Tea will be served from 6 o'clock till 8, in the Lecture Room, at which hour the intellectual and musical part of the exercises will commence in the church. Addresses may be expected from several ministers, and a lecture frou Rev. E. M. Saunders on his late Tour in Great Britain and Ireland. The Choir will also give a selection of pieces suitable for the occasion. Tickets 37½ cents, The proceeds to be devoted to the Ladies Fund towards the new church building.

LIVERPOOL.—On Sunday night, the 4th inst., the three young men, Owen, Hackett and Anderson, who assaulted the Sheriff of Queen's County a few weeks ago, escaped from the jail at Liverpool and are still at large. It is believed that they took passage in a vessel bound to the United States.

NARROW ESCAPE.—On Saturday afternoon a drunken man fell between the platform and the train at Bedford Station and narrowly escaped death. Since the platforms on the Government railway were cut to allow the passage of the large cars of the Annapolis line the greatest care is necessary even by sober people in getting on and off the train, and drunken men would do better not to make the attempt at all.—*Chron.*

Although we do not imagine that any readers of the *Messenger* would require the latter advice, yet we give the caution from our contemporary that they may advise any other persons who need it.

STRUCK OIL.—A gentleman interested in the Lake Ainslie Oil Company received a telegram on Saturday announcing that an oil well had been struck at 560 feet.

HALIFAX COUNTY.—The Court of Quarter Sessions met on Tuesday of last week, and the Grand Jury were addressed by his Honor the Custos, who announced that over five thousand children were receiving education in the Public Schools of the city, at a cost of about ten dollars each annually. In the County outside the city, there were nearly six thousand attending the schools, at an annual expense of about four dollars each. The difference in cost is accounted for by the fact that more expensive school-houses are required in the city. His Honor directed the attention of the Jury to the increase of pauper lunatics in the Asylum, which caused a largely increased tax, and suggested the propriety of adopting some means of reducing this expense.

DARTMOUTH.—The stable of Mr. J. P. Mott, Dartmouth, was forcibly entered on Friday night, and some harness stolen.

ACCIDENT.—On Thursday, a young man named John Barry, a carpenter, fell from a staging on a building near the Provincial and City Hospital and was severely injured.

Corporal Stowe indicted for trial in the Supreme Court upon a charge of having caused the death of a soldier some time since, by directing that he be gagged in the guard room, has been acquitted.

At a recent sitting of the City Council, Alderman Montgomery gave notice of his intention to resign his seat at the Board.

AMHERST.—Mr. John Bent of Salem, Cumberland County, while working over the flume in his saw-mill on Wednesday, fell to the bottom of it, a distance of 14 feet, striking across two pieces of timber. Although severely injured, hopes for his recovery are entertained.—*Gazette.*

GATES'
LIFE OF MAN BITTERS,
FROM THE
Roots and Plants of Nova Scotia,
FORMERLY MANUFACTURED BY
MRS. GATES, OF WILMOT,

WHO was pronounced incurable of Liver Complaint and Dropsy by many skilful physicians; when procuring several receipts from an eminent French physician, she was entirely cured; and afterwards cured hundreds of cases for which at first there seemed to be no hope. We offer these remedies to the public through the persuasion of those who at present consider that they are indebted to them for the preservation of their lives. Many certificates can be given for the cure of the following diseases:—*Dropsy, in its worst form; Liver Complaint, Jaundice, Swelling of the Limbs and Face, Asthma, of whatever kind; Dyspepsia, Billiousness, Spitting of Blood, Bronchitis, Sick Headache, Diseases of the Blood, Female Diseases, Running Sores, Rheumatism, Erysipelas.*

These Bitters are taken in connection with a Syrup to regulate the bowels and purify the blood. We also prepare a LINIMENT and an OINTMENT for external application when required.

The following certificates describe a few of the astonishing cures which have been made by th euse of these remedies:

Falmouth Oct. 26th 1869.

Dr. Gates.

Dear Sir,—In the winter of 1858 my wife was attacked with dropsy affection which threatened a fatal termination, as the best physicians we could obtain failed to afford her any relief, but at last she became so low that they said she might die at any hour. After suffering for many months, she was advised to try your medicine, which she did. And by the blessing of God, was soon cured. She has had her health ever since, and been able to attend to her domestic affairs. The physicians had abandoned the case as hopeless before she tried your medicine, which accomplished what they had failed to do.

I make this statement from a sense of obligation to you and hoping that it may carry valuable information to others similarly affected, and induce them to use the same means of cure.

I would also add that your liniment and ointment are a most excellent cure for rheumatism, and it is a real charm for the severest headache, and also your Plaster is excellent for lame back and side.

I am sir very respectfully
Richard B. Lyon.

This is to certify that I was suffering from weakness and general debility. Having tried many remedies without being benefitted, I was induced to try Dr. Gates' Medicines two years ago, and have enjoyed much better health since using them, than for many years before, and can safely recommend them to the public.

MRS. I. F. PALMER.

Aylesford, Oct 2nd, 1869.

This is to certify that C. Wheelock, of Nictaux in the County of Annapolis, and province of Nova Scotia, have been afflicted with Liver Complaint and complicated diseases 2 years. Have tried different physicians and medicines of various kinds but found little or no relief until I applied to Mr. Caleb Gates for his medicine. After using it I soon found the disease had to yield under his treatment. I write this for the benefit of others who may be afflicted as I have been.

CHRISTIANA WHEELOCK.

August 4th, 1866.

☞ A large number of certificates, similar to the above, have been received and will be published at times for the information of the afflicted and the people generally.

THE GOLDEN ROBIN may be had at the "Messenger" Office 59 Granville St. Halifax
