THE HORSE DISEASE.

IMPORTANT FACT!!!

(From the London "Field" dated 15th July, 1863.)

"At the last meeting held in London by the delegates from the different Chambers of Agriculture throughout the Kingdom, it was shown by the Statistics of each County, that in the Counties where the North British Cattle Food Co's food had been used no fatal cases of plague had occurred; on the other hand where this food had not been used the Cattle mostly succumbed to the disease."

WE all know that prevention is better than cure. The Nutritious Condiment was better health and more able to stand the ravages of disease, when contracted, and also by its use they were less liable to be afflicted with the disease.

VETERINARY SURGEONS APPROVE OF ITS USE.

Veterinary Surgeons, together with Physicians, Professors of Chemistry and men of science testify to the use of the Condiment both for its fattening and healthgiving properties.

Dear Sir.—I have much pleasure in testifying to the many excellent qualities of the Nutritious Condiment for which you are agent, I have given it a fair trial, and find it very good for all kinds of cattle and horses. You are at perfect liberty to use my name in strongly recommending it as one of the most beneficial things of the kind ever introduced into this province.

JOHN NORTHRUP.

Newport, Co. of Hants, N. S.

26th August, 1872.

Halifax, N. S., 1st August, 1872.
We, the undersigned citizens of Halifax, having used the North British Cattle Food Company's Nutritious Condiment for Horses and Cattle in our stables, do hereby certify that we are perfectly satisfied with the results. We believe that it fully remedies all that is claimed for it in the Company's Circular, and that it is the best thing of the kind yet introduced here.

We do cheerfully and confidently recommend it to all who have any regard for the well-being of their cattle.

BAPTIST LITERATURE.

The Bible and Publication Society have their

HEAD QUARTERS

for New England, and the Maritime Provinces

At No. 2 Tremont Temple, Boston, Mass.

They are prepared to supply Churches, Ministers and Sunday Schools, with denominational

BOOKS, TRACTS, PAPERS,

SUNDAY SCHOOL LIBRARIES & SUNDAY

SCHOOL REQUISITES,

all kinds of HYMN BOOKS, &c. &c.

Special attention given to selecting Sunday School Libraries.

Besides our own Rich List of Sunday School Books we furnish the publications of all other publishing houses which are suitable for

BAPTIST SCHOOLS.

In the limited time at the command of pastors and committees it is almost impossible to

AVOID MISTAKES in selecting books. In many Baptist Sabbath School Libraries are books containing

PERNICIOUS ERRORS.

When the pastor preaches the truth on Sun-

day, these books are publishing error ALL THE WEEK. Libraries exclusively made up of (so-called) Union Publications omit a large part of God's truth.

The Publication Society therefore renders the Sunday Schools an invaluable service, in offering to select libraries for our schools, composed in part of our own Baptist Book, and in part of the Publications of other Societies, a choice known to be free from erroneous teaching.

For the last five years, the Society has employed an Examining Committee, who

Carefully Read Every Book Published

by the various publishing houses in all the country. The excellent are kept on hand. All others are rejected.

THE ADVANTAGES SECURED by sending orders to the Publication Society, and entrusting the selection to their judgment, are

1. All Books of a worthless character are avoided.

2. No Volume is admitted that does not contain Religious and Moral Truth.

3. Baptist Schools will be saved from the Great Evil of PEDOBAPTIST BOOKS.

4. Dull Books, that would be useless to any Library, are excluded.

The work of selecting these Libraries in each of the Society's Depositories is under the direct personal supervision of a thorough Sunday School man, whose experience in this class of literature, and familiarity with the books of all publishers, will guarantee that none but RELIGIOUS BOOKS shall find a place in the Libraries which we make up.

Purchasers ordering through us will please specify the following particulars:

1.—How much they wish to expend in books.

2.—What books ALPHABETICALLY arranged, they have now on hand.

We cannot avoid duplicating without you send us an alphabetical list of the books already in your library.

3.—What proportion of the new books is desired for the smaller, and what for the larger classes.

GIVE US A TRIAL. WE GUARANTEE SATISFACTION.
