American Organs.

A New and Popular Series of
Instruments.

The Manufacturers, desirous of meeting the
general desire for organs with all substantial
excellences and at a moderate price, have de-
signed and made a series of styles that are
in all respects superior to any instrument at
similar price; namely from \$10 to \$200.

Not only are the cases of new and tasteful
designs but every part of the mechanism has
been subjected to the most careful scrutiny in
order to combine all the elements that can be
looked for.

Numbers One, Two and Three are designed
for private use. Number Three has a new and
exclusive Stop, named

THE KALOPHON.

The tone possesses a most fascinating quality,
closely resembling the real VOX HUMANA
being delicate and sympathetic, and free from
the disagreeable tremor that attends most of the
miscellaneous VOX HUMANA stops.

Numbers Four and Five, will be found especially
effective in churches of moderate size.

Number Four has an Octave of Sub Bass, and
Number Five both Sub Bass and an Octave
Coupler, giving a great increase of power, but
with no sacrifice of sweetness.

LARGER AND MORE COSTLY STYLES
are also offered, of which the catalogue of
the manufacturer will give information. Send
for circular! Address

GATES'

LIFE OF MAN BITTERS,
FROM THE

Roots and Plants of Nova Scotia,
FORMERLY MANUFACTURED BY

MRS. GATES, OF WILMOT,

Throw aside prejudice. Buy and use the
best Medicines ever offered to the public, as
multitudes that have proved them to be, are
daily declaring. We now ask you dare ques-
tion the truthfulness of this assertion? Can
there be found a man so devoid of principle
that could be induced to deny one statement
that has ever been made relative to what our
Medicines have done, and will ever

continue to do, when taken, and used according
to the prescribed instructions? Such an one
cannot be found; and why? Simply because in
this advanced stage of the 19th century, with
all its giant intellects at work doing their ut-
most to educate man and infuse right principles
throughout the entire universe, no species of
humanity would willingly betray such unparal-
lled depravity as to withhold by falsehood
from their poor suffering fellow beings that
which every physician aims at, viz to restore
nature to its own state—which is all we claim
to do.

Our medicines are extracted entirely from the
roots and plants of the vegetable kingdom, such
as Lic of Man roots, Sarsaparilla, Consumption
roots Male and Female Nerve root, &c., which
make up our compound of different remedies,
has been thoroughly tested for 25 years,
in some of the most severe and apparently
hopeless cases, which a few of the numerous
certificates we possess and here submit loudly
testify. No colonel. No mineral of any kind.
These medicines being made in a liquid, are
easily taken even by children, and will operate
as a mild and gentle physic, without griping or
pain, and will not, like other medicines, leave
the stomach and bowels in a worse state than it
found them, but will impart to them a healthy
tone, and vigor before unknown. There is no
doubt about it, if you are sick and feeble and
your digestive functions are impaired, your
blood impure, stomach unable to digest your
food, and nervous system generally prostrated,
this is the medicine you want to stimulate your
stomach and liver to healthy action, create a
desire for food that will digest, strengthen and
build you up. These medicines are confidently
recommended for all kinds of humors, bilious
diseases, sour stomach, headache, dizziness,
heartburn, and all impurities of the blood. All
admit so effectual a remedy for dropsy never
was known. If your liver is torpid and in-
active, if you are troubled with jaundice, only try
our medicines, be cured and believe. Ladies
