANTS.

We have put up and sold this article for over thirty years, and CAN SAY, IN CONFIDENCE AND TRUTH of it, what we have never been able to say of any other medicine—NEVER HAS IT FAILED, IN A SINGLE INSTANCE, TO EFFECT A CURE, when timely used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delighted with its operations, and speak in terms of highest commendation of its magical effects and medical virtues. We speak in this matter "WHAT WE DO KNOW," after thirty years' experience, and PLEDGE OUR REPUTATION FOR THE FULFILLMENT OF WHAT WE HERE DECLARE. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescription of one of the most EXPERIENCED and SKILLFUL NURSES in New England, and has been used with NEVER FAILING SUCCESS IN

Thousands of Cases.

It not only relieves the child from pain but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve

CRIPING IN THE BOWELS, AND WIND COLIC,

and overcome convulsions, which, if not speedily remedied, end in death. We believe it the BEST and SUREST REMEDY IN THE WORLD, in all cases of DYSENTERY and DIARRHOEA IN CHILDREN, whether it arises from teething, or from any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints—DO NOT LET YOUR PREJUDICES, NOR THE PREJUDICES OF OTHERS, stand between your suffering child and the relief that will be SURE—yes, ABSOLUTELY SURE—to follow the use of this medicine, if timely used. Full directions for using will accompany each bottle. None genuine unless the fac-simile of CURTIS & PERKINS, New York, is on the outside wrapper.

Prepare for the Worst by getting

a Bottle of

LANGLEY'S CORDIAL RHUBARB,

OR

ANTI-CHOLERA COMPOUND.

In the present age of humbug it is hard for a genuine

preparation, however good it may be, to escape

the open or the covert sneer, and the muttered con-

demnatory word "QUACK," that many prepara-

tions thoroughly deserve on account of their utter

worthlessness.

LANGLEY'S CORDIAL RHUBARB

has however managed not only to escape censure,

but also to obtain high praise. This it has done

simply by being what it purports to be,

A RELIABLE MEDICINE

for a specific complaint. It does not propose to

cure a dozen different diseases of most opposite na-

tures, but confines itself with great modesty to one

particular class of diseases, viz: those arising from a

DISORDERED STATE OF THE STOMACH AND

BOWELS.

This Cordial is therefore good for

Diarrhoea, Dysentery and Cholera.

It has been used with great success in the

EAST INDIES,

having been introduced there by officers at one time

stationed in this garrison. Lately it has found its

way to the

COAST OF AFRICA,

and is there fast becoming esteemed for its curative

powers as a specific for Asiatic Cholera. Each

bottle has around it a copy of the "Recommendations

of the Royal College of Physicians on the subject

of Cholera,"—of itself worth the price of the

bottle. Price 50c. a bottle. Liberal discount to

dealers.
