Fifteen hundred French pilgrims were received on Friday at the Vatican. The Pope entered the Ducal Hall where the pilgrims gathered, accompanied by 12 cardinals and many distinguished prelates. SMALL POX.—We had a notice last week of the appearance of small pox in the County of Shelburne. We have since received a further notice of the victims in the family of Mr. Smith Harlow.

On Tuesday, the 27th of March, Mary O. Harlow was taken sick; Dr. Burns was sent for, and on Sunday sent for again, and came again on Sunday, the 1st day of April, supposing it to be small pox. He left them and returned on Tuesday night, during which time the family had all taken it. On April 19th Deacon James P. Harlow died, and on the 21st Theodore Harlow, and on 24th Perez F. Harlow died, all brothers, leaving Mary O. Harlow and Zilpha Harlow, Alexander Harlow, all sick, but recovering. In the short time of eleven months Mr. Harlow and five of his sons have been laid in the grave. In this fearful disease no one could visit them in their trouble. May God sustain and bless the bereaved family.

TO THE PUBLIC.

READ WHAT THE PEOPLE SAY IN REGARD TO THE GREAT SHOSHONEES REMEDY & PILLS.—Levi Jones, Markham, says I had a very severe attack of Bronchitis. I was so bad that I could hardly get my breath. I sought for a quick remedy, and seeing the "Shoshonees Remedy" so highly recommended, I procured a bottle, and am happy to say, that by the time it was taken, I was entirely well and have remained so although, I was much exposed through the winter in travelling.

Rev. F. B. Stratton, Demorestville, writes—"I have found your remedies particularly beneficial for liver complaint dyspepsia and bronchial affections, and would advise all similarly affected to give them a trial."

John Finlayson, Athol, says—"When travelling one of my feet sore and broke out. I could not cure it and had to return home. It became better and afterwards much worse. I finally purchased a bottle of the "Remedy" and a box of "Pills," and before they were half gone I commenced to improve, and before they were finished my foot was completely cured. It is now 17 months since, but I have had no further attack. Price of the remedy in pint bottles \$1; Pills 25 cents a box.

ELECTRICITY! THOMAS' EXCELSIOR ELECTRIC OIL!—WORTH TEN TIMES ITS WEIGHT IN GOLD.—PAIN cannot stay where it is used. It is the cheapest medicine ever made. One dose cures common sore throat. One bottle has cured bronchitis. Fifty cents' worth has cured an old standing cough. It positively cures catarrh, asthma and croup. Fifty cents' worth has cured crick in the back, and the same quantity lame back of eight years' standing. The following extracts are from a few of the many letters that have been received from different parts of Canada, which, we think, should be sufficient to satisfy the most sceptical.

J. Collard, of Sparta, Ont., writes, "Send me 6 dozen Mr. Thomas' Electric Oil, have sold all I had from you, and want more now; its cures are truly wonderful." Wm. McGuire, of Franklin, writes, "I have sold all the agent left, its acts like a charm—it was slow at first, but takes splendidly now." H. Cole, of Iona, writes, "Please forward 6 dozen Thomas' Electric Oil, I am nearly out, nothing equals it. It is highly recommended by those who have used it." J. Bedford, Thamesville, writes, "Send at once a further supply of Electric Oil, I have only one bottle left. I never saw anything sell so well and give such general satisfaction." J. Thompson, Woodford, writes, "Send me some more Electric Oil. I have sold entirely out. Nothing takes like it." Miller & Reid, Ulverton, P. Q., write, "The Electric Oil is getting a great reputation here, and is daily called for. Send us a further supply without delay."

BEWARE OF IMITATIONS.—Ask for Dr. Thomas' Electric Oil. See that the signature of S. N. THOMAS is on the wrapper, and the name of Northrop and Lyman are blown in the bottle, and TAKE NO OTHER. Sold by all medicine dealers. Price, 25 cts. NORTHROP & LYMAN, Toronto, Ont., Proprietors for the Dominion.

She professed love to Christ at the early age of eight years, and lived to see the fulfilment of her Saviour's promise, "With long life will I satisfy him and show him my salvation." She was enabled through grace to make a public profession of her faith in Christ upwards of 50 years ago and joined the First Baptist Church in Wolfville, and professing a meek and lowly spirit she grew in grace and received with joy the call, "Come ye blessed of my Father," &c.

Ayer's Hair Vigor,
For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. Faded or gray hair is soon restored to its original color, with the gloss and freshness of youth. Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous, and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING,
nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich, glossy lustre and a grateful perfume.

Five Years' Sickness Cured by Four Bottles of Constitutional Catarrh Remedy. Pain in Shoulders, Back and Lungs, and Droppings in Throat Disappeared.
ST. ANNE, P. Q., Sept. 12, 1876.

Mr. T. J. E. HARDING.
DEAR SIR.—Being desirous that others may know something of the merits of your CONSTITUTIONAL CATARRH REMEDY, I wish to inform you what it has done for me. I am 29 years old; had been out of health for about five years. I had employed three or four different doctors, and tried various medicines, without receiving any permanent benefit but continued rather to grow worse, until last fall, when I had become so bad as to be unable to do an hour's work at a time. Had severe soreness and pain under the shoulder blades and through the shoulders, with very lame back, and a feeling in my right lung as though there was a weight bearing it down, with continual droppings in the throat and down upon the lungs. I was my conclusion when I commenced to take your Catarrh Remedy, one bottle of which cured my asthma and gave me an improved appetite, and after taking four bottles I felt so well that I was able to engage hard and continued labor, such as chopping and clearing land, at which I have been engaged the past summer. My friends and family, with God's blessing, to the use of your Catarrh Remedy. Yours truly,
D. S. E. HENRY SNIDER.

JOYFUL NEWS

For the Afflicted.

HAMPTON, GRANVILLE,
Feb. 2nd, 1877.

MESSRS. CALED GATES & Co.—

This is to certify that my wife was taken sick in February, 1875, with Liver Complaint, and what the Doctors called General Debility. Her stomach had become so weak that she could not retain any food on it, but would be in awful distress, and would throw it all up. I had three Doctors to see her; she was under the treatment of them for about six months and did not seem to be much better, and one of them told me not to flatter myself for she could not stand it long and they had done all they could for her. We heard of your medicines and she wanted to try them. I saw the Doctor and told him that she wanted to try Gates' Medicines, and he told me by all means to get it for her, for, he said, if it did her no good it would do her no hurt. I got two bottles, one of No. 1 Bitters and one of No. 2 Syrup. She had not taken it but a few times when she stopped vomiting and began to get better. She continued taking the medicine, and in four or five weeks was up and about the house, and is now able to attend to her household affairs. You can use this as you please for the benefit of the suffering.

Yours most respectfully,
HARRIS M. FOSTER, J. P.
