ANOTHER COMMUNICATION from Mr. Geo. Sewell, dated Moncton, N. B., June 22, 1878.

J. H. Robinson, Esq.—Dear Sir—I wrote you in May last informing you of the wonderful cure your "Phosphorized Emulsion of Cod Liver Oil with Lactophosphate of Lime" had made in my case, and, at the same time promising to write from time to time to let you know how I was getting along. I am much better in every way; am stronger; can walk a good long distance without getting tired. Sleep well and eat a hearty meal. In fact I am a new man in every respect, and those who saw me three months ago and see me now, can hardly believe that I am the same person.

The above are facts, and believing that ingratitude is one of the unpardonable sins, I feel it a duty to tell you of what, under a kind Providence, your preparation has done for me. Wishing you every success, &c., &c.

Price \$1.00 per bottle; six bottles for \$5.00.

MASON & HAMLIN ORGANS.—Have you considered the question of having a cabinet or parlor organ in your home? It would be a good thing for entertainment, recreation and cultivation. The fact that more than thirty thousand of these organs are now sold in the United States yearly, shows how much they are used and valued. The purchase of one is generally the means of the introduction of music, with all its attractions and advantages. Some of the children will learn to play, and so secure an accomplishment. Even the father and mother, if they have a grain of music in them, will find gratification in picking out tunes upon the organ, which is much easier to play than the piano-forte.

But, if you get an organ, get the best. It is miserably economy to buy one of the poor affairs, having inferior quality of tone to start with and which will soon get out of order.

We are led to these thoughts by an advertisement from the famous Mason & Hamlin Organ Co., where cabinet organs rank highest in the world. The Paris Exposition have just given them the highest distinction in the power of the jury to confer, and the only gold medal given to any musical instrument maker in America. These organs are sold at prices which are not much higher than those of the very poorest. We commend them to our readers.

INVALIDS, do you wish to gather flesh to acquire an appetite, to enjoy a regular habit of body, to obtain refreshing sleep to feel and know that every fibre and tissue of your system is being braced and renovated? If so, commence at once and use the Quinine Wine prepared by Northrop & Lyman of Toronto, and in a short time you will feel the wholesystem invigorated and strengthened. It is a well-known fact that Quinine has been acknowledged by the medical faculty for many years as the best appetizer and tonic known. And for general debility, this combination will be found superior to all other preparations. And combined as it is with fine sherry wine and choice aromatics, it is made an agreeable and pleasant invigorator to the whole system. The peculiar operation of this medicine in general debility and as an appetizer, has undergone long and close observation and it is believed it will never fail, if properly and judiciously administered, unless other diseases predominate of a different character. Persons of weak constitution may take it without the least difficulty, as it strengthens the stomach and digestive organs, and seldom requires more than one or two bottles to effect a decided benefit, as it contains nothing injurious to the most delicate constitution. Remember to ask for the "Quinine Wine prepared by Northrop & Lyman, Toronto," and we are sure you will be satisfied that you have full value for your money. Sold by all Medicine Dealers.

She was a devoted Christian. During her sickness, consumption, she lived by the faith of the Son of God, and died peacefully trusting in Christ. Our sister has left an aged mother, a kind husband, five children, and a large circle of relatives to mourn their loss. Her funeral was attended by the Rev. W. L. Parker of Barton, and preached a sermon from 2 Cor. 5, 1, to a large and attentive congregation. —Com.

At Westbrook, on the 19th Oct., Deacon Alexander Lewis, aged 47 years, his illness was very protracted, but was borne with patience, and resignation to the Divine will. Bro. L. made a profession of religion twenty years ago, and united with the Baptist Church at Westbrook and maintained an exemplary Christian walk until death. Several years since he was chosen to the office of deacon, being of a retiring and diffident disposition and thinking himself incompetent to take the lead in public exercises he often said he should not have accepted the position. What was lacking here, was fully made up in other qualifications. His residence was near to the house of worship, and it devolved on him to warm and light the house, which was faithfully done without fee or reward. His own residence was also cheerfully opened year after year to accommodate the public for the purpose of donation visits made to the pastor. It might truly be said to him, he "used hospitality without grudging" as ministers and many others found a hearty welcome under his roof. He has left a sorrowing widow, one son and a daughter to mourn their loss. The funeral was attended by a large number of the neighbours, and an appropriate sermon was preached by the Rev. D. McKee.

No more with us his tuneful voice,
The hymn of praise shall swell;
No more his cheerful heart rejoice,
When peals the Sabbath bell.

JOYFUL NEWS

For the Afflicted

Granville, N. S., March 27, 1877.

DR. CALDER GATES & Co.:

Gents.—About 15 years ago I was troubled with a pain in my left side, and tried some preparations, which failed to do me good. I took a trip to New York, but grew worse after my arrival there: felt a violent pain in my forehead and directly above my eyes, so that I could scarcely open them for a time; then I applied to a Doctor, who informed me that I had a combination of diseases, viz: Liver Complaint, Jaundice, Heart Disease, and pains in the back and shoulders. He said he could cure me, and gave me some medicine and plaster to wear on my side. I thought that I felt somewhat better for a while, but after arriving in Halifax grew worse than ever. I left that place and came home. My friends said I was too far gone to last much longer. The doctors here advised me to discontinue using the medicine I had been taking, my knee joints and other parts of my body feeling very weak; they gave me tincture of iron, but it did me but little good. At length I gave you a brief explanation of my condition, asking if your remedies would do me any good. The answer was try them if you wish to do so. I took several bottles of your Bitters and Syrup and applied your Vegetable Plaster, and got great relief in a short time, kept gaining in strength and health, and my appetite has been generally good ever since, so that I can do a good day's work and travel around as well as ever, in fact my system was so regular for a long time after, that I did not need any common purgatives. The cure is an astonishing one, even to myself, therefore after taking a view of the deplorable condition I was in, I consider it a duty which I owe to you and to my fellow men, to give the above statement, in order that it might be made public for the benefit of suffering humanity. Since then we have used your Bitters, Syrup, Certain Check, Liniment, Plaster and Ointment with perfect success. Your Syrup No. 1 we could not do without in our family, we never think of getting out of it any more than we could of flour. We have four small children and I am happy to say have not been obliged to call a doctor in for several years. Whenever they take a cold, which they do frequently, we give them a small dose of No. 1 Syrup before going to bed. In short, I can only say, for coughs, colds, headache, &c., take the No. 1 Syrup before going to bed, perhaps a little in the morning again, follow it up for a few days and you are well again. I cheerfully recommend your medicines to every family, keep it in your houses, and always in readiness, and it will save many a drive for a doctor, and large bills.

Yours respectfully,

JOHN BOHAKER.

Personally appeared before me, the subscriber, and testified to the above.

CATARRH!

THE worst and most severe type of Acute, Chronic, or Ulcerative Catarrh successfully treated and permanently cured by

OLD DR. HUXLEY'S GOLDEN CURE

FOR CATARRH!

CATARRH NOT INCURABLE.

Our past experience and success has taught us that CATARRH is NOT INCURABLE, whether it be ACUTE, CHRONIC or ULCEERATIVE. The final fatality is owing to delay or ignorance of good remedies, which do actually exist, and which would cure the terrible sufferer if seasonably and properly employed. Also, a disease that is WHOLLY INCURABLE by one remedy, is EASILY AND PERFECTLY CURABLE BY ANOTHER.

OLD DR. HUXLEY'S

Golden Cure for Catarrh has been the favorite and prized remedy of an eminent physician in his private practice. During the past two years, where the "Golden Cure" has been advertised and brought to the notice of the Catarrh invalid, over Four Thousand cases have been permanently cured by its use. Hundreds of unsolicited testimonials on file at the Huxley Medical Dispensary bear testimony that Golden Cure for Catarrh is without a parallel in the cure of all Catarrhal affections.

I Will Pay \$1,000!

For a case of Catarrh that OLD DOCTOR HUXLEY'S GOLDEN CURE FOR CATARRH FAILS TO CURE.

Some of the Symptoms of Catarrh:

Dull or heavy headache, pressure of blood upon the brain, swelling of the membranes that line the nasal cavities, loss of memory, giddiness, discharges from the head into the throat, bloody and putrid mucus, ringing in the ears, deafness, offensive breath, expectoration of offensive matter, impairment of the smell and taste, the voice is changed, the eyes become inflamed, watery and profuse, indigestion ensues, aggravating all symptoms. The liver, kidneys, &c., are also sensibly and most injuriously affected. It drips into the throat poison, and irritates it, causes impairment or loss of voice, and from this point it gradually extends to the lungs, causing INCURABLE CONSUMPTION.

Under the influence of the mild, soothing and healing properties of the "Golden Cure," the disease soon yields, and perfect health is again enjoyed. The Golden Cure will be sent to any address on receipt of price, \$1.00 per bottle, \$5.00 for six bottles, or \$9.00 for twelve bottles. For further information, send your address and three-cent stamp for my "New Plan and Special Offer" to catarrh sufferers.

VEGETINE

Purifies the Blood, Renovates and Invigorates the Whole System. ITS MEDICINAL PROPERTIES ARE Alterative, Tonic, Solvent and Diuretic.

VEGETINE is made exclusively from the juices of carefully-selected barks, roots and herbs, and so strongly concentrated that it will effectually eradicate from the system every taint of SCROFULA, SCROFULOUS HUMOR, TUMORS, CANCER, CARCINOMATOUS HUMOR, ERYSIPELAS, SALT RHEUM, SYPHILITIC DISEASES, CANCER, FAINTNESS AT THE STOMACH, and all diseases that arise from impure blood. SCIATICA, INFLAMMATORY and CHRONIC RHEUMATISM, NEURALGIA, GOUT and SPINAL COMPLAINTS, can only be effectually cured through the blood.

For ULCERS AND ERUPTIVE DISEASES OF THE SKIN, PUSTULES, PIMPLES, BLOTCHES, BOILS, TETTER, SCALDHEAD and RINGWORM, Vegetine has never failed to effect a permanent cure.

For PAINS IN THE BACK, KIDNEY COMPLAINTS, DROPSY, FEMALE WEAKNESS, LEUCORRHOEA, arising from internal ulceration, and uterine diseases and GENERAL DEBILITY, Vegetine acts directly upon the causes of these complaints. It invigorates and strengthens the whole system, acts upon the secretory organs, allays inflammation, cures ulceration and regulates the bowels.

For CATARRH, DYSPEPSIA, HABITUAL CONSTIPATION, PALPITATION OF THE HEART, HEADACHE, PILES, NERVOUSNESS, and GENERAL PROSTRATION OF THE NERVOUS SYSTEM, no medicine has ever given such perfect satisfaction as the Vegetine. It purifies the blood, cleanses all of the organs, and possesses a controlling power over the nervous system.

The remarkable cures effected by Vegetine have induced many physicians and apothecaries whom we know, to prescribe and use it in their own families.

In fact, Vegetine is the best remedy yet discovered for the above diseases, and is the only reliable BLOOD PURIFIER yet placed before the public.

WHAT IS VEGETINE? It is a compound extracted from barks, roots and herbs. It is Nature's Remedy. It is perfectly harmless from any bad effect upon the system. It is nourishing and strengthening. It acts directly upon the blood. It quiets the nervous system. It gives you good sweet sleep at night. It is a great panacea for our aged fathers and mothers, for it gives them strength, quiets their nerves and gives them Nature's sweet sleep—as has been proved by many an aged person. It is the great Blood Purifier. It is a soothing remedy for our children. It has relieved and cured thousands. It is very pleasant to take; every child likes it. It relieves and cures all diseases originating from impure blood. Try the Vegetine. Give it a fair trial for your complaints; then you will say to your friend, neighbor and acquaintance, "Try it; it has cured me."

Valuable Information.

BOSTON, MASS.

MR. H. R. STEVENS:—

DEAR SIR,—My only object in giving you this testimonial is to spread valuable information. Having been badly afflicted with Salt Rheum, and the whole surface of my skin being covered with pimples and eruptions, many of which caused me great pain and annoyance, and knowing it to be a blood disease, I took many of the advertised blood preparations, among which was any quantity of Sarsaparilla, without obtaining any benefit until I commenced taking the Vegetine, and before I had completed the first bottle I saw that I had got the right medicine. Consequently I followed on with it until I had taken seven bottles, when I was pronounced a well man, and my skin is smooth and entirely free from pimples and eruptions. I have never enjoyed so good health before, and I attribute it all to the use of Vegetine. To benefit those afflicted with Rheumatism, I will make mention also of the Vegetine's wonderful power of curing me of this acute complaint, of which I have suffered so intensely.
