

RABBITS FOR THE SOUTH SEA ISLANDS.—The missionary ship John Williams recently paid us a visit; and, while lying at the Sandridge railway Pier, was visited by nearly all the Sunday-school children in Melbourne and vicinity. A number of rabbits have been placed on board the vessel to be turned loose on the different South Sea Islands she may visit.—*Melbourne Letter.*

A good Hair Dressing has long been wanted for use of ladies and children, but it has been unattainable. Most of the so called Hair Dressings sold at the drug stores contain alcohol and oil—ingredients which are destructive to the life of the hair—give rise to many diseases of the scalp, and soil every thing with which they come in contact. Dr. Knight's Hair Dressing is a vegetable preparation, free from oil and alcohol and the most perfect article in the world. It gives the hair a rich and glossy appearance, promotes its luxuriant growth, prevents it from turning gray removes dandruff, cures nervous headache and all diseases of the scalp, is delightfully perfumed and will not soil the finest fabric. It is an honest preparation and as such we commend it.

Dyspepsia can be, and is cured every day by the use of **PERRY DAVIS' PAIN KILLER.** This is the most wonderful and valuable medicine ever known for this disease; its action upon the system is entirely different from any other preparation known. The patient while taking this medicine may eat anything the appetite craves. Get the People's Pamphlet and look at the directions.

Rev. A. Webster, Boston, Mass., writes—"I have used, through the advice of personal friends Mrs. S. A. Allen's World's Hair Restorer and Zylolabsamum, for several months past, with great effect and entire satisfaction. I am now neither bald nor gray; my hair was dry and brittle, but has regained the softness of its earlier years." Sold by all Druggists. Depot, 198 Greenwich st., N.Y.

\$15. VICTORIA \$15.

FAMILY SEWING MACHINE.

The Most Complete and PERFECT MACHINE ever offered to the Public.

The only reliable CHEAP MACHINE in the World.

Our NEW IMPROVED FAMILY SEWING MACHINE is unrivalled for certainty of STITCH and BEAUTY OF WORK.

The Greatest Wonder of the Age!

☞ We challenge the World to produce its equal.

Price Only \$15.00!

UNSURPASSED FOR CERTAINTY OF STITCH!

For Reliability, Ease, Quietness of Movement, and Real Worth, it has no EQUAL.

IN presenting our new "Victoria Family Sewing Machine" to the public, we do so with the utmost confidence in its practical utility.

Being adapted to a very wide range of purposes for general Family Sewing, it is considered, by competent judges, the most simple, effective and reliable Machine yet introduced, making the celebrated Lock Stitch.

It will sew the finest muslins, cambrics and silks, also cottons, woolsens and cloths with equal facility. By its use the tedious and laborious work of a family is rendered a pleasure and a greivous pastime. If the price of our Machines were \$25 or \$30, they would still be cheap compared to the high-priced \$75 Machine, who give ours the preference from the fact of its simplicity of construction, ease of management, and beauty of stitch; being managed by a child of twelve years just as well as by an older person.

Every Machine is perfect, and used with care is WARRANTED FOR THREE YEARS. This is better than all the testimonials and references we can produce.

THE FOLLOWING ARE AMONG THE MANY ADVANTAGES OF THIS EXCELLENT FAMILY MACHINE:

If you buy the Victoria you have a certainty. It is less liable to get out of order, and is so simple and perfect in its mechanism that a few minutes instruction will enable any person to become master of it.

The needle is more rapidly adjusted in the Victoria than in any other Machine, being very simple. It runs quietly and sews rapidly. The most inexperienced persons find no difficulty in using it.

It will sew alike on all kinds of material, from the finest linen bosom to the coarsest woolen fabric; and every kind of sewing silk and thread, from the finest silk to the coarsest cotton and linen, can be used.

We warrant it to sew as handsome, fine and tight a seam, and equal to any of the high-priced machines. It is impossible for this Machine to drop a stitch with the Patent Looper, therefore it can be relied upon in all kinds of sewing, while all other cheap Machines are liable to skip or drop stitches, wherever the work is uneven, or where it is necessary to run one seam across another. For Milliners, Dress or Cloak makers, it is unrivalled.

It makes no difference which way the machine is turned, BACKWARD or FORWARD, it is all the same. It makes a seam which will not rip or rival though every fourth stitch be cut; and it will hem, bind, tuck, fell, quilt and embroider in the most superior manner.

With these advantages we place it fearlessly before the public as the only reliable cheap Machine in the world; in full assurance that its manifold merits must make themselves manifest to a discriminating eye.

Orders by Mail otherwise, will meet with prompt attention—addressed to

NO MORE COD LIVER OIL—GRIM-

AULT'S SYRUP OF IODIZED HORSE-RADISH.—Prepared by Grimault & Co., Chemist of Paris, according to the certificates of the physicians of the Paris hospitals; detailed in the printed directions, and with the approbation of several Academies, this

Syrup is employed with the greatest success, in place of Cod Liver Oil, to which it is infinitely superior. It cures diseases of the chest, scrofula, lymphatic disorders, green sickness, muscular atony, and loss of appetite. It regenerates the constitution by purifying the blood, and is in a word, the most powerful depurative known. It never fatigues the stomach and bowels, like Iodide of Potassium and the Iodide of Iron, and is administered with the greatest efficacy to young children, subject to humours, or obstruction of the glands.—Dr. Cazenave of Saint Louis Hospital, Paris, recommends it particularly in diseases of the skin, to be taken with his Pills mentioned above.

This Syrup of Iodized Horseradish is a capital adjunct to Dr. Lera's Psoepathic of Iron.

GRIMAUT & CO'S DIGESTIVE ELIXIR OF PEPSINE.—Pepsine is the gastric juice itself, rather the active principle purified, which digests food in the stomach. When from various causes, the supply of the digestive fluid is too small, the inevitable consequences are, bad digestion, inflammation of the mucous coats of the stomach and bowels, and in females general derangement. The elixir of pepsine, sanctioned by the Paris Academy of Medicine, speedily cures all such diseases and prevents vomiting during pregnancy and while out sea voyaging.

NO MORE OUTWARD REMEDIES FOR DISEASES OF THE SKIN, BUT ONLY PILLS.—Of Dr. A. Cazenave, Chief Physician of the Hospital Saint Louis, in Paris, Professor of the Faculty of Medicine, Knight of the Legion of Honour, Author of many works on Ringworm, Leprosy, Elephantiasis, or swelled legs, and different other acute and Chronic cutaneous affections.

Dr. A. Cazenave, after considering his whole life in the Hospital of Saint Louis, in Paris, has at last discovered that the real cause of all dermatoses, or skin diseases, is internal; so he and his medical colleagues have at once renounced all external remedies, and given the preference to his Pills at 5 Rupees per green glass box, cash. Printed directions accompany each packet. As the SYRUP OF IODIZED HORSE-RADISH is superior to Cod Liver Oil, and is a very powerful depurative, or purifier of the blood, it is strongly recommended by Dr. Cazenave, to facilitate the action of his skin disease Pills, to use the Syrup of Iodized Horseradish with them, which may also be had at 3 Rs. a bottle cash.

DR. CAZENAVE'S VEGETABLE PILLS.—Superior to all other Pills. A trial would be their best recommendation. Whenever a purgative is required, for bilious and pituitous attacks, these may be safely used, because they cause neither nausea nor colic, and may be taken as digestives at meal, or bedtime. Price 2 Rs. cash per white glass box.

SYRUP OF HYPOPHOSPHITE OF LIME.—This new remedy, most powerful against Phthisis, (Consumption) and the different diseases of the chest, stops quickly their most alarming symptoms. The cough is calmed by it, the nightly perspirations cease, and the patient soon recovers.

The above preparations are from the Pharmacy of GRIMAUT & Co., Chemists, PARIS.
