BRITISH AND FOREIGN. SEVEN DAYSLATER FROM ENGLAND. Important News !--- Brilliant Success of the Turks! The Russians everywhere Defeated.

The steamship America, with dates to the 24th June, arrived at Halifax on Wednesday morning at 10 o'clock. The war news is of the greatest importance.

The War on the Danuba.

The seige of Silistria has been raised, the Russians having been defeated by the Turks and driven across the Danube. The order of events is as follows :- Seige operations were begun on the 17th May. Until June 15th, the attack and defense were carried on incessanily, and with equal bravery. On both sides repeated storming parties Garoune, and 150 arrests have been made. were directed against the entrenchments. Mines and counter-mines were exploded, causing im. of France, and favorable from Algeria. mense slaughter to the beseigers and beseiged.

 mense staaghter to the beseigners and besenders and beseigners and beseigners and beseigners an pulsed; and a Turkish brigade sent from Shunla by Omer Pacha, succeeded in entering the fortress. Thus reinforced, the garrison on the 15th made a sortie. A desperate hand to hand contest ensued, and ended in the complete discomfiture of the Russians. Prince Gortschakoff was severely wounded, Schilders had his leg shot off, and two other general officers were killed. The carage among the Russian troops was dreadful, and they with choiced fat, business being confined to sup-tiered fighting across the river, pursuing their ad-among the Russian troops was dreadful, and they with choiced fat, business being confined to sup-tiered fighting across the river, pursuing their ad-among the Russian troops was dreadful, and they with choiced fat, business being confined to sup-time fighting across the river, pursuing their ad-among the Russian troops was dreadful, and they with choiced fighting across the river, pursuing their ad-among the Russian troops was dreadful, and finer among the Russian troops was dreadful to the Rules and Russian troops and an a seige works thereon. The Turks then brought Corn. out their guns and erected temporary batteries on the bank of the River before the North face of the fortress. The Russian battalions East and West
