

Local News.

The Atlantic Cable charges have been reduced to fifty cents per word.

JOURNALISM.—The "Evening Express" has been discontinued.

The "Citizen" has changed from a tri-weekly morning paper to a daily evening paper. Halifax has now five daily papers—two morning and three evening.

AN AGED CITIZEN GONE.—Mr. John Parker who for many years was one of the most prominent victuallers of the city, and more recently one of the city flour-weighters, died on Wednesday last, at the advanced age of 92 years. He was much respected.

THE SUMMER ARRANGEMENTS ON the Railways commence this week. The night train between Halifax and St. John has been resumed, leaving Richmond Depot at 5.15 P. M.

A HARBOR EXCURSION BOAT.—The stock has been taken for the purchase of a new boat for this purpose. \$4000 in 80 shares of \$50 each. A suitable steamer is to be purchased at Portland for \$3000. It will doubtless be a successful speculation.

ALDERMAN C. C. VAUX was elected to the Secretaryship of the City School Board. There were twenty-four applicants for the office, one of whom was a lady.

OXLEY'S WHARF was sold at Auction last week for the sum of \$42,000, and the shops at the head of it for \$6,100.

POINT PLEASANT PARK.—At a meeting of the City Council on Tuesday last a letter was read from Sir William Young suggesting the opening of an entrance from Park street to the Point Pleasant Park, and offering to contribute \$2000 for that purpose. The whole cost would be between \$3000 and \$6000. The consideration of the matter was deferred till next meeting.

THREE POLICEMEN were required last week to fill vacancies in our city force. There were thirty-five applicants for the offices.

APPOINTMENTS.—PROVINCIAL SECRETARY'S OFFICE, Halifax, 28th April, 1875.—*Inverness Co.*—To be a Justice of the Peace, Angus McDonald, of Port Hood. To be a Coroner—Donald Chisholm, Esq., M. D. To be a Commissioner of Schools for the Southern District—Donald Chisholm, Esq., M. D.

Rev. A. W. Nicholson, A. M., Editor of the *Provincial Wesleyan* has gone to Toronto, to represent the Methodists of Nova Scotia at the General Conference to be held on the 7th of May. From Toronto he will proceed to Richmond, Va., to attend the Young Men's Christian Association International Convention.

Y. M. C. A.—At the Quarterly meeting last week J. S. McLean, Esq., J. B. Morrow, Esq., and Rev. A. W. Nicholson, were elected representatives to attend the International Convention, to be held at Richmond, Va.

WRECKED.—The steamer *Alhambra* went ashore at Cape Sable on Sunday afternoon at 5 o'clock during thick weather. Fifty-two passengers and crew all saved. The cargo will be saved in a damaged condition. The ship will probably be a total loss. She has been running between Halifax, Boston, and P. E. Island for the past seven or eight years.

The steamer "NOVA SCOTIA" for England, will not leave until Friday, at noon. Owing to the steamer "Polynesian" and other ships of the Allan line, not being able to reach Quebec on account of the ice blockade, the "NOVA SCOTIA" will have to go to Portland to take the Canadian mails of Saturday for England.

DARTMOUTH.—The Annual Town meeting was held on Tuesday afternoon and evening. A large number of ratepayers were present. The Warden's report, and the estimates for the ensuing year, amounting to \$16,000 were submitted and discussed. The estimates were approved of, and an additional expenditure of \$25,000 for bringing the water into the town, was authorized by a vote of 77 to 16. The following resolution respecting the Ferry question, which was discussed during the evening session, was adopted by a very large majority:—

Resolved, That we, the undersigned, authorize the Warden and Council to act upon the report of the Steam Ferry Committee presented to the meeting, and to take such steps as may seem best to accomplish the plan therein developed, and obtain the passage of such Acts of the Legislature as will render legal the carrying out of the scheme.

The object of this action was to make the Ferry a part of the Corporation arrangements.

PICTOR.—A boy named Foster Evans had a very narrow escape from drowning while engaged running on oaken of ice. Happening to step on a rotten cake, he went through, and but for the presence of mind of a young man named Andrew Turnbull, he would undoubtedly have been drowned.

CANOE.—A verdict of wilful murder of her illegitimate child has been returned against Selina Jounie.

TRUHO.—An inquest was held on Friday last on the body of a married man named George Rounds, who was found dead in a barn in the rear of the Grand Central Hotel, with his face in the hay. "Death by suffocation, caused by a fit" was the verdict.

The Provincial Secretary proposes to save next year \$13,000 on Public Printing!

Mr. Graham, proprietor of Graham's Pain Expeller, is visiting the upper provinces for the purpose of introducing his valuable medicine.

It is a gentleman of experience and energy, and vends one of the best medicines now in use. We speak from personal knowledge, as we have seen it put to the test.—*Peticodiac [N. B.] Journal.*
