It appeared to be revealed to him that he must die, although so young he spoke of dying at different times before he was taken sick; he went up to his mother one day and said, "next year I will be dead," and after he was taken sick he told us that he was going to die, even before we considered him dangerously ill.

HALL'S Vegetable Sicilian HAIR RENEWER

was the first preparation perfectly adapted to cure diseases of the scalp, and the first successful restorer of faded or gray hair to its natural color, growth, and youthful beauty. It has had many imitators, but none have so fully met all the requirements needed for the proper treatment of the hair and scalp. HALL'S HAIR RENEWER has steadily grown in favor, and spread its fame and usefulness to every quarter of the globe. Its unparalleled success can be attributed to but one cause: the entire fulfillment of its promises.

The proprietors have often been surprised at the receipt of orders from remote countries, where they had never made an effort for its introduction.

The use for a short time of HALL'S HAIR RENEWER wonderfully improves the personal appearance. It cleanses the scalp from all impurities, cures all humors, fever, and dizziness, and thus prevents baldness. It stimulates the weakened glands, and enables them to push forward a new and vigorous growth. The effects of this article are not transient, like those of alcoholic preparations, but remain a long time, which makes its use a matter of economy.

KENDALL'S SPAVIN CURE

THE MOST SUCCESSFUL REMEDY ever discovered, as it is certain in its effects and does not blister. Read Proof Below.

KENDALL'S SPAVIN CURE.
Denver, Colorado, April 22nd, 1882.
DR. B. J. KENDALL & CO., Gents:—
Four years ago while in the employ of A. P. Perley & Co., Danvers, Mass., we had a horse that became spavined during the first year of my stay with them, and remained so for four years, though we used every remedy we knew of, or could hear of, but of no avail. Some time during the fifth year (for I was in their employ between five and six years), we were recommended to try Kendall's Spavin Cure, and after using it two months the horse was cured, the enlargement having been entirely removed, and thus believing it to be a valuable medicine I fully recommend it to all who have occasion to use it.

Respectfully, P. H. LYONS.
Kendall's Spavin Cure.
Los Angeles, Cal., Feb. 28th, 1882.
MESSRS B. J. KENDALL & CO.:—Having used your Kendall's Spavin Cure, I find it the best remedy for the horse that has ever been used on this coast. I have a fine colt that was kicked last Fall on the point of the shoulder and for three months had no use of his leg, and by using two bottles of your Kendall's Spavin Cure, he is entirely cured. I enclose 25 cents, for which please send me one of your Treatise on the Horse by mail and oblige.

FEARS FOR THE MILLION!
Fool Choo's Balsam of Shark's Oil
Positively Restores the Hearing,
and is the only Absolute Cure
for Deafness Known.

This Oil is abstracted from peculiar species of small WHITE SHARK, caught in the Yellow Sea, known as CARCHARODON RONDLETTI. Every Chinese fisherman knows it. Its virtues as a restorative of hearing were discovered by a Buddhist Priest about the year 1410. Its cures were so numerous and MANY SO SEEMINGLY MIRACULOUS, that the remedy was officially proclaimed over the entire Empire. Its use became so universal that for OVER 300 YEARS NO DEAFNESS HAS EXISTED AMONG THE CHINESE PEOPLE. Sent charges prepaid, to any address at \$1.00 per bottle.

"Its virtues are UNQUESTIONABLE and its CURATIVE CHARACTER ABSOLUTE, AS THE WRITER CAN PERSONALLY TESTIFY, BOTH FROM EXPERIENCE AND OBSERVATION. Write at once to HAYLOCK & JENNEY, 7 Day St., New York, enclosing \$1.00, and you will receive by return a remedy that will enable you to hear like anybody else, and whose curative effects will be permanent. You will never regret doing so."—EDITOR OF MERCANTILE REVIEW.

KENT ST. CHARLOTTETOWN.
August 21, 1883.
To DR. BENNET, Halifax, N. S.:
DEAR SIR,—I wish to express to you, as far as I am able, my deep feeling of gratitude for the wonderful cure you have made of my case. To think that I am now quite well and able to attend to my family, and feel as well as ever I did in my life, is more than I can understand, after three years of intense agony, such as no pen can describe, and the only relief I could get from the doctors here was an injection to give temporary relief. I certainly had no faith in anything, much less of a perfect cure, and it was only through my husband's faith I consented to have you—the sixth doctor that had attended me—if females only knew there was such a sure and speedy cure as yours for their ailments, how many thousands would go to you that have been like myself suffering years of agony. Your grateful servant,
MRS. MARY MORRISON.
