KENDALL'S SPAVIN CURE.

THE MOST SUCCESSFUL REMEDY ever
discovered, as it is certain in its effects
and does not blister. Read Proof Below.

KENDALL'S SPAVIN CURE.
Denver, Colorado, April 22nd, 1882.

DR. B. J. KENDALL & CO., GENTS:
Four years ago while in the employ of
A. P. Perley & Co., Danvers, Mass., we
had a horse that became spavined during
the first year of my stay with them, and
remained so for four years, though we
used every remedy we knew of, or could
hear of, but to no avail. Some time
during the fifth year, (for I was in their
employ between five and six years), we
were recommended to try Kendall's
Spavin Cure, and after using it two
months the horse was cured, the enlarge-
ment having been entirely removed, and
thus believing it to be a valuable medicine
I fully recommend it to all who have
occasion to use it.

Respectfully, P. H. LYONS.
Kendall's Spavin Cure.
Los Angeles, Cal., Feb. 26th, 1882.

Messrs B. J. KENDALL & CO.:—Having
used your Kendall's Spavin Cure, I find
it the best remedy for the horse that has
ever been used on this coast. I have a
fine colt that was kicked last Fall on the
point of the shoulder and for three
months had no use of his leg, and by
using two bottles of your Kendall's
Spavin Cure, he is entirely cured. I
enclose 25 cents, for which please send
me one of your Treatise on the Horse by
mail and oblige.

AYER'S Hair Vigor

restores, with the gloss and freshness of
youth, faded or gray hair to a natural, rich
brown color, or deep black, as may be desired.
By its use light or red hair may be darkened,
thin hair thickened, and baldness often,
though not always, cured.

It checks falling of the hair, and stimu-
lates a weak and sickly growth to vigor. It
prevents and cures seurf and dandruff, and
heals nearly every disease peculiar to the
scalp. As a Ladies' Hair Dressing, the
Vigors is unequalled; it contains neither oil
nor dye, renders the hair soft, glossy, and
silk in appearance, and imparts a delicate,
agreeable, and lasting perfume.

Mr. C. P. BIERER writes from Kirby, O.,
July 1882: "Last fall my hair commenced
falling out, and in a short time I became
nearly bald. I used part of a bottle of
AYER'S HAIR VIGOR, which stopped the fall-
ing of the hair, and started a new growth. I
have now a full head of hair growing vigor-
ously, and am convinced that but for the
use of your preparation I should have been
entirely bald."

J. W. BOWEN, proprietor of the *McArthur
(Ohio) Enquirer*, says: "AYER'S HAIR VIGOR
is a most excellent preparation for the hair.
I speak of it from my own experience. It
promotes the growth of new hair, and
makes it glossy and soft. The VIGOR is also
a sure cure for dandruff. Not within my
knowledge has the preparation ever failed
to give entire satisfaction."

MR. ANGUS FAIRBAIRN, leader of the
celebrated "Fairbairn Family" of Scottish
Vocalists, writes from *Boston, Mass.*, Feb. 6,
1883: "Ever since my hair began to give
very evidence of the change which fleeting
time procures, I have used AYER'S HAIR
VIGOR, and so have been able to maintain
an appearance of youthfulness—a matter of
considerable consequence to ministers, orators,
actors, and in fact every one who lives in
the eyes of the public."

Mrs. O. A. PRESCOTT, writing from 18 Elm
St., Charlestown, Mass., April 14, 1882, says:
"Two years ago about two-thirds of my hair
came out, and I was left with a very thin
fast growing bald. On using AYER'S HAIR
VIGOR the falling stopped and a new growth
commenced, and in about a month my head
was completely covered with short hair. It
has continued to grow, and is now as good
as before it fell. I regularly used but one bottle
of the Vigor, but now use it occasionally as
a dressing."

We have hundreds of similar testimonials
to the efficacy of AYER'S HAIR VIGOR. It
needs but a trial to convince the most skepti-
cal of its value.

KENT ST. CHARLOTTETOWN.

August 21, 1883.

To DR. BENNET, Halifax, N. S.:

DEAR SIR—I wish to express to you,
as far as I am able, my deep feeling of
gratitude for the wonderful cure you
have made of my case. To think that I
am now quite well and able to attend to
my family, and feel as well as ever I did
in my life, is more than I can understand,
after three years of intense agony, such
as no pen can describe, and the only
relief I could get from the doctors here
was an injection to give temporary relief.
I certainly had no faith in anything, much
less of a perfect cure, and it was only
through my husband's desire I consented
to have you—the sixth doctor that had
attended me. If females only knew
there was such a sure and speedy cure as
yours for their ailments, how many
thousands would go to you that have
been like myself suffering years of agony.

Your grateful servant,
MRS. MARY MORRISON.
