

ARCADIA, YARMOUTH CO.—It gives me pleasure to inform you that the churches under the pastoral care of Rev. A. H. Lavers are enjoying a season of refreshing influence from above. On Sabbath last Bro. Lavers baptized six at Arcadia who with another received by letter were given the right hand of fellowship in the evening to the Arcadia Baptist Church. The work has also been shared in by the Methodist brethren at that place under the pastorate of the Rev. Mr. Borden, who with Bro. Lavers has been laboring in union services with blessed results.

A number of others are expected to unite with Bro. Lavers' church next Sabbath. Thus the promises of God to his children are verified, at times and seasons when it seems best to Him, "Cast your bread upon the waters, and it will be seen after many days."

The good people of Arcadia remembered their pastor in the tenth anniversary of his marriage by assembling at his house, and leaving with himself and Mrs. Lavers, substantial tokens of their regard. These expressions of kindness serve to bind more closely both pastor and people.

Yours truly,

ONE INTERESTED.

Arcadia, Yarmouth Co., Feb. 4, 1881.

In due time he married and permanently located himself at Westport. He was brought up under the influence of the Episcopal Church, but after his conversion, under the preaching of the late Rev. W. Jackson, some 40 years ago, he was baptized and united with the Baptist Church at Westport, of which he remained a member until his death. He leaves a widow, 8 sons and daughters, 38 grand children, and 15 great grand children. (English papers please copy).

MY PHYSICIAN ORDERS ME Puttner's Emulsion

Steamship "Edgar Stuart," Halifax, N. S. C. E. PUTTNER, PH. M.

My Dear Sir,—You are at perfect liberty to use my name in connection with your excellent and valuable compound, as I consider, by the aid of Providence and your Emulsion, that it has been the means of saving my life. Some time ago I was suffering from the first stages of Consumption, as stated by my physician, completely run down with a severe cough, no rest at night, appetite completely gone, my whole system prostrated, and emaciated, and daily losing flesh and weight. MY PHYSICIAN ORDERED ME YOUR EMULSION, and the effect has been most wonderful; from January 15th to March 1st, I gained 38 pounds of flesh under your medicine, and am today in good health, and my lungs are as sound as ever. I found it very agreeable to take, and my appetite came back, and gave me great relief at night when the cough came on, and can cheerfully recommend your Emulsion to those suffering as I have before using it.

I am, yours truly, JAMES GOOD, 1st Officer S. S. "Edgar Stuart."

TESTIMONIAL. ASADIAN MINES, December 16, 1880.

TO HOLMAN PAD CO., 119 Hollis St., Halifax.

GENTLEMEN, I suffered for many years from an impaired digestion, an evil which rendered me anything but an agreeable companion. At times, during an especially bad attack, the pain in the region of the heart would be terrific, causing me to become insensible in a moment. I tried many remedies, but without any permanent benefit; my last estate would be invariably worse than the first; until I concluded to try one of the Holman Liver Pads. During the first two weeks of wearing it, I thought it was like the many other remedies I had tried, unable to reach my case, but then I gradually began to grow better, a fact I realized in being able to lie upon my left side for quite a long time without inconvenience. I continued wearing the Pad, night and day, for nearly three months. I then felt so much better that I procured a second Pad, and wore it only in day time for two months longer; at the end of which time I ceased to be troubled with indigestion altogether, and spasms at region of heart are but of very rare occurrence, and these I have no doubt, will ultimately cease. Perhaps a little further information from you on this point would hasten this desirable end. Without troubling you with further details of my complaints and sufferings, I have only to add that I can confidently recommend the Holman Liver Pad and Remedies from personal experience of the benefits derived from their use. And I consider that I cannot overstate their value to those similarly afflicted as I have been.

Yours faithfully, C. C. FRESTON.
