ASSOCIATION AT ADVOCATE HARBOR.

All persons proposing to attend the "Eastern Baptist Association" to be held at Advocate Harbor, July 10th inst., will please inform me immediately; and I will forward "Postals" naming thereon their homes during the session of the Association.

Please be particular in stating numbers; and whether ladies or gentlemen; also number of horses.

It was hoped that arrangements could have been made with the steamboat, by which persons could be taken from Parrsboro' village to Advocate Harbor and back again to Parrsboro. But this cannot be effected. So the best way to come will be by private conveyance.

Any person choosing to come by train will get a reduction of one-half fare over the Parrsboro and Spring Hill Railway.

At Parrsboro, Mr. David MacNamara will furnish first-class carriage conveyance to Advocate Harbor on Saturday morning and return the next Tuesday afternoon, a distance of thirty miles each way, for the small sum of three dollars.

Ministers always get over the Intercolonial for one-half fare. But they must show a Clergyman's certificate, on purchasing a ticket.

I will write to the authorities and, doubtless, an excursion ticket can be secured for one-half fare as on the Parrsboro' and Spring Hill Railroad. I will give notice in time.

J. F. KEMPTON.

Parrsboro.

News.

WINDSOR AND ANNAPOLIS RAILWAY.—Alterations have been made in the Time Table since our outside sheet was printed. On and after Monday last, trains leave Halifax for Annapolis at 7.45 a. m., daily, at 9.00 a. m., on Monday Wednesday and Friday, and at 3.00 p. m., daily. Trains leave Annapolis for Halifax at 6.30 a. m. and at 12 p. m. daily.—Railway Time; Halifax Time is sixteen minutes later. The other stations are of course also changed, which will appear in our next. The steamer Empress leaves St. John at 8 a. m. every Monday, Wednesday and Friday, for Digby and Annapolis, and leaves Annapolis on arrival of Express Train from Halifax at 1.40 p. m. every Tuesday, Thursday and Saturday for Digby and St. John.

PRESENTATION.—The Baptist Church, and congregation of St. Mary's Bay, Digby Co., on the evening of the 7th inst., presented to Mrs. Emma A. Spurr, as she was removing to the States, a handsome Bible worth eleven dollars as an expression of their appreciation of her services as their Organist.

To be a Notary and Tabellion Public.—John Menger, Esquire, Barrister of Halifax.

To be Commissioners of the Legislative Library under the Provincial Act of 1880, The Hon. Simon H. Holmes, Provincial Secretary; the Hon. Robert Boak, President the Legislative Council; Stephen Tobin, Esquire, Mayor, and William Gossip, of the city of Halifax.

Antigonish Co.—To be a Commissioner for taking affidavits, John C. McKinnon, M. D. Antigonish.

Queens Co.—To be a Justice of the Peace,—Robt. H. Curry, Queens' County.

At the City Council meeting on Friday last the Mayor was, by motion, requested to declare the 21st of June a public holiday.

Attention was called by one of the Aldermen to the large unlicensed sale of lager beer in the city, but no action was taken in reference thereto.

The Halifax Public Gardens promise to be more beautiful this year than ever before. Several improvements have been made, one of the principal is the construction of a high mound immediately north of the tennis lawn. On the summit a large rustic summer house is being built. From this place the whole Garden can be overlooked, and from it the scene is indeed a pretty one. No new fountains will be put in this year, but that in the circular pond in the north-east square has been surrounded with an ornamental rockery, which greatly adds to its appearance, and will be planted with flowers, so arranged as to form the words "Victoria," "Leopold," "Lorne," "Louise."

The commissioners of Common and Public Gardens have decided to hold a grand promenade concert on the evening of the 21st of June, at which special attractions will be offered. Seats for three hundred people are being made at Dempster's mills, and will be ready for the Gardens before the concert.

On Thursday no less than six thousand plants were set out, and on Friday about nine thousand. There will be bedded out this summer over fifty thousand plants, comprising a great many varieties.

Mr. Power, the Superintendent, has already won golden opinions for the great taste and skill displayed, and his continual efforts to make the Public Gardens surpass in beauty all others in the Dominion, or perhaps America, will no doubt, be still further appreciated. The Commissioners all deserve the thanks of the public, as we have no hesitation in saying that no Public Gardens elsewhere, of the magnitude of those of Halifax, are more economically managed.

Mr. D. Hockin, for a long time Stipendiary Magistrate of Pictou, has resigned, on account of ill health. His successor is Mr. H. R. Narraway.

A large number of farmers in Annapolis county are this season experimenting in the cultivation of early amber sugar cane, now so largely grown in Minnesota for sugar and syrup.

The *Eastern Chronicle* says that recently two attempts were made to wreck the train to and from Vale Colliery by placing sleepers on the track. An investigation is proceeding.

Berwick will have its Methodist camp meetings from July 1 to 8.

A little son of Mr. Frederick Lunn, of Falmouth, kindled a fire on Saturday week, near his father's barn to have some fun with June bugs. This fire opened business with the barn, and the result was its total destruction together with its contents, consisting of two cows, a valuable mare, agricultural implements, &c. Loss about \$500; no insurance.

On Thursday last a fire broke out in a barn owned by J. Thompson of Liverpool; and before it could be subdued had consumed three fine dwelling houses and three barns. The following persons were burnt out:—Jeffrey Thompson, C. E. D. Snow, S. S. Murray, J. B. Middlemas. Furniture partially saved. The loss is estimated at \$6,000; insurance, \$1,200.

The schooner Sarah L. Oxner, of Herring Cove, arrived in Halifax on Tuesday last, and brought 50 barrels of cotton seed oil, which she picked up at sea, 30 miles from the wreck of the ship Borneo, at Beaver Harbor.

The case of the City Horse Railroad Co. against the Dominion Government before the Dominion arbitrators, is concluded, as far as the evidence was concerned, having occupied fourteen days. The written argument of counsel will be furnished to the arbitrators, thus dispensing with the necessity of oral addresses.

The American ship Borneo, from New Orleans for Trieste, before reported ashore at Beaver Harbor, was floated off with part of her cargo, and towed to that place by the schooner Lizzie Tupper Capt. Hawes. Her bottom is knocked out forward, and it is not likely she will be worth repairing, being so old. The schooners Freedom and Nimble arrived last week, the former with 961 barrels, and the latter with 240 barrels of cotton seed oil, also the Lizzie Tupper arrived with 360 barrels, and the J. W. Falt, with 140 barrels of oil from the ship.

At Truro on Friday last Judge McDonald sentenced criminals as follows: Nelson, for issuing counterfeit bills, five years in the penitentiary; Chisholm for counterfeiting, six years; Clyke, for burglary, three years; Jodrey, for burglary, three years six months; O'Brien for assault, four weeks imprisonment and a fine of \$50. While being taken back to jail after sentence Nelson made a desperate attempt to escape, but failed.

The visit of Her Wilhelmj the violinist on Saturday night, appears to have been a great treat to the music loving public.

Mr. James Purcell brought from Ferguson's Cove on Saturday four lobsters that weighed together twenty-eight pounds.

The silver mines at Cape Mabou have been sold to the Cape Breton Oil and Mining Company of Boston, and operations will be at once commenced thereon. Several new wells are also to be sunk by the same company at Lake Ainslie, where they will probably soon "strike oil."—C. B. Advocate.
