separated from their resources by a stormy sea, look confidently to the government for ample identity to the train were not found; also a lad about fifwould be running a great risk.

the allies will then be obliged to abandon their positions, and to bring their ships back to the Boshave been taken of the property held by Americans have been taken of the property held by Americans here.—N. Y. Observer. phorous. (The writer forgets that Sebastopol has a harbor.) This will be in the winter, a season

happened to pass by there, not long after 5 o'clock, the execution hour, before the headless bodies were removed from the ground, or the head thrown into the heap. There lay fifty or sixty victims, which is not greatly above the average of daily executions for a week or two past,—the head near the body from which it was just severed, the hands tied behind the back, the 

BRITISH AND FOREIGN.

BRITISH AND FOREIGN.

No authoric news from England since our last. The Scanner and an edge of the party with the rebels by the imperialists, causing a solution of trade—went up with Capt. Reges, of the U.S. steamer "John Hancock," two or last. The Scanner had not arrived at Halifax at South and the color of trade, which is disputed to the rest of the party, who were at the place where the train was attacked, some hundred yards to the rest of the party, who were at the ladians. His two companions retreated back to the rest of the party, who were at the place where the train was attacked, some hundred yards to the rest of the party, who were at the place where the train was attacked, some hundred yards to the rest of the party, who were at the place where the train was attacked, some hundred yards to the rest of the party, who were at the place where the train was attacked, some hundred yards to the rest of the party, who were at the place of the party, who were at the place where the train was attacked, some hundred yards to the rest of the party, who were at the place of the party, who were at the place where the train was attacked, some hundred yards to the rest of the party, who were at the place of the party, who were at the place of the party, who were at the place of the party, who were at the ladians. Here they found a number of an unwhered and passed at 10 o'clock by the imperials and a little absorber where the train was attacked, some hundred yards at the ladians. Here they found a number of the party, who were at the place of the party, the party of the party, the party of the party of the tic information of its reduction. A report had reached Paris of the entire success of the allies, but it does not appear to be generally credited.

The siege operations formally commenced on the 9th ult., and the 18th is mentioned as the probable day on which they would be carried to a species of the allies, and makes at Phassan. The Americans commands the Americans commands at Phassan. The Americans commands at Phassan. The Americans commands the first and in a friendly way with the junks, and passed on. When within half-a-mile of burning brief who can speak the "Snake" language, and by whose services we were in hopes of getting by whose services we were in hopes of getting by whose services we were in hopes of getting back the women and children.

We arrived at Boise that night, and the next morning to the former place.

We arrived at Boise that night, and the next morning to the former place. The first make the first ma on thich they would be carried to a succession of fair result.

The Austrian Trieste Journal has a long homily addressed to Russia, and holds forth with great gravity on the misfortune of despotic governments, that "they are not capable of appreciating spiritual powers!" Says this Austrian Lecturer:

"They should have known at St. Petersburg this spirit of the English inform—they should have known at St. Petersburg this spirit of the English inform—they should have known at St. Petersburg this spirit of the English inform—they should have known at St. Petersburg this spirit of the English inform—they should have known at St. Petersburg this spirit of the English inform—they should have known at St. Petersburg this spirit of the English inform—they should have known at St. Petersburg this spirit of the English inform—they should have known at St. Petersburg this spirit of the English inform—they should have known at St. Petersburg this spirit of the English inform—they should have known at St. Petersburg this spirit of the English inform—they should have known at St. Petersburg this spirit of the English inform—they should have known at St. Petersburg this spirit of the English inform—they should have known at St. Petersburg this spirit of the English inform—they should have known at St. Petersburg this spirit of the English inform—they should have known at St. Petersburg this spirit of the English inform—they should have known at St. Petersburg this spirit of the English inform—they should have known at St. Petersburg this spirit of the English inform—they should have known at St. Petersburg this spirit of the English inform—they should have known at St. Petersburg this spirit of the English inform—they should have known at St. Petersburg this spirit of the English inform—they should have known at St. Petersburg this spirit of the English inform—they should have known the spirit of the English inform—they should have known the spirit of the English inform—they should have known the spirit of the English inform—

"Having destroyed the fleet and the fortress, or more from the factories, and with none but Chinese arrow, which was still sticking in his body at the

other, in a kneeling posture, the head bent forward; one of the two executioners helds him, while the other strikes off the head, at a single stroke, usually, of his sword.

Mr. Bonney could understand the talk of the by-many and it revealed indignant feelings at this for Boise. The letter is dated Sept. 10th:—
