

quences, which can never afterwards be rectified. Seek Divine direction, and submit to whatever you believe to be right.

Mr. Lathern appears to have sent a copy of his "Baptisma," 2nd Edition, to our contemporary the *Presbyterian Witness* for review, but has not yet passed the same compliment to us. Whether he anticipated the view we should take of it, and this prevented him doing so we cannot tell. We certainly should not express the same appreciation of the book that our neighbour has by calling Infant Baptism, the "good old way." This is, perhaps, the great argument of thousands in favor of the practice, because they are unwilling to see that the New Testament makes known an older and better way, even that appointed by our Lord himself.

We understand that the Rev. F. Beattie formerly of Hopewell, N. B., has accepted a call to the pastorate of the Lower Granville Baptist Church, Annapolis County. Mr. B. was from Pictou County, and was some years since well known as a zealous Temperance lecturer. We are glad to welcome him to this province and hope he will be made a blessing to that old established Church.

The Hon. Messrs. Mackenzie and Cartwright proceeded to Charlottetown and Summerside, P. E. I., and to St. John, N. B., at each of which places large meetings were held to present complimentary addresses, and to hear speeches from them. In the latter city, Messrs. King and Tilley met them, and the speaking continued till after midnight.

Mr. Lithgow sends us the letter in another column. He says "I am no politician, but want to see a just tariff, that is all. I care not which party gives it. I know not which may view the tariff I suggest the more favorably." Our Divine Master directed his disciples to "render unto Caesar the things that are Caesar's" as well as "to God the things that are God's." We should doubtless do all in our power to equalize the public burdens. Whilst we do not feel called upon to direct our readers in the choice of their representatives, we merely suggest that every man should hold his franchise as a sacred trust, demanding from him a conscientious choice of the man or men whom he believes will promote the cause of righteousness, truth, and justice.

Those of our subscribers who have not paid for the *Messenger* this year will greatly oblige us by an early remittance of the amount due. It may to some appear but a small sum they owe, and that, therefore, they need not be greatly concerned about it just now. But when you remember, brethren, that our very life depends on receiving these small sums, and that promptly, even as your growing crops depend on the drops of rain and dew, you will not, we think, allow us to suffer for want of what should have been sent sooner.

To the Electors of the County of Colchester.

GENTLEMEN,—Having been chosen by a full convention of the Reform Party, held in Truro on the 16th of April last, as a candidate for the representation of Colchester in the House of Commons, I now respectfully solicit your support.

Should I be honored with your confidence I will give my best efforts to the promotion of the welfare of the people of this Dominion, and of the County of Colchester in particular.

The leading organs of the two political parties unite in saying that the great question of the day is that of Free trade (or a revenue tariff) vs. Protection. On that question I deem it my duty to give no uncertain sound. I believe that a revenue tariff affords reasonable encouragement to manufacturers, and that the policy of a high protective tariff, propounded by Sir John Macdonald, would, if adopted, be injurious to the interests of the whole country, and especially of the Maritime Provinces. Our people are already taxed heavily enough, but under the system proposed by the Conservative leaders their taxes would I believe, be very largely increased, and they would receive no adequate benefit in return for the burdens thus imposed.

Believing that the Government of Honorable Alexander Mackenzie has honestly, energetically and, on the whole, wisely conducted the public affairs of the country, and that the Conservative leaders are, both from their past record and their present policy, unworthy of the confidence of the people, I shall feel it my duty to give an independent support to the Mackenzie administration.

I will gladly assist any practical legislation having in view the prohibiting, restricting or controlling of the traffic in intoxicating liquors.

I will endeavour before the election to personally discuss the issues of the contest with as many of you as is possible. Meanwhile, I venture to hope that the views I have here expressed are such as will commend themselves to your judgment, and justify me in expecting your confidence and support.

I have the honor to be, Gentlemen,
Your obedient servant,
Aug. 21. A. C. PAGE.

WOODVILLE, CORNWALLIS, May 3rd, 1877.

MESSRS. C. GATES & Co.,

CATARRH!

THE worst and most severe type of Acute, Chronic, or Ulcerative Catarrh successfully treated and permanently cured by

OLD DR. HUXLEY'S GOLDEN CURE FOR CATARRH!

CATARRH NOT INCURABLE.

Our past experience and success has taught us that CATARRH is NOT INCURABLE, whether it be ACUTE, CHRONIC or ULCERATIVE. The final fatality is owing to delay or ignorance of good remedies, which do actually exist, and which would cure the terrible sufferer if seasonably and properly employed. Also, a disease that is WHOLLY INCURABLE by one remedy, is EASILY AND PERFECTLY CURABLE BY ANOTHER.

OLD DR. HUXLEY'S

Golden Cure for Catarrh has been the favorite and prized remedy of an eminent physician in his private practice. During the past two years, where the "Golden Cure" has been advertised and brought to the notice of the Catarrh invalid, over Four Thousand cases have been permanently cured by its use. Hundreds of unsolicited testimonials on file at the Huxley Medical Dispensary bear testimony that Golden Cure for Catarrh is without a parallel in the cure of all Catarrhal affections.

I Will Pay \$1,000! For a case of Catarrh that OLD DOCTOR HUXLEY'S GOLDEN CURE FOR CATARRH FAILS TO CURE.

Some of the Symptoms of Catarrh:

Dull or heavy headache, pressure of blood upon the brain, swelling of the membranes that line the nasal cavities, loss of memory, giddiness, discharges from the head into the throat, bloody and putrid-mucous, ringing in the ears, deafness, offensive breath, expectoration of offensive matter, impairment of the smell and taste, the voice is changed, the eyes become inflamed, watery and profuse, indigestion ensues, aggravating all symptoms. The liver, kidneys, &c., are also sensibly and most injuriously affected. It drips into the throat, poison, and irritates it, causes impairment or loss of voice, and from this point it gradually extends to the lungs, causing INCURABLE CONSUMPTION.

Under the influence of the mild, soothing and healing properties of the "Golden Cure," the disease soon yields, and perfect health is again enjoyed. The Golden Cure will be sent to any address on receipt of price, \$1.00 per bottle, \$5.00 for six bottles, or \$9.00 for twelve bottles. For further information, send your address and three-cent stamp for my "New Plan and Special Offer" to catarrh sufferers.

PARKS' COTTON YARNS!

Awarded the Only Medal Given

at the Centennial Exhibition

For Cotton Yarns of Canadian Manufacture.

Nos. 5's to 10's.

WHITE, BLUE, RED, ORANGE AND GREEN.

Made of Good American Cotton with

great care Correctly numbered and

Warranted Full Length and

Weight.

WE would ask the purchasers of Cot-

ton Yarn to remember that our

Yarn is spun on Throstle Frames, which

make a stronger yarn than the Ring

Frames, used in making American yarn.

It is also better twisted and more care-

fully reeled; each hank being tied up in

7 leas of 120 yards each. This makes it

much more easy to wind than when it is

put up without leas—as the American is

—and also saves a great deal of waste.

Those acquainted with weaving will

understand the great advantage it is to

them to use yarn put up in this manner.

COTTON CARPET WARP,

MADE OF NO. 10 YARN, 4-PLY TWISTED.

White, Red, Brown, Slate, &c. All fast

colors.

Each 5 lb. bundle contains 10,000 yards

in length and will make a length of Car-

pet in proportion to the number of ends

in width.

We have put more twist into this warp

than it formerly had, and it will now

make a more durable Carpet than can be

made with any other material. Since its

introduction by us, a few years ago, it

has come into very general use through-

out the country.

All our goods have our name and ad-

dress upon them. None other are genu-

ine.
