

# EAST INDIA HEMP,

AND WHAT WE KNOW ABOUT IT.  
Instead of devoting a column to the merits of this strange and wonderful plant, we remain silent and let it speak for itself through other lips than ours, believing that those who have suffered most can better tell the story. We will here quote a word from letters recently received, simply adding our testimony to the rest in saying, that when this plant is properly prepared, we know that it positively cures consumption, and will break up a fresh cold in twenty-four hours.

ST. MARY'S CHURCH, Alleghany City, Pa., Nov. 10, 1874.

The East India Hemp has been taken by Rev. Matthias Binler, O. S. B., and Rev. Sebastian Arnold, O. S. B., both assistant pastors of this church, and so far has given relief to both. They suffered from affection of the lungs and bronchial organs. We have recommended charity sufferers, to the Cannabis Indica to different persons, and continue the same in good conscience, knowing the effects by experience. Please find inclosed check for twelve bottles of syrup, pills and ointment. We shall inform you in due time what further success the medicine shall meet with.

Yours truly,  
REV. FERDINAND WOLF, O. S. B.,  
87 Washington Street.

CHINA GROVE, ROWAN CO., N. C.,  
Oct. 21, 1874.

Send one dozen Ointment and one of Cannabis Indica. When Mr. J. W. Fisher brought his wife to me for examination, I found her in the incipient stage of tuberculous consumption. Then it was I concluded to make a fair trial of Indian Hemp, and now there is a general demand for those remedies. The ointment excels everything and anything of its kind I ever saw or tried, in many cases it acted like a charm.

Fraternally yours,  
P. A. SIFFORD, M. D.

RIDGEVILLE, CASWELL, N. C.,  
Sept. 12, 1874.

Inclosed is \$10 for more of the Indian Hemp. I can truly say that the medicine has done me more good than all the doctors, and I had several of the best in the country. My cough is a great deal better, and my chills and night sweats are gone. You may look for several orders soon, as many have seen the effect of this medicine on me.

W. A. FULLER

COLUMBUS, O., Oct. 30, 1874.

Your treatment for consumption has so improved my condition, that the inquiry comes every day from my friends. What are you taking? Several are talking of sending for some of your medicine, and James Huff desires me to order for him \$9 worth of the Hemp.

WM. HUNT, North High Street.

P. S.—It is my opinion that an agent at this place would sell considerable for you.

W. H.

DECHERD, Franklin, Tenn.,  
Sept. 12, 1875.

Send three more bottles of your consumption and bronchitis cure. My son began taking the Hemp last night three weeks ago, and he is improving rapidly. The last ten days have made him look and act like another person. I have great hopes.

# VEGETABLE PULMONARY BALSAM.

THIS standard remedy for coughs and colds and other pulmonary and bronchial ailments, was first put before the public in 1826 and ever since then, a period of half a century it has maintained and increased its reputation.

In the meantime, probably thousands of so-called cough remedies, under every conceivable name, have appeared, been puffed, had their day, and most of them sank into the oblivion from which they never should have emerged to cheat invalids with false hopes of cure.

Though no infallible virtues are claimed for this medicine it is but just to say that it possesses the following excellencies—  
1. On many cases of cough it exerts an almost specific remedial influence, and the cases are very few which it quite fails to benefit. Long standing cases and those of aged persons are almost always greatly relieved.

2. Its action is speedy and pleasant; its taste is not disagreeable; and its dose is small. The last point is sure to be appreciated by the invalid.

3. It has received medical sanction, and has been frequently prescribed by some of our leading physicians.

Add to the above that, when the smallness of its dose is considered, it is even cheaper than the common 25 cent Cough Drops and Syrups, of the Druggists.

This remedy has held its way and attained its present reputation by its own merit, with little aid from advertising. It has an established sale, and those who know it will always use it when they need such aid.

But while our climate remains what it is, the army of sufferers from throat and lung complaints will always be a large one, and continually reinforced by new recruits. That all such may be acquainted with this reliable medicine is the aim of this advertisement.

Price 50 cents and \$1.00 per bottle.

BLACK ROCK, FEB. 4TH, 1876.

MR. NEILY, DEAR SIR,—

Yours,

MRS. L. SWEET.

This is to certify that I am using one of the ROYAL MACHINES in my family. It does fine work splendid and I make all my Carriage and Sleigh Cushions on it; and it is always ready for use.

Yours,

W. P. BENNETT,

Carriage Maker,

# STOLEN

From the Office or Safe of the Store of the Subscriber on the 28th or 29th of January, a Cash Box or tin Safe of about 11 inches in length 6 inches in width, and 4 inches deep, the said Box contained when taken some two hundred Notes of Hand of various amounts and dates. Some of said notes were drawn in favour of CHUTE & DUNN. A large number of them payable to H. H. CHUTE, and a number drawn in favour of other parties and indorsed by them to the value of some 10 or 12 thousand dollars. Also, a large number of old bills of exchange to the amount of some 20 or 30 thousand dollars, but of no value to any person, and also various other valuable papers, the above described Box was used on Friday about 11 o'clock, but was not missed from the Office or Safe in which it was invariably kept until Saturday evening. It is very evident that the Box was taken in the day time as the Safe is in the Office of the Store and invariably locked at night. As also the Store locked and barred and had not been broken into.

The Subscriber will pay the sum of one hundred dollars to any person who will return the Box and papers, or to any person or persons who will give such information as will lead to the recovery of said Box and its contents. As the papers are of no value to any other person but are of great value to me.

MESSRS. C. GATES & CO.

Gentlemen:—This to certify that I have been afflicted for several years with pains in my side and back, a bad cough, weak lungs, liver complaint, and a number of other diseases, all at the same time, and tried the medicines of our most skillful physicians in our place and elsewhere, but received no permanent relief; and, when the doctors had given up doing anything for me, as they could do no good, I procured, through a friend who advised me to try your medicines, some Bitters, Syrup, Plaster, Ointment and Liniment, and after I had used several bottles of your Bitters and Syrup, a bottle or two of your Preventative, and applied your Ointment, Liniment and Plaster to the affected parts, I became strong again and was restored to usual good health.

I began to improve after I had used but a few bottles, etc., etc. I believe that if I had not got the medicines when I did, I could not have lived longer than two months, so feeble and debilitated was my condition and state of health.

I can cheerfully recommend those suffering as I was to procure your Medicines at once, as I am confident they will receive a great amount of benefit from their use.

Yours very truly,

JULIETTE L. MORSE.
