

THE SUPPLY DEPOT of the entire bodily economy is the stomach. There it is that the manufacture of blood goes on, and upon activity of the great digestive organ depends in a great measure the well being of the system. If its functions are interrupted by dyspepsia, biliousness and constipation supervene, the blood becomes meager in quantity and poor in quality, the appetite impaired, nervous symptoms manifest themselves, and there is a loss of flesh and vigor. As a means of stimulating and invigorating the stomach and remedying the above deplorable state of things, Northrop & Lyman's Quinine Wine may be confidently relied upon by debilitated, dyspeptic, and nervous sufferers. Not only is it a tonic of well and certain merit, but a most agreeable one. Its flavor is unexceptionable and it contains no ingredient that can prove harmful to any one using it. It proves most efficacious in remedying weakness and nervousness when the directions are strictly adhered to. As an anti-periodic, it possesses great excellence. Chills and Fever, bilious remittent fever, and the minor malarial complaints, dumb ague and ague cake, are eradicated by it, and the system fortified against their return. It is an article which bears a time-honored reputation and has proved its efficiency in numberless cases well calculated to put the remedial value of any remedy to a crucial test. Refreshing sleep, increases muscular force, a gain in flesh and mental cheerfulness are among the blessings which it confers. Intending purchasers should not forget to ask for the Quinine Wine, prepared by Northrop & Lyman, Toronto. Sold by all Druggists.
