NEW ADVERTISEMENTS.

Messrs. S. D. & H. W. SMITH,

MANUFACTURERS OF

The American Organ,

would inform the public that, while they are endeavoring with the best light they have to sustain the reputation of their instruments, and to make them in every way more attractive, they

DID NOT INVENT

The PIPES OF PAN, not even the JEW HARP; nor did they serve an apprenticeship with TUBAL CAIN, "instructor of every artificer in brass and iron."

They have, however, "voiced" organ reeds, with a nicety that others have been glad to imitate, not equal, for a great many years, and long before any rival firm in this part of the world had puzzled over the process.

The fortunate person that has in late years "invented" the "voicing" of reeds, as has been absurdly claimed, must have accomplished a feat like that of the witty "AUTOCRAT," who, in speaking of picturesque and out-of-the-way nooks in Boston, says that he was the original discoverer of Myrtle Street! Although the Messrs. Smith have no

PATENTED NOVELTIES

to offer, they beg leave to state that they, many years ago, originated the "IMPROVED TUBE BOARD" and "RESONANT AIR CHAMBER," now pressed into service as "novelties" elsewhere.

The value of these improvements is now fully attested by the efforts of others to filch the credit. Every essential element of the Reed Organ is now open to the use of every builder. There is no secret, nor mystery,—nothing but thorough, intelligent, artistic work. "Patented improvements" are "springs to catch woodcocks."

The American Organ contains all the valuable features thus far combined in reed instruments.

Having the longest experience of any Eastern House, and possessing unsurpassed advantages for manufacture, the Messrs. Smith solicit the most rigid comparison in regard to

Tone, Solidity of Construction and External Elegance.

Desirous of meeting the popular demand for a Good Instrument at a Low Price, they have designed and made a few New Styles, with all solid excellences and in cases of

New and Tasteful Designs,

At Prices ranging from \$100 to \$200.

These instruments cannot be surpassed by any of their class, either in quality or beauty.

An elegantly illustrated Circular, containing descriptions and prices of over 30 styles, will be sent, post-paid on application.

DR. JOSEPH D. DAVIS

WOULD inform the public that after thirty years of study, investigation and practical experimenting concerning that terrible disease

CONSUMPTION,

And the diseases of the anterior and posterior nares, throat, bronchia, lungs, heart, liver, kidneys, and uterus, and twenty years spent in investigating, experimenting and proving, with the medicinal and therapeutic properties of the roots, barks, plants and shrubs, indigenous to Massachusetts, Maine, New Brunswick and Nova Scotia,—he has discovered new remedies, and new modes of treatment, for Consumption, not previously known to Medical Science; and with the large number of cases treated, relieved and cured during the past ten years, in Maine, Massachusetts, and in different sections of Nova Scotia, has proved, beyond the shadow of a doubt, that Consumption, very often in its advanced stages, with his medicines and mode of treatment, can be cured.

He has, at great expense, procured from London, Paris, Vienna and the United States, the finest and most delicate instruments to enable him to thoroughly diagnose diseases.

THE MICROSCOPE for testing the impurities of the blood, urine, mucus expectoration of the lungs, &c., &c.

THE STETHOSCOPE for diseases of the chest and lungs.

THE SPHYGMOSCOPE for estimating the force and character of the pulse.

THE LARYNGOSCOPE for ailments of the throat.

THE RHINOSCOPE for diseases of the nasal passages.

THE OPHTHALMOSCOPE for the eye.

SHELBURNE, April 26, 1870.

DR. JOSEPH D. DAVIS.

Dear Sir: It gives me great pleasure to bear testimony to the wonderful and complete cure your medicines and treatment have effected for me, after having suffered the most severe pain, and been unable to work for over two years, besides losing my eyesight. I am now quite restored to health, able to attend to my business and my eyesight is greatly improved. I attribute this entirely to your medicine, as I had previously consulted many physicians and taken their remedies without any benefit. As you may remember when I first employed you I was at death's door, in the last stage of Consumption, was enormously swelled with dropsy, hardly slept for a fortnight, was extremely weak and no one anticipated my recovery. Should any one doubt this statement I can refer to the Rev. George W. Clark and the Rev. T. Watson Smith, who often visited me during my illness, and you are at liberty to make what use you please of this certificate.

Yours very truly,

CHRISTIAN R. BOWER.

EAGAR'S

Peruvian Bitters!

COMPOUND

Of Peruvian Bark, Sarsaparilla, Dandelion, Wild Cherry, and other valuable remedies.

AN EXCELLENT

Tonic, Appetizer, and Stimulant.

Cures LIVER COMPLAINT, DYSPEPSIA, ACIDITY of the STOMACH, DEBILITY and PAIN in the BACK, RESTORES the VITAL ENERGIES, when exhausted, braces up both the Nervous and Muscular System, PURIFIES the BLOOD, and Restores the Appetite.

Particular attention is called to the fact that the

PERUVIAN BITTERS

are not an Alcoholic preparation, but simply a scientific combination of valuable Roots and Barks, which purifies the Blood and restores the waste, thereby bracing up both the Nervous and Muscular Systems, and giving that permanent HEALTH, STRENGTH and VIGOR, both of mind and body which nature intended man should possess.

This BITTERS is not sold as a specific for every disease, but in cases of GENERAL DEBILITY and its effects, such as Dyspepsia, Loss of Appetite, Weakness of the small of the Back, Weak Memory, Indisposition for Exertion. Sense of Fullness after Eating, &c., caused by anxiety over exertion, mental or bodily, late hours, and excesses of every kind, it has no equal.

Although these BITTERS contain no Alcohol, they will most actually wean the taste from Stimulants and enable the system to dispense with them at once.

The proprietor, although averse to the practice of puffing any medicine, feels it his duty to give publicity to the following certificates.—Hundreds could be added, but such names as Dr. How, Professor of Chemistry at King's College; Capt. Hardy, R. A.; Mr. Solomon, Lunenburg; and Dudley de Chair, Esq. Halifax, will be sufficient to establish its reputation as a reliable and valuable medicine.

CERTIFICATES:

I have found Mr. Eagar's PERUVIAN BITTERS beneficial to myself and in my family, and have heard of their being used with good effect in another case in Windsor.

Signed, HENRY HOW, D. C. L.
