EPPS'S COCOA.
BREAKFAST.
"By a thorough knowledge of the natu-ral laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected Cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage, which may save us many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every ten-dency to disease. Hundreds of subtle malady are floating around us, ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood, and a properly nourished frame."

HOW GREAT THE CHANGE.
It is comparatively a short time since

PROVINCIAL AND CITY HOSPITAL,
Halifax, April 30th, 1894.
BUDD'S CREAM EMULSION has recom-mended itself at the Hospital as being a very palatable and efficient preparation of cod LIVER OIL. It is the only one prescribed here now.
M. A. B. SMITH, M. D.
House Surgeon.

FROM THE LATE HOSPITAL SURGEON J. A. SPONAGLE, M. D. C. M.
From what I saw of your new Emulsion, "Budd's," while residing in the P. and C. Hospital, I have no hesitation in recom-mending it as a MOST AGREEABLE and TRUST-worthy preparation of COD LIVER OIL.
For Debility from many causes, and more especially when the result of one of those trying and tedious "Colds," so common in Nova Scotia, it has proved itself of great and permanent value.
J. A. SPONAGLE, M. D. C. M.
Late House Surgeon of P. and C. Hospital.

N. B.—"Gates'" Pianos were awarded First Prize and only Silver Medal at Do-minion Exhibition, St. John, in 1883. Also first prize and Diploma at Prov. Exhibition, Truro 1883 and their "Evangeline" Solo Organ won the Dom. Medal and Diploma at Centennial Exposition, Philadelphia, 1876.

PATENTS
obtained for Inventors, in the United States, Canada, and Europe, at reduced rates. With our principal Office located in Washington, directly opposite the United States Patent Office, we are able to attend to all Patent Business with greater promptness and despatch and less cost, than other patent attorneys, who are at a distance from Washington, and who have, therefore, to employ "associate attorneys." We make preliminary exam-inations and furnish opinions as to pa-tentability, free of charge, and all who are interested in new inventions and Patents are invited to send for a copy of our "Guide for obtaining Patents," which is sent free to any address, and contains complete instructions how to obtain Pa-tents, and other valuable matter. We refer to the German-American National Bank, Washington, D. C.; the Royal Swedish, Norwegian, and Danish Legations, at Washington; Hon. Jos. Casey, late Chief Justice, U. S. Court of Claims, and to Senators and Members of Congress from every State. Address:
