PICTOU.—The new steamer "Mayflower," crossed the harbor on Friday, cutting her way through the ice in magnificent style, while teams were crossing on the ice near by. The boat is to run regularly. It is a complete success.

WINDSOR.—On Monday morning, about daylight, the big dam which backs about twenty miles of the Ponhook Lakes was burst by the immense quantity of water caused by the freshet. The water rushed down the river St. Croix with fearful velocity, carrying all before it. About two million feet of logs had been placed near the river, waiting to be driven to the mills when the spring opened. These were all carried away, and were mostly owned by Mr. Ellershausen. The dam of the St. Croix saw mill was broken and the mill badly damaged. The next to suffer was the paper mill. The dam was swept away and a great quantity of heavy machinery, which had been saved from the fire a few months ago, was also carried down the river. A mile further down, two other dams were broken and the logs jammed against the abutments of the bridge, which had to give way to this great weight.

We are glad to learn however that Mr. Ellershausen's loss by the freshet is much less than it was at first reported to be. It is now believed that the whole loss will not be more than $10,000, less than half of which is Mr. Ellershausen's.

Captain Edward Scott, late of the Allan steamship Phœnecian, has been knighted by the King of Italy, in token of the good service he rendered the cause of Italy under General Garibaldi, especially in transporting upwards of nine housand troops during one of the campaigns.

Rev. James Rosborough Presbyterian minister at Musquodoboit had a narrow escape from being drowned on Monday 27th ult. He had preached the evening before at Jeddore. The next day he left Mr. Henry Mitchel's house between twelve and one o'clock, driving slowly, the roads being heavy. During the night the under works of the bridge had been injured by the high wind and ice. He was not aware of this, and came upon the bridge feeling quite safe. When the horse was nearly across the first span, crash went the bridge, plunging horse and wagon and minister in the water, some ten feet below. Mr. Rosborough seized a falling plank, and got upon it. Another fell across it directly in front of him; and upon these two planks he supported himself until two of Mr. William Guild's sons launched their boat and took him off. The horse floated about three rods below the bridge, when he sank and was seen no more.

ANOTHER VICTIM.—On Sunday evening a man named Bernard McGuire, who resided near Windsor Junction, was walking from Bedford to his home when he fell over an embankment near the rifle range, and was fatally injured. It is said that the deceased was under the influence of liquor when the accident occurred.

GREAT CONDITION MEDICINE.—As a condition medicine for Horses "Darley's Condition Powders and Arabian Heave Remedy," has no equal; its effects in this respect are astonishing; many horses that were supposed to be broken down and almost worthless, have by the use of a few packages been restorted to a healthy and sound condition, all traces of the disease having been completely removed, and have been sold for from $50 to $75 more than they would previously have brought; when you want a horse medicine get "Darley's Condition Powders and Arabian Heave Remedy," we know you will be perfectly satisfied with the result. Remember the name and see that the signature of Hurd & Co., is on each package. Northrop & Lyman, Toronto, Ont., proprietors for Canada. Sold by all medicine dealers.

ELECTRICITY! THOMAS' EXCELSIOR ECLECTRIC OIL!—WORTH TEN TIMES ITS WEIGHT IN GOLD.—Pain cannot stay where it is used. It is the cheapest medicine ever made. One dose cures common sore throat. One bottle has cured bronchitis. Fifty cents' worth has cured an old standing cough. It positively cures catarrh, asthma and croup. Fifty cents' worth has cured crick in the back, and the same quantity lame back of eight years' standing. The following are extracts from a few of the many letters that have been received from different parts of Canada, which, we think, should be sufficient to satisfy the most sceptical: J. Collard, of Sparta, Ont., writes, "Send me 6 dozen Dr. Thomas' Eclectric Oil, have sold all I had from you, and want more now; its cures are truly wonderful." Wm. McGuire, of Franklyn, writes, "I have sold all the agent left, it acts like a charm—it was slow at first, but takes splendidly now." H. Cole, of Iona, writes, "Please forward 6 dozen Thomas' Eclectric Oil, I am nearly out, nothing equals it. It is highly recommended by those who have used it." J. Bedford, Thamesville, writes, "Send at once a further supply of Eclectric Oil, I have only one bottle left. I never saw anything sell so well and give such general satisfaction." J. Thompson, Woodward, writes, "Send me some more Eclectric Oil. I have sold entirely out. Nothing takes like it." Miller & Reid, Ulverton, P. Q., write, "The Eclectric Oil is getting a great reputation here, and is daily called for. Send us a further supply without delay." Lemoyne, Gibb and Co., Buckingham, P. Q., write, "Send us one gross Eclectric Oil. We find it to take well."

Sold by all medicine dealers. Price, 25 cts.

She was one of the Martha class of women, and many persons when they see this notice will recollect how careful and kindly she made her house a home for strangers.

At Isaac's Harbour, on the 9th of Jan., 1876, Deacon James Clark, aged 79 years. He was born in Antigonish, but early in life remove to Mabou, C. B., when later in life, after having married and become the head of a family, he was converted and baptized by the late Mr. McLearn. Not long after his conversion, having the confidence of his brethren, he was elected to the office of deacon, which office he filled in connection with the Baptist Church at Mabou for the space of fifteen years, with fidelity; "purchasing to himself a good degree, and great boldness in the faith which is in Christ Jesus." During the year 1849, he removed to Isaac's Harbour and united with the Church at that place, continued in fellowship with it up to the time of his death. Owing to the nature of his disease, bro. Clark was subject at times to great depression of spirit, and at such times he feared lest after all he should be a castaway. At other times however, his faith was firm and unwavering; and he could say "Though He slay me yet will I trust in Him." "Yea though I walk through the valley of the shadow of death I will fear no evil. "His rod and his staff shall comfort me." And when at last the summons came, he was found trusting in Jesus, and so he fell asleep. An aged widow, several children and many relatives and friends mourn his departure.—COM. BY REV. J. B. EAST INDIA HEMP,

AND WHAT WE KNOW ABOUT IT.

Instead of devoting a column to the merits of this strange and wonderful plant, we remain silent and let it speak for itself through other lips than ours, believing that those who have suffered most can better tell the story. We will here quote word for word from letters recently received, simply adding our testimony to to the rest in saying, that when this plant is properly prepared, we know that it POSTIVELY CURES CONSUMPTION, and will break up a fresh cold in twenty-four hours.

ST. MARY'S CHURCH, Alleghany City, Pa., Nov. 10, 1874.

The East India Hemp has been taken by Rev. Matthias Binber, O. S. B., and Rev. Sebastian Arnold, O. S. B., both assistant pastors of this church, and so far has given relief to both. They suffered from affection of the lungs and bronchial organs. We have recommended charity sufferers, to the Cannabis Indica to different persons, and continue the same in good conscience, knowing the effects by experience. Please find inclosed check for twelve bottles of syrup, pills and ointment. We shall inform you in due time what further success the medicine shall meet with.

Yours truly,
REV. FERDINAND WOLF, O. S.B.,
87 Washington Street.

CHINA GROVE, ROWAN CO., N. C., Oct. 21, 1874.

——: Send one dozen Ointment and one of Cannabis Indica. When Mr. J. W. Fisher brought his wife to me for examination, I found her in the incipient stage of tuberculous consumption. Then it was I concluded to make a fair trial of Indian Hemp, and now there is a general demand for those remedies. The ointment excells everything and anything of its kind I ever saw or tried, in many cases it acted like a charm.

Fraternally yours,
P. A. SIFFORD, M. D.

RIDGEVILLE, CASWELL, N. C., Sept. 12, 1874.

Inclosed is $10 for more of the Indian Hemp. I can truly say that the medicine has done me more good than all the doctors, and I had several of the best in the country. My cough is a great deal better, and my chills and night sweats are gone. You may look for several orders soon, as many have seen the effect of this medicine on me.

W. A. FULLER

COLUMBUS, O., Oct. 30, 1874.

Your treatment for consumption has so improved my condition, that the inquiry comes every day from my friends. What are you taking? Several are talking of sending for some of your medicine, and James Huff desires me to order for him $9 worth of the Hemp.

WM. HUNT, North High Street.

P. S.—It is my opinion that an agent at this place would sell considerable for you.

W. H.

DECHERD, Franklin, Tenn., Sept. 12, 1875.

——: Send three more bottles of your consumption and bronchitis cure. My son began taking the Hemp last night three weeks ago, and he is improving rapidly. The last ten days have made him look and act like another person. I have great hopes.

FITS!

FITS! FITS! FITS!

CURE OF EPILEPSY; OR, FALLING FITS, BY HANCE'S EPILEPTIC PILLS.

Persons laboring under this distressing malady, will find Hance's Epileptic Pills to be the only remedy ever discovered for curing Epilepsy or Falling Fits.

The following certificates should be read by all the afflicted; they are in every respect true, and should they be read by any one who is not afflicted himself, if he has a friend who is a sufferer, he will do a humane act by cutting this out and sending it to him.

A MOST REMARKABLE CURE.

PHILADELPHIA, June 28th, 1867.

SETH HANCE, Baltimore, Md.—Dear Sir: Seeing your advertisement, I was induced to try your Epileptic Pills. I was attacked with Epilepsy in July, 1863. Immediately my physician was summoned, but he could give me no relief. I then consulted another physician, but I seemed to grow worse. I then tried the treatment of another, but without any good effect. I again returned to my family physician; was cupped and bled several different times. I was generally attacked without any premonitory symptoms. I had from two to five fits a day, at intervals of two weeks. I was often attacked in my sleep, and would fall wherever I would be, or whatever be occupied with, and was severely injured several times from the falls. I was affected so much that I lost all confidence in myself. I also was affected in my business, and I consider that your Epileptic Pills cured me. In February, 1865, I commenced to use your Pills, and only had two attacks afterwards. The last one was April 5th, 1865, and they were of a less serious character. With the blessing of Providence your medicine was made the instrument by which I was cured of that distressing affliction. I think that the Pills and their good effects should be made known everywhere, that persons who are similarly affected may have the benefit of them. Any person wishing further information can obtain it by calling at my residence, No. 836 North Third St., Philadelphia, Pa.

WILLIAM ELDER.

IS THERE A CURE FOR EPILEPSY?

The subjoined will answer.

GRENADA, Miss., June 30.—SETH S. HANCE.—Dear Sir: You will find enclosed five dollars, which I send you for two boxes of your Epileptic Pills. I was the first person who tried your Pills in this part of the country. My son was badly afflicted with fits for two years. I wrote for and received two boxes of your Pills, which he took according to directions. He has never had a fit since. It was by my persuasion that Mr. Lyon tried your Pills. His case was a very bad one; he had fits nearly all his life. Persons have written to me from Alabama and Tennessee on the subject, for the purpose of ascertaining my opinion in regard to your Pills. I have always recommended them, and in no instance where I have had a chance of hearing from their effect have they failed to cure. Yours, etc.,

C. H. GUY,
Grenada, Yalabusha County, Miss.

ANOTHER REMARKABLE CURE OF EPILEPSY; OR, FALLING FITS, BY HANCE'S EPILEPTIC PILLS.

MONTGOMERY, Texas, June 20th, 1867.

TO SETH S. HANCE:—A person in my employ had been afflicted with Fits, or Epilepsy, for thirteen years; he had these attacks at intervals of two to four weeks, and oftentimes several in quick succession, sometimes continuing for two or three days. On several occasions they lasted until his mind appeared totally deranged, in which state he would continue for a day or two after the fits ceased. I tried several remedies prescribed by our resident physicians, but without success. Having seen your advertisement I concluded to try your remedy. I obtained two boxes of your Pills, gave them according to directions, and they effected a permanent cure. The person is now a stout, healthy man, about 30 years of age, and has not had a fit since he commenced taking your medicine, ten years since. He was my principal wagoner, and has, since that time, been exposed to the severest of weather. I have great confidence in your remedy, and would like every one who has fits to give it a trial.

B. L. DEFREESE.

STILL ANOTHER CURE.

Read the following testimonial from a respectable citizen of Grenada, Mississippi.

SETH S. HANCE, Baltimore, Md.—Dear Sir: I take great pleasure in relating a case of Spasms, or Fits, cured by your invaluable Pills. My brother, J. J. Ligon, has long been afflicted with this awful disease. He was first attacked while quite young. He would have one or two spasms at one attack at first, but as he grew older they seemed to increase. Up to the time he commenced taking your Pills, he had them very often and quite severe, prostrating him, body and mind, for several days. Now, thankfully, but now, I am happy to say, he is cured of those fits. He has enjoyed fine health for the last five months. His mind has also returned to its original brightness. All this I take great pleasure in communicating, as it may be the means of directing others to the remedy that will cure them. Yours, respectfully, etc., W. P. LIGON.

Sent to any part of the country, by mail, free of postage, on receipt of a remittance. Address, SETH S. HANCE, 108 Baltimore St., Baltimore, Md. Price, one box, $3; two, $5; twelve, $27.
