WHOLE SERIES.
Vol. XLVI, No. 23.

THERE are upwards of 6,000 scholars in the Sunday Schools associated with Mr. Spurgeon's Tabernacle, London. The principal school at the chapel has 1,380 scholars, 108 of whom are members of the church. There are 109 teachers, and these are not eligible for office before they have united with the Church.

Rev. J. R. HUTCHINSON writes by Post Card that he wishes to inform his friends that the postage on letters addressed to him is 15 cents. If not fully stamped, he has to pay double the deficiency. Mr. H. adds: "All well, except Miss Hammond who is not gaining strength as fast as we would like to see."

Our United States exchanges are filled with the Anniversary doings. We should be glad to notice them more particularly, but our space is in demand for our own Anniversary proceedings. Our London papers too give full reports of speeches, made on behalf of the great Missionary, and other Benevolent Societies, last month. The May meetings, are no less necessary now than they were fifty years ago, and they are still as attractive as ever.

THE GENEVA AWARD has been the source of a world of trouble to our neighbors in the United States. It will be remembered that after the close of the great rebellion, demand was made upon Great Britain for a large sum of money to pay for property of American citizens, alleged to have been destroyed by certain vessels, Confederate cruisers, for whose doings Britain was claimed to be liable on account of culpable carelessness. The matter was referred to arbitration, and by means of not a little American "sharp practice," an immense sum of money was awarded to the United States, and forthwith paid over by Britain. After the fullest legal investigation of claims—all those which could be established by any possible construction of the terms of the Arbitration were paid in full, and it was found that there was about \$10,000,000 surplus remaining still on hand. The difficulty is to make a just and proper disposal of this balance. A large party represented by such papers as the N. Y. Tribune and the religious press generally, have advocated paying the balance back to Britain, after settling all legitimate claims, as the only honest and self-respectful course to pursue. This, Congress seems unwilling to do, but has lately passed a bill authorizing the disposal of this balance in payment of losses caused by confederate cruisers with which Britain had nothing whatever to do, and which were ruled out of the Geneva arbitration entirely. Against this the Tribune protests most vigorously. The question appears to be one of simple and common honesty. If an honest man collected from his neighbor more than his just dues the proper course for him is to pay back the balance to its rightful owner, and nations cannot pursue any other course in honesty and righteousness.

The examination for the Gilchrist Scholarship will take place at Halifax on the 19th Inst.

At a recent meeting of the University Council, Edinburgh, Professor Blackie, in referring to the newly-constituted Celtic chair, said that the £11,000 which he had collected had been increased to £14,000. It is expected that before long a professor will be appointed, and he will probably commence his duties at the next winter session.

At the recent matriculation examination of the Calcutta University eight women passed successfully, of whom six are natives of India; and at Bombay seven women were successful, including four from the city of Poona. At the First Arts examination at Calcutta a female candidate obtained a scholarship of the first grade.

Wanted—Papers and Minutes.

Mainly through the efforts and the generosity of the late Rev. T. H. Porter, the Frederick Baptist Church possesses, as part of the Pastor's Library, files of the *Christian Messenger* and *Christian Visitor*, more or less complete, extending back to 1864. The Clerk of the Church also has nearly all the Minutes of our Associations and Convention for the past fifty years. It is our desire to fill up the blanks as far as possible. Any persons who are willing to supply such of the missing numbers as they may have, and will send the writer a post card to that effect, will confer a great favor. It is hoped that some friends will take the trouble to comply with this request in view of the importance of preserving at certain centres, those valuable repositories of denominational information.

We have a large number of duplicates, both of the *Messenger* and of the *Minutes* which we shall willingly give to persons requiring them for the purpose of completing sets.

The following is a partial list of the numbers we want:

Christian Messenger—A few numbers from 1864 to 1868: 1872, Oct. 9 and 30; 1879, July 9, 16 and 23.

Christian Visitor—One or more numbers in each year from 1872 to 1878 inclusive; 26 numbers in 1879.

Minutes of Associations—New Brunswick, 1822 to 1834. N. B. Eastern, 1848, '67, '73, and '78.

Nova Scotia, 1800 to 1826 1829, '36, '37, '46, '48 and '50. N. S. Western, 1855 and '77. N. S. Eastern, 1854 and '81.

Minutes of Convention—1846, '47 and '51.

We will pay the postage on any of these papers, etc., sent as Address.

News from the Churches.

DARTMOUTH.—Rev. E. J. Grant baptized three persons in the harbor, near the Marine Railway, on Sunday morning last. There is still deep interest in the meetings, and others have indicated their intention of following the Saviour in His ordinances.

GRANVILLE.—Dear Editor,—The dear Saviour still displays His wondrous grace in our midst. The prey is being taken from the mighty, and the lawful captive delivered. Four more rejoicing converts were baptized last Lord's Day, June 4th, at Stoney Beach. The manifestations of God's love and grace are indeed wonderful. The most aged among us say they have never witnessed a revival so powerful and protracted. We are greatly encouraged and our hearts are filled with gratitude to Zion's King. To Him we ascribe the glory.
Fraternally,
ISA. WALLACE.

June 5th, 1882.

KINGSTON, June 5.—Dear Brother,—God is still blessing Tremont. Some of our meetings have been precious seasons. The Spirit's presence and power have been felt. A deep festing of inquiry prevails among the young. God's people have been refreshed and quickened. Sinners have been converted. Yesterday it was our privilege to administer the sacred rite amid much solemnity to seven. Many others are looking Zionward, some of whom we expect ere long to welcome to the Church of Christ. We have been compelled reluctantly to close special services amid deep interest. God will take care of his own.
F. BRATTIN.

NORTH WEST AND CLYDE RIVER, P. E. ISLAND.

Last Lord's day was to us one of sadness, and yet at the same time it was one of gladness. At North River we committed to the grave the mortal remains of sister Maggie A. Young, aged 23 years, second daughter of Peter and Elizabeth Warren. She was patient, peaceful and her death triumphant. From her grave we went to West River, there in the likeness of Christ's death and resurrection to glory by baptism, six trusting happy persons, others were detained by the unfavorable weather, but will follow soon. This is one of the results of some special services held in April, in which the pastor was greatly assisted by Rev. E. B. Corey, of Tryon. The church is revived and the prospect encouraging. At Clyde River there are several awaiting baptism, and will at the earliest opportunity be received. This church is small, but the blessing of God and the faithfulness of the three deacons, the meetings are all sustained. They have done, and still are doing all they can for the "Convention Scheme." The promises of God are to us.

C. C. BELLEGG,
North River, May 29th, 1882.

ARCADIA, YARMOUTH CO., N. S.

While we cannot at present rejoice in accessions to the Baptist church in this place, yet we are grateful for the spirit of harmony and peace existing among us. Our Sabbath services are well attended, prayer and conference meetings are quite interesting and the Sabbath School is progressing favorably.

Efforts are being made to aid our benevolent enterprises. A Woman's Missionary Aid Society has lately been organized, which gives promise of success. Twelve names have been enrolled, and we hope to see the number doubled in due time. The following are the principal officers: President, Mrs. Sarah Perry; Secretary, Mrs. Theresa Rogers; Treasurer, Mrs. Lydia Rogers. Considerable interest is manifested, and we are hoping for an increase of true missionary zeal during the coming year.

The kindness of the people toward the pastor is also quite apparent. A surprise party made their appearance a few evenings ago, bringing with them words of cheer, and many of the good things needful for present support; thus leaving tangible evidence of their kindly feeling, and appreciation of our efforts for the good of the cause of our Master. They are worthy of our most grateful thanks; and our prayer is that they may receive from the Lord a rich temporal and spiritual blessing.

Yours very truly,
J. D. SKINNER.

Hamburg Advertisements

The time never has been and never will be when the people of this or any other country can buy a gold dollar for seventy five cents. Neither can you, dear reader, purchase an organ worth three or four hundred dollars for \$60. This is all nonsense. Still we have no objection to other people doing their business just as they see fit. We are selling a good, honest made Piano at from \$185 to \$575, and a good, honest Organ (not all stops) for from \$48 to \$475. All our goods are made upon honor, and we send to any part of the world on test trial, and if no please, no keesee, as the Chinaman would say. For the past ten years we have sent both Pianos and Organs to every part of the world, and our instruments give the most universal satisfaction. If you wish a good instrument, one that will always last you, we shall be pleased to send you our catalogue and prices; and if you purchase one of the Thomas Brothers' Silver Tone Instruments you will get what you require, and one instrument sold in a neighborhood always sells us more. Address, for prices, etc.,
