There is nothing so essential to health and happiness as pure rich blood. It prevents exhausted vitality, premature decline, nervous and physical debility, besides untold other miseries. *Parsons' Purifying Pills* purify and enrich the blood, and will change the blood in the entire system in three months.

A gentleman writes: "I desire to place on record the cure of the Piles by using Minard's Family Pills and applying Minard's Liniment externally." Use equal parts of Liniment and sweet oil for applying; it reduces inflammation and gives comfort at once.

WORMS.—A young mother writes: "My little boy, 5 years of age, was very much troubled with worms. A few doses of Nelson's Cherokee Vermifuge brought away the worms and improved his general health. There is nothing like it as a worm expeller."

I certify that I obtained immediate relief during a severe case of bronchitis, when in Camp Sussex this year, by the application of Minard's Liniment.

HOW GREAT THE CHANGE.—It is comparatively a short time since the introduction to the profession and the public of that valuable preparation known as BUDD'S CREAM EMULSION, and which to day, stands higher than any other known compound in British North America. It has been universally adopted by the profession who pronounce it excellent, and another, and the highest recommendation it could obtain that it is the ONLY ONE USED IN THE HOSPITAL.

House Surgeon.

FROM THE LATE HOSPITAL SURGEON J. A. SPONAGLE, M. D. C. M.
From what I saw of your new Emulsion, "Budd's," while residing in the P. and C. Hospital, I have no hesitation in recommending it as a most agreeable and trustworthy preparation of cod liver oil.
For Debility from many causes, and especially when the result of one of these trying and tedious "Colds," so common in Nova Scotia, it has proved itself of great and permanent value.

PATENTS

obtained for Inventors, in the United States, Canada, and Europe, at reduced rates. With our principal Office located in Washington, directly opposite the United States Patent Office, we are able to attend to all Patent Business with greater promptness and despatch and less cost, than other patent attorneys, who are at a distance from Washington, and who have, therefore, to employ "associate attorneys." We make preliminary examinations and furnish opinions as to patentability, free of charge, and all who are interested in new inventions and Patents are invited to send for a copy of our "Guide for obtaining Patents," which is sent free to any address, and contains complete instructions how to obtain Patents, and other valuable matter. We refer to the German-American National Bank, Washington, D. C.; the Royal Swedish, Norwegian, and Danish Legations, at Washington; Hon. Jos. Casey, late Chief Justice, U. S.
