

In Lower Aylesford, March 20th, after a lingering illness by consumption, borne with quiet submission to the Divine will, Mr. Edwin Alonzo Bent, aged 27 years, Mr. B. has left a sorrowing and lonely widow—both their children having died previously—but she is cheered with the consoling hope, that for him "to die is gain."

On the 7th inst., Margaret, wife of deacon Charles Bacon, of Falmouth, sweetly fell asleep in Jesus, aged 32 years. Mrs. Bacon in company with her sister, Abbie Aylward, was baptized by the late Rev. Wm. Burton, and united with the Baptist Church in Falmouth, and it can be truly said that their path was "as the shining light, that shineth more and more unto the perfect day." It has been the writer's privilege to be acquainted with sister Bacon for two years and a half during which time, her solicitude for the church—her enjoyment in listening to the gospel, her considerate encouragement for her Pastor—her gentle warnings to the wandering and ever shining Christian light in the home circle have greatly endeared her to all. Her sister Abbie crossed over the Jordan only a few weeks before her, and now on the other river shore, they serve Emmanuel without fear of coming trial. An address was delivered on the occasion from the words, "The Master is come, and calleth for thee." Rev. D. M. Walton, also being present and adding comforting words.—*Com. by Rev. J. Murray.*

On the 4th of March, 1873, at Watford, Digby Co., Mrs. Almira Nicholas, wife of Mr. Henry Nicholas, and eldest daughter of deacon Jacob and Fannie Denton of the above named place. In 1852 our dear deceased sister came to the 1st Baptist Church of Digby Neck, and told what "great things the Lord had done for her," and requested baptism. She was received and on the 26th October, 1852 the writer baptized her. During her eleven years connection with the Church, our sister by her generous love for all—and piety toward God, earned for herself an exalted place in the esteem of all who had the pleasure of her acquaintance. Her sickness was protracted and severe, she however bore it with patience and resignation to the will of her Lord. She died rejoicing. Her last words were "Glory to glory." A sermon was preached by her Pastor from Luke xxi. 36. At her burial, March 9th, the Rev. Mr. Doonin (Weston) took part in the exercises. Our deceased sister has left an affectionate husband, dear parents, one sister and two brothers and numerous relatives, and friends to mourn their loss. May God sanctify her death to all is the prayer of the writer.—*Com. by Rev. J. C. Morse.*

THE PEOPLE'S Steam Washer.

PATENT APPLIED FOR

The Cheapest, most Convenient, and Serviceable Washer in Existence.

It is established beyond a doubt, that Steam will cleanse clothing more completely, and at far less cost, than any other agent. An improvement has just been invented in this province, which combines more advantages than any other Clothes-Washer, and may be made at less expense.

It is so simple that it cannot get out of order, and any one may work with it. Needs no rubbing of any kind; does its work in less than an hour, and requires no attention; saves greatly in fuel, soap, time, hard labour, and wear of clothing; can be made by any Tinsmith and at cheap rates.

THE PEOPLE'S WASHER

Is the only Steam washer that can be made to fit any cooking stove Boiler, that can be cleaned and dried in all its parts after using, and that may be used admirably as a steamer for cooking food. Moreover it is invented and may be obtained in our own Province, thus saving freight, duty, &c., in importing from abroad. It has no wheels, pipes or other machinery. Does its work by making the steam circulate thoroughly and rapidly through the clothing. Persons who already own Cooking-Stove Boilers may have a Steam Washer to fit for \$4. Send size of Boiler, inside at the top. If a round Boiler, give size across the mouth. If oblong, see that the sides are straight, and measure both length and breadth. For Washer and Boiler I charge \$5.00. Every woman should own a Washer. I will send these at cheapest market rates. For all orders accompanied with the cash, I will send the Washer with full directions to any part of the Dominion.

I invite correspondence from Agents everywhere. To them this Washer will be a source of wealth, as I leave a good margin for profits, and the PEOPLE'S WASHER must sell universally, for it

Combines more good qualities and costs less than any other.

I will dispose of County rights to any who are prepared to give time and energy to an Agency.

Address, N. E. WHISTON, DARTMOUTH, N. S. Having used the People's Steam Washer, I certify that it has given every satisfaction. Mrs. J. E. LAWSON, Dartmouth, March 24th, 1873.

W. WHISTON.—It is with great pleasure I recommend your Steam Washer, as it has given me perfect satisfaction, saving labor, time and soap. Most assuredly any house keeper should have one. ALMA RUSSELL, Dartmouth, March 31st, 1873.

It is with pleasure that I recommend your Steam Washer. Every House-wife ought to possess one. I have used it several times with the utmost satisfaction. It not only cleanses the clothes thoroughly, but is a great saving of time, labor and expense. With a finger any lady might do her own washing. FANNIE WISEWELL, Dartmouth, March 28th, 1873.

N. B.—Other Certificates furnished if required. I warrant every Washer to do all that is here promised, if my directions are followed. April 2. 3 ins.
