PERRY DAVIS'S VEGETABLE PAIN KILLER,

The Great Family Medicine of the Age.

TAKEN INTERNALLY, CURES

Sudden Colds, Coughs, &c., Weak Stomachs, General Debility, Nursing Sore Mouth, Canker, Liver Complaint, Dyspepsia or Indigestion, Cramp and Pain in the Stomach, Bowel Complaint, Painter's Colic, Asiatic Cholera, Diarrhoea and Dysentery.

TAKEN EXTERNALLY, CURES

Felons, Boils, and old Sores, Severe Burns and Scalds, Cuts, Bruises and Sprains, Swelling of the Joints, Ringworm and Tetter, Broken Breasts, Frosted Feet and Chilblains, Toothache, Pain in the Face, Neuralgia and Rheumatism.

The PAIN KILLER is by universal consent allowed to have won for itself a reputation unsurpassed in the history of medical preparations. Its instantaneous effect in the entire eradication and extinction of PAIN in all its various forms incidental to the human family, and the unsolicited written and verbal testimony of the masses in its favor, have been, and are its own best advertisements.

The ingredients which enter into the PAIN KILLER, being purely VEGETABLE, render it a perfectly SAFE and efficacious remedy taken internally, as well as for external applications, when used according to directions. The stain upon linen from its use is readily removed by washing with a little alcohol.

This medicine is justly celebrated for the cure of so many of the afflictions incident to the human family, has now been before the public over TWENTY YEARS, and has found its way into almost every corner of the world; and wherever it has been used, the same opinion is expressed of its medical properties.

In any attack where prompt action upon the system is required, the Pain Killer is invaluable. Its almost instantaneous effect in RELIEVING PAIN is truly wonderful; and when used according to directions, is true to its name, a PAIN KILLER.

It is, in truth, a FAMILY MEDICINE, and should be kept in every family for immediate use. Persons travelling should always have a bottle of this remedy with them. It is not unfrequently the case when persons are attacked with disease, and before medical aid can be procured, the patient is beyond the hope of recovery. It has been used in SEVERAL CASES OF THE CHOLERA, and never has failed in a single case, where it was thoroughly applied on the first appearance of the symptoms.

Pain Killer, taken internally, should be adulterated with milk or water, and sweetened with sugar if desired, or made into a syrup with molasses. For a COUGH, a few drops on sugar eaten, will be more effective than anything else. For SORE THROAT, gargle the throat with a mixture of Pain Killer and water, and the relief is immediate and cure positive.

It should not be forgotten that the Pain Killer is equally as good to take internally as to use externally. Each bottle is wrapped with full directions for its use. PLEASE READ THE PRINTED DIRECTIONS.

BROWN'S BRONCHIAL TROCHES.

A Slight Cold, Cough,

Hoarseness, or Sore

Throat, which might be

checked with a simple reme-

dy, if neglected, often ter-

minates seriously. Few are aware of

the importance of stopping a Cough or

Slight Cold in its first stage; that

which in the beginning would yield to a

mild remedy, if not attended to, soon

attacks the lungs.

Brown's Bronchial Troches

were first introduced eleven years ago.

It has been proved that they are the best

article before the public for Coughs,

Colds, Bronchitis, Asthma,

Catarrh, the Hoarse Cough in Con-

sumption, and numerous affections of

the Throat, giving immediate relief.

Public Speakers and Singers,

will find them effectual for clearing and

strengthening the voice.

CHILDREN

TEETHING

MRS. WINSLOW,

An experienced Nurse and Female Physician, pre-

sents to the attention of mothers, her

SOOTHING SYRUP,

For Children Teething.

which greatly facilitates the process of teething, by

softening the gums, reducing all inflammation—will

allay ALL PAIN and spasmodic action, and is

SURE TO REGULATE THE BOWELS,

Depend upon it, mothers, it will give rest to your-

selves, and

RELIEF & HEALTH TO YOUR INFANTS.

We have put up and sold this article for over

thirty years, and CAN SAY, IN CONFIDENCE AND TRUTH

of it, what we have never been able to say of any

other medicine—NEVER HAS IT FAILED, IN A

SINGLE INSTANCE, TO EFFECT A CURE, when

timely used. Never did we know an instance of dis-

satisfaction by any one who used it. On the con-

trary, all are delighted with its operations, and speak

in terms of highest commendation of its magical

effects and medical virtues. We speak in this matter

"WHAT WE DO KNOW," after thirty years' experience,

AND PLEDGE OUR REPUTATION FOR THE FULFILLMENT OF

WHAT WE HERE DECLARE. In almost every instance

where the infant is suffering from pain and exhaus-

tion, relief will be found in fifteen or twenty minutes

after the syrup is administered.

This valuable preparation is the prescription of one

of the most EXPERIENCED and SKILFUL NURSES

in New England, and has been used with NEVER FAIL-

ING SUCCESS in

Thousands of Cases.

It not only relieves the child from pain but invig-

orates the stomach and bowels, corrects acidity, and

gives tone and energy to the whole system. It will

almost instantly relieve

GRIPING IN THE BOWELS, AND

WITH COLIC,

and overcomes convulsions, which, if not speedily re-

medied, end in death. We believe it the BEST AND

SWIFTEST REMEDY IN THE WORLD, in all cases of DYSEN-

TERY AND DIARRHOEA IN CHILDREN, whether

it arises from teething, or from any other cause. We

would say to every mother who has a child suffering

from any of the foregoing complaints—DO NOT LET

YOUR PREJUDICES, NOR THE PREJUDICES OF OTHERS,

stand between your suffering child and the relief that

will be SURE—yes, ABSOLUTELY SURE—to follow

the use of this medicine, if timely used. Full direc-

tions for using will accompany each bottle. None

genuine unless the fac-simile of CURTIS & PERKINS,

New York, is on the outside wrapper.

Sold by Druggists throughout the world.
