

A photographer attached to the War Office in England has succeeded in measuring distances and heights by means of the camera, thereby making it a formidable agent in military operations.

FOR SALE,
The Property at Wolfville known
as the
GRAND PRE SEMINARY.

The HOUSE is large and well finished throughout and in good repair, having been thoroughly painted and papered in 1867.

The basement is finished, with a large Dining Hall, Kitchen, Wash room, &c., with a brick furnace, which heats the upper rooms and hall.

There are three flat- above the basement, containing drawing and sitting rooms, with folding doors and about Twenty Bed Rooms of various sizes. Connected with the Dwelling are the usual outbuildings, including a good Stable and Coach House.

The ground contains an ACRE of well cultivated land, including a Garden with a number of Fruit Trees.

The House fronts on the main street in the centre of the Village, and on the corner of a street leading to the rail way depot, which is on the rear of the premises about one hundred yards distant from the House.

It would answer well for a Ladies Boarding School; or for a Railway Hotel or Private Boarding House, which will be much wanted when the canal commences running, which may be very shortly expected.

For further particulars enquire of EDWIN D. KING, Esq., Attorney-at-Law, Halifax, or to either of the Subscribers, at Wolfville.
