St. John, N. B., March 26, 1873.

Messrs. R. C. MARGESON & Co.—Gentlemen:—I have been afflicted with gravel and stone upwards of a year and a half. Tried everything I could hear of for its relief without avail. Saw your advertisement of Calculifuge in the Halifax papers; took three bottles according to directions, and in the short space of four weeks am entirely cured. I willingly add my testimony to its value, and heartily recommend it to all afflicted as I have been.

(Signed) DAVID COLLINS.

Formerly Harnessmaker, St. John, N. B.

Messrs. R. C. MARGESON & Co.—Dear Sirs:—Please accept this testimony from one who has been suffering for upwards of five years from Gravel and Stone in the Bladder, and was advised by my friends to try your Calculifuge. I did so, and am happy to say that after using the two bottles you sent me last summer, it entirely cured me. I passed five stones the size of small peas, and upwards of a wine-glassful of smaller ones and gravel, and will send them to you by the first chance. I would advise all that are suffering with the same complaint, to secure your valuable medicine at once, as it has been the sole means of curing me. I will take pleasure in giving all the information I can to all that will call to see me at my house.

I remain yours,

ANDREW CRAWFORD.

CHEZZERTCOOK, March 3, 1873.

Messrs. R. C. MARGESON & Co.—Dear Sirs:—I was a great sufferer for upwards of eighteen years with that most distressing complaint the Gravel. Tried many kinds of medicine as well as different Doctors, but got only temporary relief at short intervals. I saw your medicine advertised called Calculifuge, as well as different certificates from those who suffered with the same complaint. Feeling encouraged, I resolved to try it, and after taking three bottles, I found myself nearly cured, and am of the opinion that the fourth bottle will make a final cure.

Wishing you every success,

I remain yours,

Provincial Medical Board.

THE following resolutions were passed at the recent meeting of the PROVINCIAL MEDICAL BOARD, and ordered to be published for the information of the profession:—

Whereas, The Medical Act of Nova Scotia requires a full and complete list of the regularly qualified Medical Practitioners in Nova Scotia to be made and published annually.

And Whereas, A number of the medical men in the Province have failed to make a return to the Registrar of their names, qualifications, &c., &c., as required by a recent order of this Board, thereby delaying the publication of the Medical Register as by law required.

Therefore Resolved, That all medical practitioners who have not complied with the order of this Board be requested to do so immediately, as the Register will be closed for this year on the first day of July, and immediately afterwards published.

Resolved, That the following epitome of sections of the Act from 22 to 28 be published for the information of the profession and the public:—

"On and after the first day of May, 1873, every Medical practitioner whose name appears on the Medical Register of the Province, is duly qualified and licensed to practice Medicine, Surgery, and Midwifery in the Province of Nova Scotia, and none but legally qualified practitioners can hold public offices, sign certificates or collect fees in a Court of Law."
