MESSRS. ROGERS & Co.—
Gentleman—In reference to the case of EPITHELIO-
 MA OF THE LIP, in which I used your Ointment, I beg

to say that the patient entirely recovered and has continued well ever since. I have also used the Medicine in some cases of obstinate skin disease with much benefit. I believe it to be a valuable remedy in many otherwise intractable cases.

the supply of the digestive fluid is too small, the inevitable consequences are, bad digestion, inflammation of the mucous coats of the stomach and bowels, and in females general derangement. The elixer of pe-

speedily cures all such diseases and prevents vomiting
during pregnancy and while out sea voyaging.
